Final Draft

May 11, 2026

Subject: Proposed FY 2026-27 Budget

Dear Honorable Mayor Wilson and Distinguished Members of the Kannapolis City Council:

I am pleased to present to you the proposed Fiscal Year 2026-27 (FY 27) Budget for the City of Kannapolis, North Carolina, which begins July 1, 2026, and ends June 30, 2027. This budget is prepared in accordance with the North Carolina Local Government Budget and Fiscal Control Act and the requirements of the N.C General Statutes. This balanced budget identifies the revenue projections and expenditure estimates for all seven of the City's annual funds and identifies key priorities over the next year and future fiscal years to come.

The FY 2027 Budget represents a new chapter for the City, marked by the transition to newly elected City Council members, a new Mayor, and new administrative leadership. This period of transition has provided an important opportunity for City Council and staff to reassess the City's long-term priorities and strategic direction. Through three strategic retreats, City Council engaged in thoughtful discussions regarding emerging issues, community challenges, future trends, and goals for both the upcoming fiscal year and the years ahead.

Throughout these discussions, several key priorities were reaffirmed, including a continued commitment to employee appreciation, development and enrichment, the delivery of exceptional customer service, and the provision of high-quality core services that directly impact residents' daily lives. These essential services include public safety, public works, transportation, and ongoing investments in infrastructure and fleet resources to ensure City departments operate efficiently and effectively.

While transitions often bring both opportunities and challenges, this City Council has remained steadfast in its commitment to serving the community with purpose and integrity. Council members have worked collaboratively with one another and alongside staff to address challenges, identify solutions, and establish a clear path forward. Given the significance of these leadership changes, the City recognized the need to reset and refine its priorities for the next three years. Although more than 30 initiatives emerged from the Strategic Plan focus group efforts conducted between 2022 and 2024, the new leadership determined it was important to revisit and reevaluate previous implementation decisions to ensure alignment with the City's evolving vision and priorities.

Several City Council planning retreats were held in February 2026 to set new priorities and redefine the City's continuing and new investments. These new priorities emerging from these planning retreats are described on the following pages and are projected to be implemented as Phase II of the Strategic Plan for the next three years through approximately June 2029.

Strategic Priorities which emerged from the retreat:

- **Public Transit:** revising the current system to explore the feasibility of on-demand transit service options and provide cost savings.
- **Enhanced Street Paving and Sidewalk Maintenance:** This initiative aligns with the current City leadership's reorientation of priorities to include more emphasis on day-to-day core services including street paving and sidewalk maintenance. There is already \$900,000 associated with this effort from the FY 26 budget and another \$900,000 proposed in the FY 27 budget.
- **Western Area Fire Protection and Life Safety Services:** a multi-phased transition from contracted fire and life safety services in the City's western growth area to in-house provided service.
- **Historic Preservation Program:** The Historic Preservation Focus Group establishes guiding principles for a new Historic Program.
- **Kannapolis History Museum and Downtown Visitors Center:** renovation of the City-owned former Wells Fargo Building (more recently the Cannon Ballers Team offices). The Museum and Visitors Center would occupy the same space. There was funding set aside in the FY 26 budget for this effort. No additional funding is allocated in the FY 27 proposed budget currently.
- **Downtown Business Support Plan:** subject to adequate feedback from most downtown property owners and business owners regarding the establishment of a new Municipal Service District (MSD) Tax. For downtown and the entire City to thrive, one objective is to increase visitors - especially downtown. This Downtown Support Plan is largely centered on marketing and promotion of the downtown.
- **Capital Outlay Program:** This program is generally designed for replacement of existing capital outlay items that have aged out to the point that ongoing maintenance is no longer cost effective. Typically, new programs and new personnel will have equipment and vehicles included separately with these budget additions. The City is behind on replacing capital and has been for several years. This will begin to be addressed in the FY 27 proposed budget.
- **Employee Pay and Benefits:** City Council recognizes that the City's employees are the most important asset in the organization. Accordingly, it supports the continued investment in pay and benefits that both retain existing employees while also attracting new talent.

Over the past several years City Council has maintained that employee retention and recruitment are a high priority. Significant improvements in employee benefits have been implemented including (but not limited to) the following:

BUDGET MESSAGE

- Remote Work Options (began with Covid in 2021)
- Longevity Pay (reimplemented after a decade + hiatus)
- Incentive Pay (Police and Water Resources); fixed shifts in PD, shift differential
- No Increase in Employee cost for Employer Paid Health Insurance
- Employer Paid Dental Insurance
- Employer Paid Vision and Short-Term Disability
- Enhanced Funding for HSA and HRA Accounts (\$2,200 and \$2,000 respectively)
- Paid Caregivers Leave
- Enhancement of the 401k program (new to the FY 27 budget)
- Kannapolis Cannon Baller Tickets - including the City's Suite
- Kannapolis YMCA Membership + discount for families of employees
- Free personalized nutrition counseling
- Enhanced onsite Health Clinic
- Paid volunteer hours
- Paid birthday leave
- Paid bereavement leave

Additionally, City Council has consistently made commitments to employee compensation to maintain competitiveness in the job market, and to promote ongoing employee satisfaction. The following are the range of increases in employee pay over the past six years.

Fiscal Year	Cost of Living Adjustment	Merit/Performance Pay
FY 21	2.5% (July), 1.5% (December)	0.0% - 5.0% (w/ evaluations)
FY 22	1.5% (July)	0.0% - 5.0% (w/ evaluations)
FY 23	5.0%	0.0% - 5.0% (w/ evaluations)
FY 24	2.0% or greater with Pay Study results (April) + 3.0% (July)	0.0% - 5.0% (w/ evaluations)
FY 25	3.0%	5.0% (all employees - not tied to evaluations)
FY 26	2%	3 % (all employees - not tied to evaluations)
FY 27	3%	2% (all employees - not tied to evaluations)

This keeps us in line with the market. Surrounding areas are giving between 5.99% - 6.25% adjustments for FY 27.

Consistent history of achievement and continued growth:

The past 6 months under new administration have been full of positive opportunities

- **Oakwood and Roger's Lake Road Intersection Improvements:** Through Congressman McDowell's office, the City was successful in getting \$1.5M federal transportation safety earmark to finalize improvements to Oakwood and Rogers Lake Road.
 - The improvements would include the addition of turn lanes on Rogers Lake, drainage improvements and lane improvements for motorists heading eastbound from Oakwood.
- **Street Resurfacing:** Resurfacing of 6 streets 2.1 miles currently underway with substantial completion June 2026 (\$1,034,467.59).
- **MLK Road Diet:** Road diet improvements are still planned for this summer that will include resurfacing that will incorporate bike lanes as well as pedestrian improvement to accommodate safe passage across roadway.
- **Three major sidewalks projects:**
 - **Little Texas Rd:** Currently in the right-of-way acquisition phase. Estimated completion in 2028.
 - **Bethpage Rd:** Right-of-way acquisition to begin in February 2027 with estimated let for construction in late 2027.
 - **Midlake Rd:** The City was awarded \$5.8M in STBG funding for the construction of sidewalk from Brantley Rd to Centergrove Rd. Estimated let for construction in December 2031.
- **MLK Jr. Bridge:** Under construction; estimated completion Fall 2026.
- **Rogers Lake Road Bridge (Over Main and Ridge):** Under construction; estimated completion early/mid 2027.
- **Rogers Lake Bridge (Over Irish Buffalo Creek):** Currently in the right-of-way acquisition phase, estimated let for construction in 2030.
- **Lane Street Bridge (Over Lake Fisher):** Planning underway; estimated let for construction in 2030.
- **U-5761 US-29/Dale Earnhardt Blvd Intersection Improvements:** The project includes intersection improvements at U.S. Route 29 and Dale Earnhardt Boulevard, featuring the implementation of a Michigan Left configuration with directional U-turn bulbs to improve traffic flow and safety. Additional project components include traffic signal upgrades, pedestrian infrastructure enhancements, water and sewer improvements, and stormwater infrastructure upgrades. The project is currently in the right-of-way acquisition phase, with an anticipated construction let date in 2027.

BUDGET MESSAGE

Safety and Emergency Response

- **Western Communication Tower:** construction of a new communications tower to improve communications of Police, Fire and EMS in Western Cabarrus County. Federal grant paying 50% (\$963,000). The tower will be located off Highway 3 near Odell School Road. Estimated construction 2026.
- **Western Area Fire Protection:** Evaluation of potential site location underway for Fire Station #6 to serve the area that the City currently contracts out with Odell Volunteer Fire District.
- **Adaptive Response Vehicle:** The Adaptive Response Program (ARP) is designed to supplement traditional fire responses by deploying Quick Response Vehicles (QRVs), which are smaller, cost-effective vehicles, to appropriate low-acuity incidents. Rather than sending a full fire engine on every medical call, QRVs can arrive more quickly, reduce workload on frontline apparatus, and preserve larger units for high-risk emergencies. Overall, the ARP offers a cost-effective method to reduce apparatus wear, improve response efficiency, enhance public perception, and better match resources to incident type while maintaining readiness for critical emergencies. The vehicle is delivered and is getting upfitted currently. The FY 27 proposed budget allocated funding for staffing and personal protective equipment for this effort.
- **Fire Department Training Tower:** This tower will replace the recently demolished structure. This project will replace the old training tower which was constructed in 1996 and was determined to no longer be safe or efficient for training purposes. The new tower will be used for training related to hose advancement, search and rescue, ropes, and live fire maneuvers. It will be constructed at Fire Station #1.
- **Fire Department Fleet Storage and Maintenance Building:** This project has shifted in purpose. It was originally contemplated as a storage and logistics building; it is now anticipated to serve more to move reserve apparatus and trailers out of the weather elements. It will also serve as an expanded maintenance space. There is a federal HUD grant to offset some of these costs in the amount of \$345,000.

History Preservation

- **History Museum and Visitor Center:** approved funding for the renovation of the City-owned former Wells Fargo Building for this effort. The Museum and Visitors Center would occupy the same space. There was funding set aside in the FY 26 budget for this effort.
- **Cultural Arts/Historic Preservation Program:** Creation of new Cultural Arts Division and a Citizen Advisory Commission to guide the program.

Recognitions

- **Lane Street Bridge:** In Memory of Officer Roger Dale Carter
- **MLK Jr. Bridge & Hwy 3 Roundabout Legacy Garden:** In Honor of Corine Cannon
- **New Rogers Lake overpass:** In Memory of State Representative Linda P. Johnson

BUDGET MESSAGE

Industrial Development: Approximately 7 million square feet of industrial space on more than 800 acres is under active development in multiple locations (I-85 exits 54, 63, 65). Projected \$750 million - \$1 billion in private investment and potentially several thousand jobs.

- **Overlook 85:** Class A industrial park located at Exit 65 off I-85 in Kannapolis, NC, featuring large-scale, modern warehouse and logistics space. As part of the larger Kannapolis Crossing mixed-use development, it will include 4.4 million square feet of industrial space on 330-acre site. Phase I - a 729,872-square-foot cross-dock facility is complete and home to Google. Next phases of the planned expansions are designed for manufacturing, distribution, and logistics companies.
- **Lake Shore Industrial Park:** 700,000 square feet of industrial space at exit 63 and home to Chick-fil-A Distribution Facility.
- **85 Exchange:** 1.4 million square feet of industrial space located off exit 54. Phase I is complete and home to Amazon with phase II currently under construction.
- **Stanley Industrial Park:** Includes modernization and upfit to the existing 932,962 square feet facility as well as adding 5 new buildings for various industrial and commercial uses totaling 710,400 square feet.

Development Projects

- **Millstone Village – Downtown:** Harris Teeter is the anchored retail. Sitework completed by fall 2026 with final completion end of 2027; 345 multifamily and townhome units mid-2028.
- **Lowes Foods:** projected grand opening of June 2026. The McDonald's at the shopping center has already been completed, along with several additional outparcels that are coming soon, including a coffee shop, and other retail spaces.
- **200 Main:** New 84 apartment unit project with estimated completion in April/May 2026.
- **Google:** the company has signed an 88-month lease and will be moving into the Overlook 85 Industrial Park at Exit 65 off I-85 in Kannapolis. The building will be used for warehousing and logistics for their supply chain, and Google will contract a 3rd party logistics provider to manage the facility.
- **Highside Golf Club:** Community oriented golf and recreation facility. Short format golf, practice facility with clubhouse and performance center.
- **Odell Corners:** Proposed mixed use commercial that includes a grocery store, c-store and retail outparcels.
- **Trackhouse Racing:** Headquarters for Trackhouse Entertainment Group that will include company office and light manufacturing facility. 200 new jobs.
- **Kellswater MOB:** New medical office building in Kellswater Commons.
- **SONA Mixed Use:** Market rate multifamily with commercial, restaurants, daycare, medical office, and retail located in north Kannapolis off Cannon Boulevard.
- **Kellswater Plaza:** 42,000 square feet of new retail and general commercial (4-buildings/11 units).

