WASTE COLLECTION CHANGES
EFFECTIVE THE WEEK OF JULY 1, 2019

GARBAGE, RECYCLING, AND YARD WASTE COLLECTION SCHEDULES REMAIN THE SAME.

White Goods (appliances)
BI-WEEKLY
Residential curbside collection of white goods is changing from weekly to bi-weekly. The collection schedule will be the same day as your recycling day. Commercial businesses will need to take their white goods to the Cabarrus County Landfill at 4441 Irish Potato Road, Concord, NC.

Electronic Waste (New Service)
BI-WEEKLY
Residential curbside collection for e-waste will now be offered bi-weekly. The Public Works Facility on Bethpage Road will no longer accept these items. The collection schedule will be the same day as your recycling day.

Commercial electronic recycling is accepted at Power House Recycling, Inc. (704-322-3093), 220 Ryan Patrick Drive, Salisbury, NC 28147. All electronics are 5 cents per pound, but televisions are 30 cents per pound.

Bulky Waste
BI-WEEKLY
Residential curbside collection of bulky waste is changing from weekly to bi-weekly. The collection schedule will be the same as your recycling day. Only 5 yards (the equivalent of 5 washing machines) of bulky waste is allowed per pickup. Commercial businesses will need to take their bulky waste to the Charlotte Motor Speedway (CMS) Landfill at 5105 Morehead Road, Concord, NC.

DOWNLOAD THE APP.
IT’S EASY!
Find your collection schedule, get reminders about your collection day, get alerts about collection delays, and search for accepted recyclable items.

The app can be found in the Apple and Google Play stores, and on our website.

NO GLASS OR BAGGED RECYCLABLES
Glass, plastic bags, and shredded paper are not recyclable. Bag only trash, not recyclables.

Unfortunately, we cannot accept glass. We no longer have a vendor who will accept it for recycling. We are looking into other opportunities and hope to be able to recycle it in the future.

Pet Waste
BAG IT
Please bag your pet’s waste before putting it into the trash bin. Bins with unbagged pet waste will not be collected.