BUDGET MESSAGE

- **Vertical Climbing Facility:** This new facility will include vertical climbing area, weight and fitness center, yoga and exercise room, event space, PT studio, coworking suite, café and bakery.
- **Kannapolis Flex:** 4 Flex Use Buildings for office, distribution, and general commercial totaling 51,600 square feet.

Parks & Recreation: Potential Park General Obligation Bond estimated at \$40 million to help fund the following quality of life initiatives:

- **Eastside Park:** Construction of a 33-acre park on City-owned Midlake Road property with Lake Fisher frontage. Amenities to include paddle-boating, walking trails.
- **Westside Park:** Construction of a 55-acre park on City-owned land with frontage on Highway 73 (Davidson-Concord Rd).
- **Glen Avenue:** Development of 76 acres on Glen Avenue.
- **Irish Buffalo Creek Greenway- Phase 2:** Construction of approximately a one-mile stretch of greenway from Rogers Lake Road to Hwy 3.
- **Irish Buffalo Creek Greenway- Phase 3:** Construction of a greenway (3/4 mile) from Hwy 3 to Pine Street by Fred L. Wilson Elementary.
- **Rocky River Greenway:** Construction of a greenway west from an existing parking lot at Shiloh Church Road to the Mecklenburg County line and South from the current stub out to Hwy 73 at the bridge.
- **Gem Theatre – Phase 3:** Expanded concessions area and renovated event space.
- **Dog Park:** Located off Vance currently under construction in conjunction with Research Walk townhome project. This facility is being constructed at no cost to the city and will be available to all citizens.

Water & Wastewater System

- **Replacement of the Kannapolis Lake Spillway:** Under construction in early 2026. \$12 million project. The dam was originally constructed in 1940 and is located on Irish Buffalo Creek near Pump Station Road. Due to its age and damage over the years from large rain events, the replacement is necessary. The entire project is expected to be completed in 2027.
- **Wastewater system expansion:** Evaluating numerous options to expand wastewater system capacity.

FY 2026-27 Budget Overview:

The total proposed FY 27 Budget for the City of Kannapolis is **\$134,218,842** or a **6.5% increase** over the FY 26 adopted budget of **\$126,007,842**.

This FY 27 Budget total is the sum of the seven separate annual funds: the General Fund, the Water and Sewer Fund, the Stormwater Fund, the Environmental Fund, the Public Transit Fund, the Separation Pay Fund, and the Insurance and Risk Fund.

FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	FY 2027
\$85,250,848	\$94,916,039	\$104,385,876	\$123,106,329	\$126,007,842	\$134,218,842

The above budgets exclude all interfund transfers (as defined by transfers between the annually adopted funds).

Interfund transfers excluded for the FY 27 Budget total \$10,365,146:

- **\$758,000** for **separation fund** revenue
- **\$299,000** for **transit fund** revenue
- **\$2,290,246** for **environmental fund** revenue
- **\$7,017,900** for **insurance** and **risk** fund revenue (\$15,700/ per employee at 447 employees)

The proposed FY 27 budget is framed around 3 key themes: 1. Supporting our most valuable assets of the City - our employees, 2. Fiscal responsibility and 3. Reinvestment in core services.

Employee Investment: For the fifth consecutive fiscal year, the FY 2027 Budget demonstrates the City's ongoing commitment to providing competitive compensation and benefits while fostering a positive and supportive workplace environment. The FY 2027 Budget includes the following personnel investments and enhancements:

- **5% performance increase (Cola and Merit)** for all full-time and part-time employees: estimated at \$2.3 million across all funds
- **5% flat 401k contribution:** this was previously a 2% straight contribution with up to 3% match; law enforcement officers already receive mandated 5% (this is in addition).
- **Employer paid health insurance:** increased 16% from prior year; \$15,700/per employee, estimated at \$983,400 across all funds.
- **Employer paid dental insurance:** increased 40% from prior year; \$975/employee, estimated at \$122,785 across all funds.
- **Mandated Retirement rate increases:** 15.13% for general employees, 17.10% for law enforcement; estimated at an increase of \$898,325 across all funds.
- **Salary study implementation:** to be competitive within the market; estimated at \$1.2 million across all funds.

Fiscal Responsibility: The FY 27 Budget builds upon the foundation established in the previous fiscal year through the continued “rightsizing” of budget line items, careful analysis of spending patterns and trends, and the implementation of necessary adjustments to ensure responsible financial management.

- **Property Taxes:** Property taxes were projected to increase by 5% due to new investment in the community. This projection was, in part, based on the average growth rate of the past seven years (excluding the Cabarrus revaluation years) of 5.72%. **The FY 27 Budget includes an increase of only 3.56%.** We have typically seen larger growth on the Cabarrus side, but this has leveled off due to significant unexpected exemptions as well as other appeals while motor vehicle projections are projected to decline. We are expecting an increase of 9% on the Rowan County side of Kannapolis, but since Rowan makes up such a small composition of the City, it doesn’t have as large of an impact. **88% of Kannapolis within Cabarrus County with 12% in Rowan County.**
- **Sales Taxes:** We are expecting a healthy increase in sales tax collections based on trends we have seen in the current year. We budgeted conservatively at around 1.5% last year, and we are on trends to exceed budget by 5% with anticipated growth at an additional 2.6%. **This is the City’s second largest revenue stream, but is a volatile one based on the economy, inflation and spending patterns.**

Rate Increases:

- **Water and Sewer Revenues:** Like sales tax revenues, utility revenues, particularly tap and connection fees, often serve as a strong indicator of growth and development within the community. For FY 2026, tap and connection fee revenues are projected to meet budgeted expectations, which is reflected in the relatively flat revenue projections included in the FY 2027 Budget.
- Due to current wastewater treatment capacity constraints, these revenues are expected to remain stable or potentially decline until additional treatment capacity becomes available to support future growth and development. The recent slowdown may also be partially attributed to increased caution within the local and national homebuilding and development industries, driven by economic uncertainty and the challenges associated with securing financing for certain projects. Despite these short-term conditions, the City remains optimistic that development activity and related revenues will rebound as economic conditions stabilize, and additional infrastructure capacity is realized. Water and Sewer are projected to have the following increases (per customer/per month):
 - **\$1.45 base rate water increase and .53 cent water volumetric increase**
 - **\$4.80 base rate sewer increase and \$1.08 sewer volumetric increase**

The factors driving these rate increases are varied and reflect the City’s continued investment in critical infrastructure and long-term system sustainability. A significant contributor has been the **investment** made in the **downtown revitalization project**, which required the replacement of aging water and sewer infrastructure throughout the downtown area. As a result, the Water and Sewer Fund assumed additional debt service obligations associated with these infrastructure improvements. In addition, the City issued approximately **\$12 million** in debt during FY 2026 to support the replacement of the **Kannapolis spillway and dam**. Due to the age of the existing

BUDGET MESSAGE

structure and damage sustained from significant storm events over the years, replacement of the spillway and dam is both necessary and critical to maintaining system reliability and public safety.

Another major factor is **the increasing cost of wastewater treatment services** through the Water and Sewer Authority of Cabarrus County (WSACC). In FY 2025, the City experienced an increase of approximately \$1.2 million in treatment costs as WSACC began preparations for the first phase of its system expansion. The FY 2027 Budget includes an additional \$600,000 in projected treatment costs associated with the next phase of expansion.

Operational and maintenance costs for the City's water and sewer system have also continued to rise due to inflationary pressures, contractual increases, and the ongoing growth and expansion of the utility system. **Over time, utility rates have not been adjusted at a sufficient pace to fully offset these increasing costs.** Rates will continue to need adjustments to keep up with the pace of the system.

Finally, rate adjustments are necessary to ensure compliance with the **City's bond covenants**. Under these covenants, the utility system is required to establish and maintain rates, fees, and charges at levels adequate to fund operating expenses, debt service obligations, and required reserve balances. In addition, the City must maintain a **debt service coverage ratio** that demonstrates the utility system's ability to meet annual principal and interest payments through net operating revenues. These covenants, which typically **require a minimum coverage ratio of 1.2** or greater, are intended to ensure the long-term financial stability and sustainability of the utility system while providing an appropriate financial safeguard for future operations and capital needs.

- **Stormwater:** The Stormwater Fund is also projected to have a **rate increase of \$1/per month on each customer account** to offset the increased inflationary costs as well as increased personnel expenses. We haven't seen the natural growth in this revenue stream with the customer base, so a fee increase is needed to support operations of this fund and maintain it as self-supporting.

Parks: As part of the City Council retreat discussions, Council reaffirmed its strong support for the continued efforts and programming of the Parks and Recreation Department while also establishing a goal for both the Gem Theatre and Swanee Theatre to transition toward financially sustainable operations with minimal reliance on General Fund subsidies.

- **Gem Theatre:** The FY 2026 Budget included an estimated operating deficit for the Gem Theatre of approximately \$228,990, reflecting budgeted expenditures of \$829,990 and projected revenues of \$601,000. To advance the City Council's goal of long-term sustainability, the Parks and Recreation Department will develop and implement a three-year financial sustainability plan focused on achieving self-sufficient operations at the Gem Theatre. This plan will evaluate opportunities to adjust pricing structures, increase revenues, and/or reduce operating expenses while also establishing an adequate financial reserve to help offset future operating cost increases or unexpected revenue fluctuations. The plan anticipates achieving approximately \$77,000 annually through a combination of increased revenues and expense reductions over the three-year period. **For FY 2027, the City's projected subsidy for the Gem Theatre is \$220,067, based on projected revenues of \$700,000 and expenditures of \$920,067.**

- **Swanee Theatre:** City Council also reaffirmed its support for the Swanee Theatre while directing staff to implement a revised operating and funding strategy designed to improve long-term financial sustainability. Key components of this strategy include limiting live performances to events with a strong likelihood of fully covering associated costs; increasing rental and event revenue opportunities; and expanding the use of the facility for more cost-effective passive recreation programming. The FY 2026 Budget included a General Fund subsidy for the Swanee Theatre of approximately \$521,084, reflecting budgeted expenditures of \$886,084 and projected revenues of \$365,000.

Under the revised operational model, the City will implement a three-year transition plan with the objective of reducing the annual General Fund subsidy to no more than \$150,000 by the beginning of the fourth year. Achieving this goal will require an estimated annual combination of expenditure reductions and revenue enhancements totaling approximately \$124,000 per year. **For FY 2027, the projected subsidy for the Swanee Theatre is \$469,983, based on anticipated revenues of \$360,000 and expenditures of \$829,983.**

- **Summer Event Series:** Additionally, City Council approved a reduction in annual summer concert funding from \$575,000 to \$400,000 as part of its broader effort to align recreational programming and entertainment expenditures with long-term financial priorities. This reduction is inclusive of all related costs.

Reinvesting in Core Services: City Council identified a **renewed focus** on core operations and **essential services** as a primary priority for the upcoming fiscal year. Discussions centered on several critical areas, including public safety, employee recruitment and retention, and long-term fiscal responsibility. These priorities are reflected in the funding of several key initiatives and capital investments, including enhanced street paving and sidewalk maintenance, expanded public safety initiatives such as Western Area Fire Protection and Life Safety Services, a new Fire Training Tower, Fire Storage Facility, Western Communications Tower, and continued support for the Adaptive Response Program. Additional investments include the implementation of a Capital Outlay Program to address critical replacement needs for vehicles, machinery, and equipment across City departments.

As the City enters this budget cycle, stewardship, accountability, and responsible financial management remain central to our commitment to serving the community and maintaining the high level of service our residents expect and deserve.

Projected reserves:

Target percentages of expenditures for each fund have long been established and are generally 25% of previous year's expenditures to be set aside in the City's "Savings Account". The Environmental Fund has a target percentage of 10% of previous year's expenditures to be set aside in the City's savings account. The use of these funds has permitted the City to avoid significant new debt and related tax increases for several years.

The City owns two valuable real estate assets that could add to available cash reserves if sold: the 14.7-acre Plant 4 site, and Downtown Block 6. **These values are estimated at \$11 million and are not reflected in the table below as they aren't sold and recorded.**

BUDGET MESSAGE

Fund	Minimum Target %	Projected Total Reserves, June 30, 2026	Available for Appropriation in FY 27	Amount needed to reach Target %
General	25%	\$ 26,715,920.00	\$ 2,581,428.00	Above Target
Water and Sewer	25%	\$ 11,960,129.00	\$ 3,572,907.00	Below Target
Stormwater	25%	\$ 2,678,110.00	\$ 1,580,448.00	Above Target
Environmental	10%	\$ 2,709,839.00	\$ 1,922,127.00	Above Target
Transit	NA	\$ 1,335,543.00	\$ 1,335,543.00	NA

General Fund Overview:

The proposed FY 27 General Fund Budget is **\$89,770,789** which represents a 4.40% increase over the FY 26 Adopted Budget (increase of \$3,787,408).

General Fund Revenue Highlights:

1. The projected total **property tax revenue** for FY 26 is \$53,263,188 (which represents a 3.53% increase from FY 26 Budget of \$51,446,045 (\$1,817,143 actual). The projection is based on a collection rate of 99.00% (per the FY 25 audit). **Property taxes represent 59% of the proposed FY 27 General Fund Budget** (FY 26 and FY 25 were both 60%).

The property tax rate is recommended to remain unchanged at 55.95 cents per \$100 valuation.

Each penny on the tax rate is now equal to \$953,583 up from \$922,219 on FY 26.

The City-wide property tax base is projected to be \$9,535,829,149, which is an increase of \$313,642,053 from FY 26. Of the total assessed value City-wide, \$8,387,005,000 (88%) is attributed to the Cabarrus County side of the City and \$1,148,824,149 (12%) is attributed to the Rowan County side.

Cabarrus County's valuation increased by 2.6%. Typically, we have experienced larger growth on the Cabarrus side, but this has leveled off due to significant unexpected exemptions as well as other appeals while motor vehicle projections are projected to decline. Rowan County is expecting a 9% increase in their assessed valuation of properties going from \$1,052,738,455 to \$1,148,824,149 (FY 27).

2. **Sales Tax Revenue** is projected to increase by 7.61% over the FY 26 adopted budget. We have started to see sales tax collections increase from our initial projections for the FY 26 budget. We are projecting to exceed budget around 5% for fiscal year ending 2026. For FY 27, we used the projected final sales tax collections of \$18,030,159 and included a growth factor of 2% to come up with the budget for FY 27. Sales taxes comprise 21% of the FY 27 General Fund revenues; this was 20% in FY 26 and FY 25.
3. **Powell Bill** funding for FY 27 is projected to decrease slightly by .44% (\$8,710 actual) to \$1,982,290 based on FY 25 actuals. No General Assembly changes are expected for the per capita and mileage-based allocations for FY 27.

BUDGET MESSAGE

4. **Franchise Tax** revenues are projected to increase by 9.09% to \$3,818,162 (\$318,162 actual) based on collections from the full year of FY 25.
5. **Ballpark-Related Revenues** includes a contribution from the Cabarrus Convention and Visitors Bureau (CCCVB) of \$100,000, an amount that will continue for the next 2 years. These revenues help pay for the annual debt service on the new ballpark. The CCCVB has contributed \$900,000 to date. Temerity Baseball will pay the City its annual lease payment of \$50,000 for the use of Atrium Health Ballpark (this is set to go up by an additional \$25,000 in FY 28).
6. **Enterprise Fund Management Fee Reimbursement:** This reimbursement has increased by 13.71% in FY 27 to \$3,163,955 (\$381,357 actual increase from the FY 26 payment of \$2,782,598). This is a budget action that facilitates the Water and Sewer Fund (\$2,585,597) and Stormwater Fund (\$578,358) “paying back” the General Fund for indirect staffing and other support throughout the year. This is based on a formula for employee allocation across funds.
7. **Fund Balance:** No appropriation of fund balance is included in the proposed FY 27 General Fund Budget.

General Fund Expenditure Highlights

On the following pages are key General Fund operating expenditure highlights (increases, decreases or other notable expenditures):

1. **Non-Departmental- Special Expenses:** \$976,054 in special expenses for the salary study implementation which will impact around 223 employees in city wide.
2. **Insurance Premiums:** \$176,102 increase based on projected claims.
3. **Health and Dental:** employer paid health insurance increase by \$765,600 and dental increases by \$92,438 (based on 348 employees in the General Fund) to offset claims.
4. **Axon Lease for Police:** \$387,800 increase for the renewed lease for 5 years for replacing body worn cameras, in-car cameras and tasers for the entire police department.
5. **New Firefighters (6) for the Adaptive Response Vehicle (ARV):** estimated at \$650,000 (including benefits) and \$50,000 in PPE. The vehicle was purchased in FY 26.
6. **Debt service for capital:** \$225,000 budgeted interest payment which will equate to a short-term borrowing for 5-10 years at a 5% interest rate on \$6,000,000. This will be used to replace vehicles and equipment throughout the City.
7. **Odell Contract in Fire Administration:** an increase of \$268,525 for the contract with Odell to cover the western portion of the City that is outside FS #5 limits.
8. **Gem Theatre expenses:** increased by \$90,077 primarily due to benefit increases related to personnel. (City subsidy is \$220,067).
9. **Swanee Theater expenses:** reduced by \$56,101 (City subsidy is \$469,983).
10. **Summer Concert Series:** reduced expenses by \$175,000.
11. **Human Resources:** reduced expenses by \$157,380, primarily by reducing costs of in-house programming and contracted services.
12. **Economic Development:** reduced expenses by \$101,350. Reduced funding support for the NC Music Hall of Fame in the amount of \$25,000 and reduced funding for downtown marketing efforts by \$25,000 (leaves \$50,000 for this effort).
13. **Information Technology:** reduced expenses by \$419,368 in small tools and equipment and annual maintenance costs.

BUDGET MESSAGE

- 14. Communications:** reduced expenses by \$70,903 primarily in marketing and branding costs.

General Fund Transfers to the following other funds are included in the proposed FY 27 Budget:

- **Transfer to Environmental Fund:** \$2,290,246 (an increase of \$457,577 from FY 26). The increase is to offset the increase in operational costs related to the solid waste contract with the City's Hauler, Waste Connections and disposal costs at the landfill and recycling center. This is generally an unavoidable transfer unless services are cut or an additional Environmental Fee increase is implemented.
- **Transfer to Separation Pay Fund:** \$758,000 (an increase of \$20,350 from FY 26) based on a projected 35 employees receiving this benefit in FY 27. This assumes a net of two additional employees receiving the benefit. This is an unavoidable transfer.
- **Transfer to Transit Fund:** \$299,000 (a decrease of \$669,698 from FY 26). This decrease is attributed to revisions in the route structure and eliminating weekend routes.

Water and Sewer Fund Overview

The proposed FY 27 Water and Sewer Fund Budget totals \$32,504,004, which represents a 14.43% increase over the FY 26 Budget (\$4,078,988 actual increase). This is primarily attributed to the rate increases we have proposed on the water and sewer side. Staff is projecting natural growth in the system at 2% and tap and connection fee revenue remaining relatively flat (\$30,000 decrease). Staff has completed a multi-year Capital Improvement Plan and Master Plan update that looks at the current system, critical projects, rehabilitation and maintenance needed, etc.

Water and Sewer are projected to have the following increases (per customer/per month):

- **\$1.45 base rate water increase and .53 cent water volumetric increase**
- **\$4.80 base rate sewer increase and \$1.08 sewer volumetric increase**

These water and sewer rate increases are projected to generate an estimated \$3,410,152.

These rate increases will be used to support the following rehabilitation projects:

1. Suburban Woods- Phase 1 watermain replacement (approximately 1,500 ft) Year of the pipe to be replaced: 1965.
2. Northwest High School Fire Protection Improvements.
3. Concord Lake Road (HWY 136) sewer pump station improvements. Year of the pump station to be replaced: 1993.
4. 18th Street sewer pump station electrical improvements. Year of the pump station to be replaced: 2003.
5. Afton Run and Lindler Drive watermain improvements (approximately 2,400 ft).
6. Starlight Drive watermain phase 2 improvements (approximately 750 ft).
7. Washington Lane sewer pump station electrical improvements. Year of the pump station to be replaced: 2003.

BUDGET MESSAGE

8. Vermont Avenue watermain replacement (approximately 600 ft). Year of the pipe to be replaced: 1961.
9. Irene Ave watermain replacement phase 2 (approximately 500 ft). Year of the pipe to be replaced: 1965.
10. Hoke Street replacement (approximately 400 ft) Year of pipe to be replaced: 1965.
11. Wellington Chase watermain redundancy and fire main loop.
12. Central Drive and Jackson Street sewer rehabilitation project phase 1. Year of pipe to be replaced: 1965.
13. Forrestbrook sewer pump station improvements. Year of pump station to be replaced: 1988.
14. Elm Street watermain replacement project (approximately 480 ft) Year of pipe to be replaced: 1965.

Water and Sewer Fund Revenue Highlights:

- **Charges and Fees:** expected to increase by \$4,111,488 (\$3,410,152 attributed to the rate increase while the remaining \$701,336 is attributed to natural growth in the system).
- **Wholesale Water Sales:** decreasing by \$2,500 based on trends.
- **Tap Fees:** decreasing by \$30,000 based on trends.
- **Connection Fees and all other revenues:** remaining flat over FY 26 adopted budget.

Water and Sewer Fund Expense Highlights:

- **Salary Study:** \$150,000 increase in salary and benefits related to the salary study implementation.
- **Health and dental increases:** \$173,800 increase in health insurance costs and \$22,830 increase in dental insurance costs.
- **Personnel-related increases:** \$554,325 for 5% performance increase.
- **Contracted services increase:** \$1,000,000 for the list of projects mentioned above for maintenance and rehabilitation of the system.
- **Sewage Treatment Variable costs:** increase of \$600,000 to cover the next phase in the WSACC expansion efforts.
- **Debt service increase:** \$1,945,402 for debt service on any of the capital projects listed above that are more expensive and longer in nature that would be a good candidate for financing.
- **General Management Services:** increase of \$393,367 based on updated employee allocation. This expense is transferred back to the General Fund as revenue to offset support throughout the year.

Stormwater Fund Overview:

Residential customers are assessed a fixed stormwater fee based on established tiers related to the amount of impervious surface area on their property, which contributes to stormwater runoff. The Stormwater Fund supports costs associated with the City's federally mandated stormwater education and compliance programs, as well as the ongoing maintenance and operation of the City's storm drainage infrastructure.

BUDGET MESSAGE

The proposed FY 2027 Stormwater Fund Budget totals \$3,927,549, representing an increase of 7.98% over the FY 2026 Budget, or approximately \$290,201. The increase is primarily attributable to a proposed \$1 per month rate adjustment per customer. This rate increase is necessary to address rising operational and maintenance costs and to ensure the continued sustainability and effectiveness of the City's stormwater management program. This increase will also allow for the replacement of the culver/bridge on Mable Avenue as well as crossing pipe on Elwood Street.

Stormwater Fund Revenue Highlights:

- **Charges and Fees:** expected to increase by \$290,201 due to an increase of \$1/per month/per resident and commercial business.
- **Investment Income:** is expected to decrease by \$10,000 due to the market.

Stormwater Fund Expense Highlights:

- **Salary Study:** \$40,000 increase in salary and benefits related to the salary study implementation.
- **Health and dental increases:** \$37,400 increase in health insurance costs and \$4,733 increase in dental insurance costs.
- **Personnel-related increases:** \$129,321 for 5% performance increase.
- **Small Tools and Equipment:** \$88,000 for the replacement of new trailers.

Environmental Fund Overview:

City Council approved the City's recycling and solid waste program in March 2011, with implementation beginning July 1, 2011. This fund supports a range of services, including trash collection, recycling, yard waste pickup, loose leaf collection, and bulk item removal. It is currently the only enterprise fund within the City that is not fully self-supporting, as existing user fees do not fully cover the cost of operations.

A fee adjustment of \$5 was implemented in FY 2026, increasing the monthly rate from \$18.10 to \$23.10. No additional fee increase is proposed for FY 2027; however, an increase in the range of \$5 to \$8 would be required for the fund to achieve full cost recovery.

The FY 27 Proposed Environmental Budget totals \$8,064,746 and is a 4.98% increase (\$382,884 actual) over the FY 26 Adopted Budget of \$7,681,862.

Environmental Fund Revenue Highlights:

- **Charges and Fees:** expected to decrease by \$204,193. We aren't seeing the organic growth projected at 2% for this revenue stream and therefore are lowering the budget based on trends.
- **Transfers from General Fund:** because this fund still needs a fee increase to offset operations, a subsidy from the General Fund is required. This subsidy has increased by \$457,577 based on increased cost in the solid waste contract and the amount per ton to dispose of at the landfill or recycling facility.

BUDGET MESSAGE

Environmental Fund Expense Highlights:

- **Salary Study:** \$40,000 increase in salary and benefits related to the salary study implementation.
- **Health and dental increases:** \$22,000 increase in health insurance costs and \$2,784 increase in dental insurance costs.
- **Personnel-related increases:** \$83,507 for 5% performance increase.
- **Solid Waste Contract:** \$70,964 increase based on the CPI.
- **Landfill Expenses:** \$28,576 increase in landfill expenses based on trends and increases in tipping fee (\$48/ton).
- **Recycling Expenses:** \$56,000 – increase in recycling costs based on increases at the MURF (Mecklenburg Recycling (\$124/ton)).

Transit Fund Overview:

The proposed Transit Fund for FY 27 totals \$733,000. To significantly reduce costs but maintain a reasonable level of service for the City’s residents, a reconfigured transit system has been agreed to with the City of Concord. These adjustments will begin in July 2026 and include an elimination of the Brown Route and possible slight modifications to the Blue Route, both serving Kannapolis residents. The Green Route and Yellow Route, both also serving Kannapolis, will remain as previously configured. Additionally, over the next three years, Kannapolis intends to formally explore the feasibility of converting some or all the fixed route transit system to an on-demand micro-transit system (“Uber” style). This will be pursued alone or in cooperation with the City of Concord. This fund is supported through two primary revenue sources. The first is a \$30 vehicle fee assessed on each registered vehicle within the City. Of this amount, \$10 is allocated directly to the Transit Fund to support the CK Rider public transportation system. The second source of funding is a subsidy from the General Fund.

Transit Fund Revenue Highlights:

- **Vehicle License Tax:** flat over FY 26 adopted budget at \$434,000 (this is \$10 of the \$30 motor vehicle fee).
- **Transfers from General Fund:** are expected to decrease by \$669,698 due to negotiated contract terms with Concord to reduce service in underperforming routes and eliminate weekend routes for cost savings.

Transit Fund Expense Highlights:

- **Contracted Services:** decrease of \$669,698 per the funding agreement with Concord for route reduction.

Separation Pay Fund Overview:

The Separation Pay Fund was set up by the City to set aside funds for future payments to qualified employees who are eligible for retirement and have retired and have reached age 55 but have not

BUDGET MESSAGE

reached age 62. For law enforcement officers, the State has made this separation allowance mandatory by Article 12D of the North Carolina General Statute 143. The City has chosen to make this benefit available to all City employees. The FY 27 Proposed Separation Pay Fund totals \$758,000, which is an increase of 5.06% (\$36,500) actual over the FY 26 Adopted Budget. This will cover a projected 35 former employees to receive this benefit.

Insurance and Risk Fund Overview:

The Insurance and Risk Fund was established by the City in FY 24 to better track revenues and expenses tied to the City's self-insured health insurance and workers compensation policies. The FY 27 Proposed Insurance and Risk Fund totals \$8,825,900 which is an increase of \$1,206,996 or 15.84%. The primary reason behind this increase is due to an increase in claims, mainly high claims related to pharmacy. The City is exploring cost savings related to pharmacy rebates and other programming to help keep costs down while still maintaining excellent coverage for our employees and dependents on the plan. Another driver of health increases is projected claims for retirees returning to the City's active plan. They have previously been on a separate marketplace plan. We have very little claim data at this time to know the full impact of bringing the retirees back on the active plan will have.

Insurance and Risk Fund Revenue Highlights:

- **Health Insurance Premiums:** \$7,017,900 estimated from 447 full time positions budgeted at \$15,700/position. This is a 16% increase from FY 26 budgeted health insurance costs.
- **Dependent Premiums:** estimated at \$600,000 based on estimates from the City's broker.
- **Retiree Premiums:** estimated at \$200,000.
- **Workers Compensation Premiums:** estimated at \$1,008,000 based on trends. We are projecting a 20% increase in workers' compensation.

Insurance and Risk Fund Expense Highlights:

- **Retiree Insurance:** \$787,000 in retiree insurance and \$355,000 in post 65 retiree insurance.
- **HRA and HSA:** \$1,100,000 funding estimated at 447 active employees at \$2,200, plus a slight buffer for turnover and \$80,000 in retiree HSA/HRA.
- **Health Clinic Costs:** \$500,000 in clinic costs with Atrium Health. There are 2 full-time practitioners at the clinic that practice occupational medicine, pre-employment testing, etc.
- **Health Claims:** this is the largest expense category and the biggest unknown. Based on trends and forecasts from the City's broker, we are budgeting \$4,021,720 in health-related claims.
- **Workers' Compensation:** \$255,000 in workers compensation insurance and \$40,000 in administration fees to the League to administer the plan.
- **Workers' Compensation Claims:** projecting an increase of 20% in workers compensation based on trends. The estimated budget is \$713,000.

What's to come:

As the City moves through a period of leadership transition and renewed strategic focus, this budget reflects a deliberate commitment to strengthening core services while investing in the employees who deliver them every day. The priorities outlined are grounded in fiscal responsibility, operational excellence, and a clear understanding that reliable, high-quality core services are fundamental to the community's quality of life.

While change brings both opportunity and challenge, it also provides a meaningful chance to reaffirm what matters most. This budget continues to emphasize public safety, infrastructure, customer service, and the long-term sustainability of City operations, while ensuring that employees are supported, valued, and equipped to meet evolving community needs.

As we look ahead, the City remains focused on disciplined financial management, thoughtful planning, and steady progress toward shared goals. With a strong foundation in place and a dedicated workforce leading the way, we are well positioned to navigate this transition and continue delivering exceptional service to our residents with transparency, accountability, and purpose.

I'm sincerely appreciative of the many staff members who dedicated significant time and effort to the development and completion of the FY 2027 Budget. Assistant City Manager Kristin Jones, Finance Director Brian Roberts, and Deputy Finance Director Suzanne Burgess each played critical leadership roles throughout this process. In addition, the City's management team, department heads, and numerous staff across the organization contributed meaningfully to the preparation and development of this budget.

Thank you for your continued dedication to serving our community and for your steadfast support of City staff as we work together to deliver the priorities outlined in this budget. Your leadership and partnership are essential to ensuring we provide effective, responsive services to our residents.

With respect, I am pleased to submit the proposed FY 2026–2027 Budget for your careful review and consideration.

Wilmer Melton III

Kannapolis City Manager

PROFILE OF THE GOVERNMENT

The City of Kannapolis, incorporated in December 11, 1984, is located in the north central portion of Cabarrus County and the south- central portion of Rowan County, North Carolina. These counties are located in the east central part of the state, which is one of the top growth areas in the state. It currently covers approximately 34 square miles and serves a population of 52,053 and the assessed valuation for property tax purposes is \$5,260,241,092. The City of Kannapolis is one of six incorporated municipalities in Cabarrus County and one of ten incorporated municipalities in Rowan County.

The City is governed by the council-manager form of government. The seven-member non-partisan City Council, including the Mayor, is elected at large for four-year alternating terms. The Mayor and Council members serve as the City's policy making body, adopting an annual balanced budget, establishing legislative direction for the City, and appointing various officials including a professional City Manager to serve as chief executive officer to direct the daily activities of the City's departments. The City Council makes extensive use of appointed boards and commissions in the development of policy decisions.

The City provides its citizens with a wide range of services that include law enforcement, fire protection, planning and zoning, recreation , street and storm drainage maintenance, water and sewer service, a bus transit system, street lighting, traffic engineering, recyclables collection, solid waste disposal , code enforcement, and community development assistance. In addition, the City owns a 15 million gallon per day water treatment plant and water distribution lines throughout the City. The City also owns sewer collection lines throughout the City with sewage treatment being provided by the Water and Sewer Authority of Cabarrus County. This report includes all the City's activities related to the City's services.

North Carolina General Statutes require formal budgetary accounting for all funds. The departments of the City are required to submit requests for appropriations to the City Manager no later than April 30 each year. These requests are used as a starting point for developing a proposed budget. The City Manager presents the proposed budget no later than June 1. The City Council is required to hold a public hearing on the proposed budget and to adopt a final budget no later than June 30. Budgets are legally enacted by adoption by the governing board of an Annual Budget Ordinance or a Project Ordinance. The Annual Budget Ordinance and Project Ordinances may be formally amended as required by the governing board within the guidelines of the Local Government Budget and Fiscal Control Act. Changes of function and total budgets of any fund require approval of the governing board. The City Manager is authorized to reallocate functional or departmental appropriations, as he considers necessary, and to approve interdepartmental transfers within a fund. Budget to actual comparisons are provided in this report for each individual governmental fund for which an appropriated annual budget has been adopted. A Project Ordinance is used to establish a budget for a project that extends more than one fiscal year.

Expenditures may not legally exceed appropriations at the functional level for all annually budgeted funds. Encumbrances outstanding at year-end can expire and must again be appropriated by City Council in the subsequent year.

LOCAL ECONOMY

The City of Kannapolis is a multi-faceted community that combines the stability of long term residents and a steady growth of new subdivisions and multi-family options with an array of businesses and corporations along both major corridors which lead to the newly revitalized downtown area. Enjoying the same growth rates as Durham and Charlotte, Kannapolis is the 21st largest city in North Carolina.

The City has contracted with the non-profit Development Finance Initiative (DFI), at the UNC-CH School of Government to assist in the revitalization of downtown Kannapolis. DFI has assisted the City in adopting a long-range strategic plan for the Center City. Currently, the City has entered a public-private partnership with LMG & Associates to redevelop and revitalize three downtown blocks. The initial project, Project Vida, along with the three subsequent projects all focus on mixed-uses including a 285 multi-family apartment complex soon to be occupied, more than 40,000 square feet of retail and restaurant space, of which most are leased and currently being upfitted, along with a 485 space parking deck. The downtown area of Kannapolis has proven to be prime real estate and a major economic development factor. This Demonstration project alone will infuse the downtown revitalization with \$60 million of capital investment.

The new 5,000 seat, \$52 million Sports and Entertainment Venue (SEV) was completed in May. This facility will host other types of civic events, as it is planned to be open 365 days a year. To support all this new development, the City completed a replacement and upgrade of all its below ground infrastructure throughout the Downtown area totaling \$24 million. The highlight of this project is the creation of a new Street Scape, road design, and a Linear park totaling another \$4 million in public investment.

Growth and development in the City have been strong. Currently there are over 40 residential subdivisions in the City with plans to build approximately 7,500 new homes and apartments within the next decade. Amazon is now the City's largest private employer, with about 1,200 employees. Its \$85 million, one million square foot distribution facility opened in 2018. Shoe Show is the City's second largest private employer, with about 750 employees. Stanley Black & Decker, Wayne Brothers, Stewart-Haas Racing, and Gordon Food Service are also significant private sector employers in Kannapolis. During the beginning of 2020, Prime Beverage and Reynolds upfitted existing shell buildings and will soon be bringing in more jobs.

The growing population of the City and Cabarrus and Rowan Counties provides a steady flow of workers into the job market. Unemployment rates stayed steady at or below 4% for both Counties, even thru the

COMMUNITY PROFILE

COVID-19 pandemic. Job training is made possible by the vocational education programs in public schools and by three neighboring community colleges and technical schools.

Amid the COVID-19 pandemic, The City of Kannapolis cautiously prepared itself by delaying expenditures to guard against fund balance use and closed public access to city hall to protect its employees and its citizens. Sales tax collections were expected to decrease up to 30% but fortunately that was not the case. Sales tax revenue increased \$96,330 from fiscal year 19. In addition, property tax collection rate decreased only .36% from the previous year. In all, hits to revenues were expected to be much worse, but with preemptive protective measures and a healthy growth rate, The City of Kannapolis continues to persevere.

A major initiative in the City over the last decade has been the development of the North Carolina Research Campus (the "NCRC"). Multiple facilities are open and operating on the NCRC, including the David H. Murdock Core Laboratory (the "Core Lab"), the Plants for Human Health Building and the Nutrition Research Building. Rowan Cabarrus Community College's original NC Research Campus building houses their science and nursing programs in a 62,000 square foot facility. Their 55,000 square foot Advanced Technology Center opened in 2019 and is home to the College's Associate in Engineering, Information Technology programs and houses a ground floor flex lab that allows the college to collaborate with industry partners, for example in robotics and the mechatronics. NCRC's private and institutional partners include Atrium Health, Cabarrus Health Alliance, Sensory Spectrum, Standard Process, and NorthState.

LONG-TERM FINANCIAL PLANNING AND MAJOR INITIATIVES

In the spring of 2012, the Kannapolis City Council adopted a ten-year financial forecasting model. This model is updated annually, and it details all significant revenues and expenditures across all funds for the city. In order to determine future revenues and expenditures, the City has compiled twenty prior years' audited data, along with the current year's budget estimates. This data was then used to identify trends that would assist city staff in accurately projecting future financial performance. This financial forecasting model has been integrated with the City's revised Capital Improvement Plan (CIP). The goal is to readily identify future revenue gaps, and to provide city leaders with the knowledge necessary to make changes in the current financial structure, while at the same time effectively planning for infrastructure improvements in order to meet the needs of a growing population.

In conjunction with the financial forecasting model, the Kannapolis City Council also approved several other financial management policies, such as a debt management policy, cash reserve policy, as well as an idle funds investment policy. The goal in adopting all of these policies, as well as the financial forecasting model, is to design parameters stipulating a desired financial position, so that the City can continue to meet the needs of its citizens, while at the same time remaining financially sound.

AWARDS AND ACKNOWLEDGEMENTS

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Distinguished Budget Presentation Award to the City of Kannapolis, North Carolina for its comprehensive annual financial report for the fiscal year ended June 30, 2025. The Certificate of Achievement is the highest form of recognition for excellence in state and local government budgeting. To qualify for the Distinguished Budget Presentation Award, the City of Kannapolis budget document had to be judged proficient as a policy document, a financial plan, an operating guide, and a communication device.

Kannapolis, North Carolina Location Map

BUDGET PROCESS

The budget is the single most important document presented to the City Council. The budget is primarily intended to establish policy determination, but it also serves the citizens by providing an understanding of the City's operating fiscal programs. It reflects the City's commitment to maintain necessary services, improving quality of service and keeping the impact of taxes to the citizens at a minimum.

The City operates under an annual budget ordinance adopted in accordance with the provisions of the *Local Government and Fiscal Control Act*. The budget ordinance is the legal basis of the budgetary accounting system and the standard by which proposed expenditures are measured. The balanced budget ordinance must be adopted prior to the beginning of the fiscal year. The ordinance is subjected to public inspection and a public hearing prior to adoption. The budget is considered balanced when estimated net revenue equals appropriations.

The budget is adopted on a function basis and is prepared using the modified accrual method of accounting for all funds. This accounting approach recognizes revenues when they become both measurable and available to pay liabilities of the current period. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred, if measurable. All monies received and expended must be included in the budget ordinance. Departmental appropriations within each function that have not been expended by the end of the fiscal year will lapse.

The City Manager is authorized to transfer budgeted amounts within a fund but any revisions that alter total expenditures of a fund must be approved by the City Council through legislative action by budget amendment. All budget transfers within a fund usually begin with a written request from a department head to the City Manager. Once approved by the City Manager, the transfer is made in the accounting system by the Budget/Finance Department. All transfers are reported to the City Council at their regularly scheduled monthly meetings and are made a matter of record in the official minutes. The legal level of budget control is by function as presented in the budget ordinance.

The preparation of the budget not only requires structured guidelines but also the participation and cooperation of many participants and a carefully scheduled series of events. The City in the formulation of the budget adheres to the following summarized budget cycle.

Formulate Historical Data

During the first phase of the budget process the accumulation of past financial information is prepared by the Finance Department. The data concerning expenditures is segregated by operational departments to be used by department heads and management for current year performance evaluation and projection of resources required to meet the upcoming year's departmental needs and objectives.

Preparation of Departmental Requests

Estimating departmental expenditures is the primary responsibility of the department head. When budgeting expenditures, the basic requirements are: (1) to request sufficient funding to adequately operate the department and (2) request funding at the lowest reasonable level to achieve the departmental goals and objectives.

Consolidate Preliminary Budget

The departmental requests are submitted to the Budget Officer to incorporate the individual departmental requests with the revenue projections made by the Finance Director/and Budget Officer into an overall budget. At this point, a balanced budget is submitted to the Budget Officer along with any projected tax increase. Departmental capital outlay requests are analyzed in accordance with the Capital Improvements Program and the formal budget reviews begin.

Evaluate Service Priorities and Objectives

The evaluation of service priorities and objectives is an important step in developing a fiscal plan which will achieve the City's program of service for the ensuing year. The budget document should reflect the service priorities of the governing body and citizens of Knapolis. The service needs of the community are determined by the citizen's opinion surveys, public hearings and feedback through the City Council. A comprehensive review of service needs compared to departmental goals and objectives will be evaluated by the City Manager and Finance Director/Budget Officer.

Balance Proposed Budget

After the City's program of service priorities has been established, a balanced plan for funding must be formulated. Through careful assessment of funding requirements and financing elements a proposed budget document is organized into final format and submitted to the City Council for legislative review. A balanced budget occurs when planned expenditures equal anticipated revenues.

Legislative Review

The City Council reviews the budget thoroughly, department by department, with the City Manager and the respective department heads during special work sessions. Departmental goals and objectives are reviewed by the City Council at this time to ensure their adherence to City goals and policies. A copy of the proposed budget with recommended legislative changes will be filed with the City Clerk for public inspection and a public hearing will be scheduled prior to the formal adoption of the budget.

Budget Adoption

The adoption of the annual operating budget is the culmination of extensive reviews of budget proposals by department heads, administration, and the governing body. Adoption of the budget

BUDGET PROCESS AND POLICIES

by the governing body establishes the legal authority to incur expenditures in the ensuing fiscal year.

BUDGET CALENDAR

Date	Deliverables	Description
Monday, March 2, 2026	City Manager's Office produces the FY 27 base budget, which is the FY 26 adopted budget less any one-time expenses.	Base budget: starting point. Last year (FY 26) adopted budget less any one-time projects or costs. Munis Level 1: Base budget opens for viewing purposes only.
Monday, March 18, 2026	Departments receive base budgets and begin to develop their continuation budgets. This includes reviewing and reassessing each base budget to reflect any updated budget amounts for all recurring line items.	Continuation budget: review of the base budget with any updated contractual costs and salary and fringe adjustments. Examples include inflation of goods, utility increases, cost of labor increases, rate changes on contracts. All salary and fringe information are handled by Budget and Human Resources. Munis Level 2: Department Continuation budget
Monday, March 25, 2026	Budget/Finance reviews and assesses revenue forecasts and provides updated debt service figures.	Budget will enter the estimated revenues related to each department. If
Monday, March 25, 2026	Department continuation budgets DUE.	All proposed adjustments need a brief justification for the proposed change.
Monday, April 6, 2026	Departmental expansion templates will be distributed. This should include a 3-year forecast of the department's personnel requests, increase in operations outside of contractual obligations, operating capital (including rolling stock).	Expansion budget: anything new that wasn't previously approved or adopted with the budget. These requests are new and don't include items currently in a department's annual operating budget. Examples include new positions, new vehicles, new programs or services, new capital items and new technology. Munis Level 3: Department Expansion budget.
Monday, April 13, 2026	Department expansion budgets DUE.	Budget will key all expansion requests in Munis and note any one-time projections and/or initiatives.
Early April - TBD	Did not hold Budget Conferences this year. Budget conferences will consist of the	Continuation and Expansion departmental budgets will be discussed in these meetings as

BUDGET PROCESS AND POLICIES

	City Manager, respective Deputy or Assistant City Manager(s), Assistant to the City Manager and Department staff.	well any capital projects. Munis Level 4: Manager recommended budget opens. Any changes suggested in budget conferences will be reflected in this level.
End of April/Early May 2026	Preliminary budget is prepared and compiled by staff	This includes changes reflected by the City Manager and City Council. Munis Level 5: Board level opens. Any changes suggested during the retreat and up until Board adoption will be reflected in this level.
Monday, May 11, 2026	FY 27 Preliminary Budget is presented to City Council.	Manager presents recommended budget via presentation and the budget message.
Tuesday, May 12- Friday, June 5, 2026	Staff makes final revisions and recommendations to the budget.	
Monday, June 8, 2026	City Council holds public hearing on the proposed FY 2025 Budget.	Required by State statute. This is where the public is able to voice comments/concerns on the budget.
Monday, June 22, 2026	City Council adopts FY 2027 Budget.	This includes corresponding budget ordinances for all annually adopted funds and any fee schedule changes.
Tuesday, June 23, 2026	FY 27 Adopted Budget is disseminated to Department Heads.	Enables Department Heads to view their FY 27 adopted operating budgets which will note any expansionary items that were adopted with the budget.
Tuesday, June 23 - Tuesday, August 31, 2026	Final Budget Document is compiled by City staff.	

BUDGET LEVELS

This year, the City utilized five budget levels to better distinguish between needs versus wants. Adding these levels gave management a better picture of operating budgets for each department, where departments began the budget year and the opportunities for growth (expansion) in the budget. The budget is estimated to progress through the following five levels before adoption.

Level 1 - Department Continuation: This level started with the FY 2026 adopted budgeted amounts less any one-time projects or costs. This detail served as a starting point, but departments still assessed and updated all prior year detail and amounts while adding new detail if necessary. Continuation budgets are those that provide the same level of service in the coming year that the department is providing in the current year. Such budgets typically include items that repeat year after year. It is ok to have increases in this column due to an increase in the cost of doing business year over year (i.e., inflation costs in operations, supplies, fuel, utilities, etc.)

BUDGET PROCESS AND POLICIES

Level 2 - Department Expansion: This level consisted of new requests only. The following classified as an expansion request: new personnel, new software, new technology for new personnel, new projects, new upgrades, new programs, new services, new vehicles for new personnel or adding to the fleet outside of the normal replacement cycle. Not every department had expansion requests. If departments were not asking for anything new in FY 27, then they only worked in the continuation budget level. Expansion requests required justification and for departments to project three years out. The following revenues classified as expansion: those tied to a new grant, new reimbursement due to a new position or a new fee structure.

Level 3 – Manager Recommendation Continuation: Budget will move to this level prior to departmental budget conferences in March. Any adjustments that took place at the budget conferences to departmental continuation were reflected in this level.

Level 4- Manager Recommendation Expansion: This level is like level 3 except that it is only a copy of the department expansion level. Any adjustments that took place at the budget conferences to departmental expansion were reflected in this level.

Level 5- City Council: Budget will move to this level after the budget conferences and adjustments are made in the two Manager’s levels. Any adjustments that take place after the budget is recommended in May will be reflected in this level and ultimately the budget will be adopted in this level.

Continuation	Expansion
Description: Continuation requests are for funding above FY 26 levels that are required to provide the same level of service. Most often continuation requests include salary and benefit adjustments and contractual increases.	Description: Expansion requests are for anything new that wasn’t previously reviewed/approved by City Council or Management via the budget process. These requests are new and do not include items in the department's annual operating budget.
Continuation	Expansion
Examples on following page:	Examples on following page:
1. Salary and Benefit adjustments for existing positions - No department action is need here. This is handled by Budget and Human Resources through the salary projection.	1. New position requests with associated costs including: uniforms, technology, vehicles, supplies, travel and training, memberships, etc.
2. Rate changes on contractual obligations	2. Position Reclassifications
3. Inflation or deflation on items to be purchased -Facility expenses such as rent and utilities	3. New programs, projects, or services and all associated expenses and/or revenues.
4. Mandated program or service expenses	4. An increase in expenses associated with a major change in a program or project (i.e., adding another location).

BUDGET PROCESS AND POLICIES

5. Scheduled replacement in accordance with the replacement cycle of vehicles/equipment -Consult with General Services and IT	5. New software, technology, or upgrades
	6. Operating costs associated with CIP Projects which includes: personnel, technology, furniture, supplies, etc.
	7. Maintenance projects that are out of the ordinary
	8. Professional/Contracted Services that don't occur regularly

BUDGET ADOPTION

The annual budget serves as the foundation for the City's financial planning and control. Chapter 159 of the North Carolina General Statutes prescribes a uniform system of budget adoption, administration, and fiscal control.

The budget is prepared by fund, function (e.g., public safety) and department (e.g., Police). Not later than July 1, City Council is required to adopt a budget ordinance making appropriations and levying taxes for the budget year in such sums as Council may consider enough and proper, whether greater or less than the sums recommended in the adopted budget. The budget ordinance authorizes all financial transactions of the City except:

- a. The City Manager is hereby authorized to transfer funds from one-line item to another line item within each Fund of said budget except for the general contingency account. Utilization of any contingency funding appropriation shall be accomplished with City Council approval only.
- b. Authorization is hereby given to the City Manager to withhold or postpone the expenditure of any funds appropriated in this ordinance when it appears to the City Manager it would be in the best interest of the City for such expenditure to be withheld. This provision shall not in any way limit or restrict the right of the City Council to direct immediate disbursement of any of any appropriated funds when city Council is of the opinion that the funds should be expended regardless of the position taken by the City Manager.

BASIS OF BUDGETING

The accounts of the City are organized based on funds or account groups of which each is considered a separate accounting entity. Government resources are allocated for in individual funds based upon the purposes for which they are to be spent and how spending activities are controlled. This segregation of revenues and costs allows close monitoring of attributable accounts to provide assurance that each fund is self-supporting and that revenues which are earmarked by

BUDGET PROCESS AND POLICIES

law for specific purposes are identifiable. The City of Kannapolis' operating budget consists of eight funds: **General Fund, Water and Sewer Fund, Stormwater Fund, Environmental Fund, Transit Fund, Separation Pay Fund, Health Insurance and Workers Compensation Funds.** These funds are the City's only annually budgeted funds.

The City's *Comprehensive Annual Financial Report* also includes capital project funds and grant project funds which are not required to be budgeted annually and are not included as a part of the annually budget numbers. See the Capital Projects and Grants section of this document for details of these funds and their impact on the annual budget.

The **General Fund** is a governmental fund and accounts for the revenues and expenditures of all City departments except those required to be accounted for in other funds. The General Fund is the City's main operating fund. The primary revenue sources are ad valorem taxes and State shared revenues. The primary expenditures are public safety, public works, community development, parks and recreation, general government services, and debt service. In the past, the City had a **Downtown/College Station Fund**, which was an Enterprise Fund and accounted for the operations of the downtown properties purchased by the City of Kannapolis. FY 16 was the first year for this fund. During FY 18, the City purchased a commercial property for the location of the RCCC Cosmetology School. In addition to the Downtown properties purchased, and the operations and management of those properties, this fund accounted for all activity related to the newly named College Station properties. Due to the sale of the remaining properties, FY 22 accounts for the closing of the Downtown Fund any remaining expenses were moved to the **General Fund**

The **Water and Sewer Fund** is an Enterprise Fund and accounts for the operations of the water treatment and distribution systems and the wastewater distribution and treatment systems. Enterprise funds are used to account for operations that are financed and operated in a manner like private business enterprises. The intent of the Government Body is that the costs (expenses, including depreciation) of providing goods or services to the public on a continuing basis be financed or recovered primarily through user charges.

The **Stormwater Fund** is also an Enterprise Fund and accounts for the operations of the stormwater drainage system maintenance along with a federally mandated stormwater runoff education program.

The **Environmental Fund** is an Enterprise Fund that will account for the contractual operations of the Recycling and Solid Waste programs. This fund started as the recycling fund in FY2012.

The **Transit Fund** is a Special Revenue Fund and was established by the City to set aside funds for payment of the City's share of expenses related to the new Concord-Kannapolis Local Public Transportation System. Revenues are provided by a special vehicle license tax. Special revenue funds are used by government to account for special revenues that are legally restricted to expenditures for a particular purpose. The vehicle license tax levied to support this fund is restricted by law to be used only for transit systems.

BUDGET PROCESS AND POLICIES

The **Separation Pay Fund** is a Pension Trust Fund used to account for a State mandated Law Enforcement Officers' Special Separation Allowance, a single-employer, public employee retirement system. Revenues are provided by contributions from the General Fund.

The **Insurance and Risk Fund** is an Internal Service Fund to account for the administration and operation of the City's healthcare for active and retired employees as well as the operation of the City's workers compensation.

The budget for the General Fund funds is adopted on a basis consistent with Generally Accepted Accounting Principles (GAAP), specifically the modified accrual basis. Budgets for the Water and Sewer Fund and the Stormwater Fund are adopted on a basis consistent with GAAP, specifically the accrual basis, except that bond proceeds and contributed capital are not included in the annual budget, bond principal payments and additions to fixed assets are treated as expenditures, depreciation expense is not budgeted, and no accruals are made for interest expense and vacation pay. The Separation Pay Fund and the Transit Fund are budgeted on a modified accrual basis. The City's Annual Financial Statements present data for all funds on the accrual basis in the Government wide statements. Budget to Actual presentations in the Annual Financial Statements are presented as stated above for adopted budgets.

Revenues are shown by sources and by funds. Accurate revenue estimates are dependent upon correct classification because factors which affect individual revenues do not affect each source uniformly. Revenue projections can be made more accurately when revenues are segregated by source and controlled accordingly.

The major revenues for the City by source are as follows:

- **Ad Valorem Taxes:** Collections of current year and prior year tax levies; interest on delinquent taxes; late listing penalties; and other costs of collection delinquent taxes.
- **Intergovernmental:** Federal, State, and Local financial assistance; utility franchise tax; beer & wine tax; Powell Bill funds; refunds of sales and gas taxes; ABC Board distributions; receipt from other local governments; and state grants.
- **Sales Tax:** Collections of the one percent (1%) local options-sales tax and both the one-half (½) of one percent (1%) local option sales taxes (Articles 40 and 42).
- **User Charges:** Water and sewer sales; non-payment penalties; taps and connection fees and stormwater fees.
- **Other Revenue:** Vehicle License taxes, Business Privilege licenses, Zoning, and other permits; interest income; court cost fees; civil violations; sale of materials; charges to other funds; sale of surplus properties; and other miscellaneous revenue.

Expenditures are shown in the budget classified by funds from which they are paid, by departments spending the money, by the functions for which the expenditures are made and by the object of expenditures which provides greater detail for controlling expenditures. Funds are

BUDGET PROCESS AND POLICIES

appropriated at adequate levels to maintain or improve the quality and the level of service which has been provided in the past.

The major expenditures by function are shown as follows:

- **General Government:** Expenditures for the Governing Body; City Manager; Human Resource Director; Legal Services; Finance Administration; Information Technology; Economic Development; City Memberships; Planning and General Services.
- **Public Safety:** Expenditures for the Police Department (administration, support services, and field operations); and Fire Department (administration, medical response, prevention, and suppression, and general services).
- **Parks and Recreation:** Expenditures for Parks and Recreation, maintenance, and operations of all city owned parks and greenways, operations related to the Linear Park downtown and all City run programs and events.
- **Public Works:** Expenditures for Public Works (engineering, streets – Powell Bill, street lighting, traffic signs and markings, solid waste – yard waste solid waste-residential garbage, and operations center).
- **Debt Service:** Expenditures related to General Fund Debt service and any debt service related to Downtown (i.e. Atrium Health Ballpark, Parking Deck).
- **Non-departmental:** Expenditures for General Fund not otherwise classified by department.
- **Contingency:** Provision for unexpected expenditures.
- **Water and Sewer Fund:** Expenditures for administration, billing and collection, distribution, sewage treatment, water treatment plant, and debt service.
- **Stormwater Fund:** Expenditures for maintenance of the stormwater drainage system and federally mandated stormwater runoff education program.
- **Environmental Fund:** Expenditures for contracted services related to recycling, and solid waste collections.
- **Transit Fund:** Expenditures related specifically to the regional transit system established by the cities of Kannapolis and Concord.
- **Insurance and Risk Fund:** Expenditures related to the administration and operation of the City's healthcare for active and retired employees as well as expenditures related to the administration and operation of the City's workers compensation.

Expenditures by object are divided into three (3) major categories: Personnel, Operating, and Capital. These categories are summarized below:

BUDGET PROCESS AND POLICIES

- **Personnel:** Expenditures which can be directly attributed to the employee salaries of all types (i.e., incentive pay, merit increases, longevity pay, etc.) and expenditures for group insurance, retirement, 401K expense, FICA, and worker's compensation. The cost of all of these have been budgeted within each operating department which gives a more accurate cost of departmental operations.
- **Operating:** Operating expenditures related to the purchase of services such as utilities, travel, training, maintenance costs, and equipment rentals, the purchase of supplies used for City business, and insurance purchases for public officials' liability, automobile liability, and expenditures for miscellaneous expenditures are directly affected by inflationary trends, increased service demands and enforcement of governmental regulations.
- **Capital:** Expenditures for the purchase of land, machinery, equipment, furniture, and fixtures which are too permanent a nature to be considered expendable at the time of purchase. The capital items should have a value of \$10,000 or more with an expendable life of one year or more. Budgeting of capital equipment and capital improvements are funded in accordance with the City's Capital Improvement Program and contingent on availability of funds and are included in the annual budget at the discretion of the City Manager and the City Council. For major capital construction or for capital items that require the borrowing of money, a "Capital Project Ordinance" will be adopted by City Council and will stay open until the construction or purchase is completed. The impact of the annual budget will only be related to debt payments, transfers of cash to the project ordinance, or for related appropriations for personnel or maintenance costs.

CITY OF KANNAPOLIS REVENUE ASSUMPTIONS

Certain methods, techniques and approaches have been used to aid the City in estimating future revenues. By analyzing current trends and their underlying forces, the City can make realistic projections of revenues. The following are some assumptions concerning revenues estimated in the City of Kannapolis 2024-2025 Budget.

REVENUES

Ad Valorem Taxes

FORECAST RATIONALE

Property valuations are established by the County Tax Assessor. The City of Kannapolis is in two (2) counties, Rowan and Cabarrus and the property values are set by each respective County Tax Assessor. Projections of \$9,535,829,149 assessed valuations are based on preliminary tax information received from the respective County tax assessors. The tax rate per \$100 of value was set at 55.95 cents by City Council. The estimated collection percentage is 99%, which was the collection rate for FY 25. The prior year tax budget amount is based upon previous historical trends. **Estimate – General Fund – Current year tax - \$52,913,188 prior year tax - \$350,000**

BUDGET PROCESS AND POLICIES

Utility Tax

The City shares in the taxes levied by the State on various utilities. Revenues are based on estimated receipts from the N.C. Department of Revenue and historical models. Each city's share is based on the actual receipts from electric, telephone, and natural gas services and cable TV within their municipal boundaries, as a proportion of total state-wide receipts except for cable TV which is paid directly to the City by the cable company, Time Warner Cable. Any significant local rate increases or decreases approved during the year will cause receipts to change. Due to stagnant growth in franchise tax funding, FY 26 actuals the City received is what is projected for FY 27. **Appropriation – General Fund - \$3,818,162**

Beer & Wine Tax

The State levies a tax shared by the City on wholesale sales of both beer and wine. Revenue estimates were established based on estimated receipts for the current year along with historical trends. **Estimate – General Fund \$250,000.**

Powell Bill

One and three quarters (1¾) cents per gallon of the State gasoline tax is distributed to municipalities to be earmarked for street construction and maintenance. Seventy five percent (75%) is based on per capita and the remaining twenty five percent (25%) is based on number of miles of streets maintained. The State provides the estimated value to place on each. Powell Bill funding is projected based on FY 26 actuals. **Estimate – Powell Bill revenues \$1,982,290.**

Local Option Sale Tax

Revenue projections are based on anticipated retail sales and historical trends. State G.S. 105, Article 39 or 1% rate was established whereby counties and municipalities receive the net proceeds of the tax collections within the county less the cost to the State of collecting and administering the tax (point of sale). The net proceeds are distributed based on a per capita basis in Rowan County and an ad-valorem tax basis in Cabarrus County. The *Per Capita Basis* is calculated based on the ratio of the City's population to the sum of the total population of the taxing county and all the cities within the county. The *Ad-Valorem Basis* is calculated in a similar manner except that the total property tax levy is used in place of population. G.S. 105, Article 40 or ½ of 1% rate and G.S. 105, Article 42 or ½ of 1% was established with net proceeds placed in a Statewide pool. Net proceeds are distributed on a per capita and ad-valorem tax basis. The City has experienced strong growth in sales tax even with the COVID-19 pandemic. Sales tax estimates are based off FY 26 actuals/year end projections with a 2% growth rate. **Estimate – General Fund \$18,740,000.**

BUDGET PROCESS AND POLICIES

Investment Income

Investment or interest income revenues are projected based on estimated average available cash balances at an anticipated realistic rate of return. **Estimate General Fund \$1,000,000, Water & Sewer Fund \$200,000, Stormwater Fund \$60,000 and Environmental Fund \$60,000.**

Planning and Zoning Fees

Projections are based on comparisons of past operating data and consideration for a slow recovering housing activity. **Estimate – General Fund \$120,000.**

Recreation Fees and Charges

Projections are based on comparisons of past operating data and new programs added, such as youth baseball. **Estimate – General Fund \$200,000 (programs budget only).**

Vehicle License Tax

The City receives \$30.00 per vehicle (\$20.00 for the General Fund and \$100.00 for the Transit Fund) located in the City and required by the State to register for a license plate. Projections are based on comparisons of past operating data. **Estimate – General Fund \$900,000 Transit Fund \$434,000.**

City Code Violation Revenues

Projections are based on comparisons of past operating data. **Estimate – General Fund \$80,000.**

Real Property Rental

The City collects rental revenue from certain properties owned by the city and used by others. These properties include a cellular tower, and some vacant land used by farmers. Projections are based on comparisons of past operating data. **Estimate – General Fund – Tower Rental \$130,000; Building Rental \$290,000.**

Fire Fees and Charges

Projections are based on historical data of inspections of commercial development done prior to the fee being implemented. **Estimate – General Fund \$21,000.** *(Fire - Technical Services charges and fees)*

Police Officer Court Cost Reimbursements

Projections are based on comparisons of past operating data. **Estimate – General Fund \$14,000.**

Enterprise Fund Management Fees

Charges for services by the General Fund to the Water and Sewer Fund and the Stormwater Fund within the City. Funding is projected

BUDGET PROCESS AND POLICIES

by estimating cost of services provided, debt service obligations and employee allocations. **Estimate – General Fund \$3,163,955.**

Water and Sewer Charges

Proceeds are from the sale of treated water both retail and wholesale and retail charges for wastewater disposal service through their respective distribution and disposal systems. Revenue estimates are based on historical user trends of consumption times the rates charged to customers. **Estimate – Water and Sewer Fund – Retail \$28,432,041, Wholesale \$433,500 (includes proposed fee increase)**

Taps and Connections

Fees are charged to customers for connections to the City's water or wastewater system. Revenues are based on historical trends and the projections of connection fees due from developers. **Estimate – Water and Sewer Fund \$2,773,463.**

Penalties for Late Payment

Penalties are charged for late payment of Water and Sewer charges billed to customers. Revenues are based on historical trends. **Estimate – Water and Sewer Fund \$525,000.**

Solid Waste Fee

A new fee was added in 2007 for solid waste pickup for commercial dumpster containers located at apartment complexes and mobile home parks. These dumpster pickups were considered residential pickup in past years and were not charged a fee. This designation was changed to commercial pickup and a fee added. Estimate is based on prior year collections. **Estimate – General Fund \$44,000.**

Intergovernmental Revenues

The City will receive funds from Cabarrus County related to the purchase of Limited Obligation Bonds. **Estimate – General Fund \$1,320,865.**

Community Development Block Grant Reimbursement

The City has a full time Grant Administrator in the City Manager's office and will receive funds from the HUD CDBG program as reimbursement for this staff position. **Estimate – General Fund \$70,000.**

CITY OF KANNAPOLIS FINANCIAL POLICIES

The City of Kannapolis budgetary and financial policies set forth basic guidance for the fiscal management of the City. Most of the policies represent long standing principles and traditions with its legal framework outlined in both the General Statutes of North Carolina and the City Code of Ordinances. These policies though general in statement are the controlling element in the City's financial stability. Summarized below are major financial policy strategies.

Operating Budget Policies

Pursuant to the North Carolina General Statutes Article 159-11 the City will adopt a balanced budget which provides a work program and an operational plan for the ensuing year. The City will maintain a program of budgetary controls to ensure adherence to the budget. Monthly financial statements will be prepared for the City Council and City Manager and department heads to assist in the monitoring of actual revenues, expenditures and budgeted amounts. Comprehensive financial data will be compiled annually to include user rate studies, capital improvement programs and forecasting or projections of financial status. These reports are imperative for long-term financial planning.

The City will retain an independent accounting firm to perform an annual financial and compliance audit in accordance with general accepted accounting practices as outlined by the Governmental Accounting, Auditing, and Financial Reporting (GAAFR). In conjunction with the independent audit, internal audits are conducted on selected internal control procedures to ensure that the City is managing and utilizing its resources in an economical and efficient manner.

As a part of the normal budget process, the Finance Office will review and estimate revenues in an objective and realistic manner. Attempts will be made to secure additional revenue sources to offset any reductions of federal or local funding. The City will re-evaluate annually all user charges at a level related to the cost of providing these services. The Enterprise Fund will adhere to the full utility concept which allows each user to contribute revenues proportional to the level of service received. This concept requires that income be sufficient to maintain a self-supporting fund status. The General Fund will be compensated by the Enterprise Fund for general and administrative services provided. The Powell Bill Fund will be compensated by the Enterprise Fund for repairs to City streets caused by water and sewer line repairs.

FINANCIAL POLICIES

Investment Policy

The City will continue to monitor the cash flow of all funds on a regular basis to insure maximum investment of idle cash. The criteria for selecting an investment will include safety, liquidity and yield. The City will invest only in quality investments which comply with the North Carolina Budget and Fiscal Control Act. Each month an investment report will be prepared for review by the Finance Director and City Manager.

Reserve Policy

The City will maintain operating reserves categorized as appropriated contingency and undesignated fund balance. The appropriated contingency will not exceed five percent (5%) of all other appropriations within the same fund. The revenue reserve is established to provide for any unforeseen revenue losses and allows flexibility in the balanced budget process. The City strives to maintain a General Fund balance between 25% - 33% of the previous fiscal year's expenditures.

Debt Policy

The City takes a planned approach to the management of its long-term outstanding debt and makes an effort toward funding from internally generated capital, when appropriate. The City will consider the use of long-term debt financing only when it meets the following criteria:

- The financing period is no longer than the estimated life of the improvement.
- The cost of the improvement including the interest is reasonable.
- The projected revenue increases to be used to pay the debt are not excessive.
- The improvement will benefit both current and future citizens of the City.

The City will limit the total of all general obligation bonds issued to no more than eight percent (8.0%) of the total assessed valuation. The City will follow a policy of full disclosure on every financial report and bond prospectus. Finally, the City may utilize the authority granted within the General Statutes for lease or installment purchases when deemed appropriate.

Capital Improvement Policy

The City will maintain a Capital Improvement Program that will be reviewed annually and updated every 2 years. Since capital improvements involve large sums of capital and long-term commitments, each capital project will be carefully analyzed before it becomes a component of the program. Each City department is responsible for submitting capital improvement needs as a part of the Capital Improvement Program process and is responsible for ensuring that any personal services or operating costs affected by capital spending decisions are included in the appropriate operating budget. Each City department head is charged with the responsibility of safeguarding and maintaining the City's capital investments in order to reduce replacement costs.

FISCAL POLICY GUIDELINES - OBJECTIVES

This fiscal policy is a statement of the guidelines and goals that will influence and guide the financial management practice of the City of Kannapolis, North Carolina. A fiscal policy that is adopted, adhered to, and regularly reviewed is recognized as the cornerstone of sound financial management. Effective fiscal policy:

- Contributes significantly to the City's ability to insulate itself from fiscal crisis
- Enhances short term and long term financial credit ability by helping to achieve the highest credit and bond ratings possible,
- Promotes long-term financial stability by establishing clear and consistent guidelines,
- Directs attention to the total financial picture of the City rather than single issue areas,
- Promotes the view of linking long-run financial planning with day to day operations, and
- Provides the City Council, citizens and the City's professional management a framework for measuring the fiscal impact of government services against established fiscal parameters and guidelines.

To these ends, the following fiscal policy statements are presented.

FISCAL POLICY GUIDELINES

City of Kannapolis, North Carolina

BUDGET DEVELOPMENT POLICIES

1. The City will develop and adopt the annual operating budget in a manner in order to gauge progress toward meeting specified goals and objectives.
2. Water and sewer rates, storm water fees, and solid waste fees will be established at the appropriate level to enable the related funds to be self-supporting. In addition, water and sewer rates will be established to maintain compliance with revenue bond covenants.
3. One-time or other special revenues will not be used to finance continuing City operations but instead will be used for funding special projects.
4. The City will pursue an aggressive policy seeking the collection of delinquent utility, license, permit and other fees due to the City.

FISCAL POLICY GUIDELINES

City of Kannapolis, North Carolina

CAPITAL IMPROVEMENT BUDGET POLICIES

1. The City will prioritize all capital improvements in accordance with an adopted capital improvement program.
2. The City will develop a ten-year plan for capital improvements and review the plan annually. Changes to the ten-year plan will occur in every even year. The City utilizes a weighted ranking system based on seven critical used to recommend projects to the capital improvement program. Additional projects can be added to the CIP without ranking, but funding for projects added in this manner are subjected to normal operating budget constraints. These seven groups are:
 - 1) Mandate and Urgent Issues
 - 2) Public Health, Safety, and Welfare
 - 3) Financial Stewardship
 - 4) Community Vitality and Environmental Stewardship
 - 5) Economic Growth and Prosperity
 - 6) Government Effectiveness and Operations Effectiveness
 - 7) Asset Preservations
3. The City will enact an annual capital budget based on the ten-year capital improvement plan. Future capital expenditures necessitated by changes in population, changes in real estate development, or changes in economic base will be calculated and included in capital budget projections.
4. The City will coordinate development of the capital improvement budget with development of the operating budget. Future operating costs associated with new capital improvements will be projected and included in operating budget forecasts.
5. The City will use intergovernmental assistance to finance only those capital improvements that are consistent with the capital improvement plan and City priorities, and whose operating and maintenance costs have been included in operating budget forecasts.
6. The City will maintain all its assets at a level adequate to protect the City's capital investment and to minimize future maintenance and replacement costs.
7. The City will project its equipment replacement and maintenance needs for the next several years and will update this projection each year. From this projection a maintenance and replacement schedule will be developed and followed.

FISCAL POLICY GUIDELINES

City of Kannapolis, North Carolina

CAPITAL IMPROVEMENT BUDGET POLICIES (continued)

8. The City will identify the estimated costs and potential funding sources for each capital project proposal before it is submitted for approval.
9. The City will attempt to determine the least costly and most flexible financing method for all new projects, including the utilization of cash revenue funds, as well as using cash for capital purchases where feasible.

NEW: Finance staff are recommending an increase to the capitalization threshold for all City capital assets effective with the fiscal year beginning July 1, 2026. The City's largest investment is in the capital assets that it owns, including infrastructure (streets and drainage) land, buildings, and equipment.

A capitalization threshold increase for capital assets will outline the accounting practices and procedures to accurately control the assets owned by the city to comply with GASB. The increase also lays out the framework for the accounting/recordkeeping of the assets and will be used for documentation of the values in the event of a loss.

Recommendation is that effective July 1, 2026, the dollar value for capitalization is being increased and proposes the following:

- \$5,000 to \$10,000 for Machinery and Equipment
- \$5,000 to \$15,000 for Right of Way and Easements
- \$5,000 to \$15,000 for Building and Improvements
- \$250,000 minimum capitalization for capital infrastructure

The primary reasons for the change are (1) to reduce the administrative costs of recording and tracking items of equipment, and (2) to enhance overall stewardship and control of the City's assets by eliminating the requirement to record and track relatively low valued items, so more attention and effort can be given to safeguarding the remaining, higher valued items. Inflation data reflects the following percentage (%) change in cumulative price increase.

FISCAL POLICY GUIDELINES

City of Kannapolis, North Carolina

DEBT POLICIES

General

1. The City will confine long-term borrowing to capital improvements or projects that cannot be financed from current revenues except where approved justification is provided.
2. The City will utilize a balanced approach to capital funding utilizing debt financing, draws on capital reserves and/or fund balances in excess of policy targets, and current-year (pay-as-you-go) appropriations.
3. When the City finances capital improvements or other projects by issuing bonds or entering into capital leases, it will repay the debt within a period not to exceed the expected useful life of the project. Target debt ratios will be annually calculated and included in the review of financial trends.
4. Where feasible, the City will explore the usage of special assessment, revenue, or other self-supporting bonds instead of general obligation bonds.
5. The City will retire tax anticipation debt, if any, annually and will retire bond anticipation debt within six months after completion of the project.

Tax Supported Debt

6. Net debt as a percentage of total assessed value of taxable property should not exceed 4.0%. Net debt is defined as any and all debt that is tax-supported.
7. The ratio of debt service expenditures as a percent of total general fund expenditures should not exceed 15% with an aggregate ten-year principal payout ratio target of 60% or better.
8. The City recognizes the importance of underlying and overlapping debt in analyzing financial condition. The City will regularly analyze total indebtedness including underlying and overlapping debt.

Revenue Supported Debt

9. The City will target a minimum amount of equity funding of 10% of the capital improvement plan on a five-year rolling average.

FISCAL POLICY GUIDELINES

City of Kannapolis, North Carolina

RESERVE POLICIES

1. The City will establish an emergency reserve to pay for needs caused by unforeseen emergencies, including unanticipated expenditures of a nonrecurring nature, or to meet unexpected small increases in service delivery costs. This **contingency** reserve will be budgeted at not less than 0.5% of the operating funds. FY27: .5% equates to \$448,000.
2. Unreserved, Undesignated Fund Balances will mean funds that remain available for appropriation by the City Council after all commitments for future expenditures, required reserves defined by State statutes, and previous Council designations have been calculated. The City will define these remaining amounts as “available fund balances.”
3. Available fund balances at the close of each fiscal year should be within a range of at least 25% and no more than 33% (13 to 17 weeks) of the Total Annual Operating Budget of the City.
4. The City Council may, from time-to-time, appropriate fund balances that will reduce available fund balances below the 25% policy for the purposes of a declared fiscal emergency or other such global purpose as to protect the long-term fiscal security of the City of Kannapolis. In such circumstances, the Council will adopt a plan to restore the available fund balances to the policy level within 36 months from the date of the appropriation. If restoration cannot be accomplished within such time period without severe hardship to the City, then the Council will establish a different but appropriate time period.
5. In the event that available fund balances are in excess of 33%, then the City will develop a spending plan utilizing more cash payments for capital projects, or other capital assets.
6. The City will adopt a comprehensive strategy for the long-term stability and financial health of the Water and Sewer Fund, Stormwater Fund, and Environmental Fund. Each fund will maintain a targeted cash balance reserve as compared to that fund’s annual expenditures. The targeted cash balance reserve is stated below:

Water and Sewer Fund	25%
Stormwater Fund	25%
Environmental Fund	10%

FISCAL POLICY GUIDELINES

City of Kannapolis, North Carolina

INVESTMENT POLICY

Introduction

It is the policy of the City to invest public funds in a manner which will provide the highest investment return with the maximum security while meeting the daily cash flow requirements of the City and conforming to all State statutes governing the investment of idle funds.

Objectives

- A. To link long-term financial planning with short-term daily operations and decision-making.
- B. To maintain and improve the City's financial position.
- C. To maintain and improve the City's credit ratings by meeting or exceeding the requirements of rating agencies through sound financial policies.
- D. To maintain and increase investor confidence in the City and to provide credibility to the citizens of the City regarding financial operations,
- E. To protect the City of Kannapolis from emergency fiscal crisis by ensuring the continuance of services even in the event of an unforeseen occurrence.
- F. To ensure that Council's adopted policies are implemented in an efficient and effective manner.

Legality

The cash management and investment program of the City of Kannapolis (hereafter the "City") shall be operated in conformance with federal North Carolina, and other legal requirements, including provisions of the North Carolina General Statutes (hereafter "G.S."), specifically The Local Government Budget and Fiscal Control Act (the "LGBFCA"), primarily G.S. 159-30 – Investment of Idle Funds.

Scope

This investment policy applies to all financial assets of the City except authorized petty cash, trust funds, and debt proceeds, which are accounted for and invested separately from pooled cash. The City pools the cash resources of its various funds into a single pool in order to maximize investment opportunities and returns.

Prudence

The standard of prudence to be used by authorized staff shall be the "prudent person" standard and shall be applied in the context of managing an overall portfolio. Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion, and intelligence would exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.

FISCAL POLICY GUIDELINES

City of Kannapolis, North Carolina

INVESTMENT POLICY – *continued*

Authorized staff acting in accordance with procedures and this investment policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and the liquidity and the sale of securities are carried out in accordance with the terms of this policy.

Responsibility

The Finance Director or his/her designee shall have the responsibility for the administration of the investment policy of the City of Kannapolis. The Finance Director will routinely monitor the contents of the portfolio, the available markets, and the relative values of competing instruments, and will adjust the portfolio accordingly.

Objectives

The City's objectives in managing the investment portfolio, in order of priority, are safety, liquidity, and yield.

Safety

Safety of principal is the foremost objective of the investment program. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. To best mitigate against credit risk (the risk of loss due to the failure of the security issuer) diversification is required. To best mitigate against interest rate risk (the risk that changes in interest rates will adversely affect the market value of a security and that the security will have to be liquidated and the loss realized) the second objective, adequate liquidity, must be met.

Liquidity

The investment portfolio shall remain sufficiently liquid to meet all operating and debt service cash requirements that may be reasonably anticipated. The portfolio will be structured so that securities mature concurrent with cash needs (static liquidity), with securities with an active secondary market (dynamic liquidity), and with deposits and investments in highly liquid money market and mutual fund accounts.

FISCAL POLICY GUIDELINES

City of Kannapolis, North Carolina

INVESTMENT POLICY – *continued*

Yield

The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary, economic and interest rate cycles, taking into account investment risk constraints and liquidity needs.

Ethics and Conflicts of Interest

Officers and employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions. Employees and investment officials shall disclose to the City Manager any material interests in financial institutions with which they conduct business. They shall further disclose any personal financial or investment positions that could be related to the performance of the investment portfolio. Employees and officers shall refrain from undertaking personal investment transactions with the same individuals with whom business is conducted on behalf of the City.

Authorized Financial Dealers and Financial Institutions

The Finance Director will maintain a list of financial institutions authorized to provide investment services. Authorized financial institutions include banks maintaining an office in the State of North Carolina and securities brokers/dealers classified by the New York Federal Reserve as a primary dealer.

The Finance Director shall have discretion in determining the number of authorized financial institutions and may limit that number based upon the practicality of efficiently conducting the investment program. The Finance Director shall also have the discretion to add or remove authorized financial institutions based upon potential or past performance.

Internal Control

The Finance Director is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of the entity are protected from loss, theft, or misuse. The internal control structure shall be designed to provide reasonable assurance that these objectives are met. The concept of reasonable assurance recognizes that the cost of a control should not exceed the benefits likely to be derived and that the valuation of costs and benefits requires the use of estimates and judgments by management.

FISCAL POLICY GUIDELINES

City of Kannapolis, North Carolina

INVESTMENT POLICY – *continued*

Collateralization

Collateralization is required for certificates of deposit. North Carolina General Statutes allow the State Treasurer and the Local Government Commission to prescribe rules to regulate the collateralization of public deposits in North Carolina banks. These rules are codified in the North Carolina Administrative Code - Title 20, Chapter 7 (20 NCAC 7). The Pooling Method of collateralization under 20 NCAC 7 allows depositories to use an escrow account established with the State Treasurer to secure the deposits of all units of local government. This method transfers the responsibility for monitoring each bank's collateralization and financial condition from the City to the State Treasurer. The City will only maintain deposits with institutions using the Pooling Method of collateralization.

Delivery and Custody

All investment security transactions entered into by the City shall be conducted on a delivery versus payment basis. Securities will be held by a third party custodian designated by the Finance Director and each transaction will be evidenced by safekeeping receipts and tickets.

Authorized Investments

The City is empowered by North Carolina G.S. 159-30(c) to invest in certain types of investments. The City Council approves the use of the following investment types, the list of which is more restrictive than G.S. 159-30(c):

- a) Obligations of the United States or obligations fully guaranteed as to both principal and interest by the United States.
- b) Obligations of the Federal Financing Bank, the Federal Farm Credit Bank, the Federal Home Loan Banks, the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Housing Administration, and the United States Postal Service.
- c) Obligations of the State of North Carolina
- d) Bonds and notes of any North Carolina local government or public authority that is rated "AA" or better by at least two of the nationally recognized ratings services or that carries any "AAA insured" rating.
- e) Fully collateralized deposits at interest or certificates of deposit with any bank, savings and loan association or trust company that utilizes the Pooling Method of collateralization (section VIII.I).
- f) Prime quality commercial paper bearing the highest rating of at least one nationally recognized rating service, which rates the particular obligation.

FISCAL POLICY GUIDELINES

City of Kannapolis, North Carolina

INVESTMENT POLICY – *continued*

- g) Banker's acceptance of a commercial bank or its holding company provided that the bank or its holding company is either (i) incorporated in the State of North Carolina or (ii) has outstanding publicly held obligations bearing the highest rating of at least one nationally recognized rating service and not bearing a rating below the highest by any nationally recognized rating service which rates the particular obligations.
- h) Participating shares in a mutual fund for local government investment, provided that the investments of the fund are limited to those qualifying for investment under G.S. 150-30(c) and that said fund is certified by the LGC. (The only such certified fund is the North Carolina Capital Management Trust.)
- i) Evidences of ownership of, or fractional undivided interest in, future interest and principal payments on either direct obligations of the United States government or obligations the principal of and the interest on which are guaranteed by the United States, which obligations are held by a bank or trust company organized and existing under the laws of the United States or any state in the capacity of custodian (STRIPS).
- j) Guaranteed investment contracts utilizing repurchase agreements but only for the investment of debt proceeds which are to be collateralized at 105% and marked to market on a daily basis.

Diversification

The City will diversify use of investment instruments to avoid incurring unreasonable risks inherent in over-investing in specific instruments, individual financial institutions or maturities.

Diversification by Instrument	Percent of Portfolio
US Treasury Obligations (bills, notes, bonds)	100%
US Government Agencies (fully guaranteed)	100%
Bankers Acceptances (BAS) (G.S. 147-69.1 (C4F) Commercial Paper (G.S. 147-69.1 (C4F)	40%
Repurchase Agreements	25%
Certificates of Deposit (CDs) Commercial Banks	100%
Certificates of Deposit (CDs) Savings and Loans	25%
North Carolina Capital Management Trust	50%

FISCAL POLICY GUIDELINES

City of Kannapolis, North Carolina

INVESTMENT POLICY – *continued*

Maturity Scheduling

Investment maturities shall be scheduled to coincide with projected cash flow needs, taking into account large routine expenditures (payroll, power purchases), as well as considering sizeable blocks of anticipated revenue (tax receipts, etc.). Maturities shall be times to comply with the following guidelines:

Under 1 year	50%
Under 3 years	75%
Under 5 years	100%

Selection of Securities

The Finance Director or his or her designee will determine which investments shall be purchased and sold and the desired maturity date(s) that are in the best interest of the City. The selection of an investment will involve the evaluation of, but not limited to, the following factors: cash flow projections and requirements; current market conditions; and overall portfolio balance and makeup.

Active Trading of Securities

It is the City's intent, at the time of purchase, to hold all investments until maturity to ensure the return of all invested principal. However, if economic or market conditions change making it in the City's best interest to sell or to trade a security before maturity, that action may be taken.

Pooled Cash and Allocation of Interest Income

All moneys earned and collected from investments other than bond proceeds will be allocated monthly to the various participating funds. Earnings on bond proceeds will be directly credited to the same proceeds.

Marking to Market

A report of the market value of the portfolio will be generated at least annually by the Finance Director.

Software

The City recognizes the significance of the size of its investment portfolio and of the requirements contained in this policy. The City will utilize investment software which enables efficient transaction processing and recording, sufficient portfolio monitoring and the ability to maintain reporting compliance with this policy.³

FISCAL POLICY GUIDELINES

City of Kannapolis, North Carolina

INVESTMENT POLICY – *continued*

Reporting

The Finance Director will prepare a quarterly investment report that will be submitted to the Council. The monthly investment report will include, but is not limited to, a listing of all investments, the investment description, the settlement and maturity dates, the cost value, and the yield to maturity. The monthly investment report will include reporting on the status of diversification compliance.

Fund Relationships

The City of Kannapolis's accounts are organized and operated on a fund basis. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts recording its assets and deferred outflows of resources, liabilities and deferred inflows of resources, fund balances, revenues and expenditures. The City has the following governmental funds.

General Operating Fund: The general fund is the principal operating fund of the City and is used to account for all resources and activities of the City which are not required to be accounted for in another fund.

General Fund: The General fund accounts for all financial resources except those that are required to be accounted for in another fund. The primary revenue sources are ad valorem taxes, federal and state grants and various other taxes and licenses. The primary expenditures are for public safety, street maintenance and construction, sanitation services, cultural and recreational activities and general governmental services. See the full department listing below.

Departments:

- City Council
- City Manager's Office
- Legal Services
- Economic Development
- Communications
- Human Resources
- Finance
- Information Technology
- General Services
- Public Works
 - Engineering
 - Street Lighting
 - Streets Signs and Markings
 - Street Maintenance
 - Powell Bill
 - Operations Center
- Planning
- Parks
 - Recreation
 - Programs
 - Stadium
- Police
 - Administration
 - Support Services
 - Field Operations
 - Special Operations
- Fire
 - Administration
 - Technical Services
 - Emergency Services

FINANCIAL STRUCTURE

Enterprise Funds: These funds are used to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is to finance or recover primarily through user charges the costs of providing goods or services to the general public on a continuing basis; or where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

Water and Sewer Fund: This fund is used to account for the City's water and sewer operations.

Departments:

- Customer Service
- Distribution
- Water Treatment Plant
- Sewage Treatment

Stormwater Fund: This fund is used to account for the City's stormwater operations.

Environmental Fund: This fund is used to account for the City's environmental operations.

Special Revenue Funds: These funds are used to account for specific revenues that are legally restricted to expenditures for particular purposes.

Transit Fund: This fund is used to account for the transit system for the City. This is a joint system with the City of Kannapolis and City of Concord called CK Rider.

Community Development Block Grant Fund: this fund accounts for revenues received under the Community Development Block Grant program that are specifically restricted to the revitalization of selected areas within the City.

CARES Act Fund: This fund was established during the COVID-19 pandemic as a means of accounting for the Coronavirus Aid, Relief and Economic Security (CARES) funding the City received from both Cabarrus and Rowan County.

ARPA Fund: This fund was established during the COVID-19 pandemic as a means of accounting for the American Rescue Plan Funds received from the Federal Government.

Capital Project Funds: These funds are used to account for the financial resources to be used for the acquisition or construction of major capital facilities other than those financed by proprietary funds.

Irish Buffalo Creek Greenway: This fund is used to account for the development of a greenway along Irish Buffalo Creek.

Little Texas Road Sidewalk: This fund is used to account for sidewalk improvements on Little Texas Road.

Bethpage Sidewalk: This fund is used to account for sidewalk improvements on Bethpage Road.

FINANCIAL STRUCTURE

Revenue Bonds 2020: This fund is used to account for the water and sewer improvements financed as part of the 2020 revenue bonds.

Revenue Bonds 2021: This fund is used to account for the water and sewer improvements financed as part of the 2021 revenue bonds.

Sports and Entertainment Venue: This fund is used to account for the baseball stadium.

LOBS 2021: This fund is used to account for the debt service associated with the Parking Deck debt issuance.

Internal Service Funds: These funds are for the financing of goods or services provided by one department or agency to another or to other government units on a cost reimbursement basis.

Insurance and Risk Fund: Expenditures related to the administration and operation of the City's healthcare for active and retired employees as well as workers compensation and other liability claims.

Interfund Transfers: transfers that occur across multiple funds. See chart below.

The General Fund subsidizes the Transit Fund for operational and capital costs that aren't fully covered by the \$30 Tag and Tax fee. The General Fund also subsidizes the Environmental Fund due to increased costs in solid waste and recycling. For the Environmental Fund to become fully self-sufficient, an additional \$8.00 fee increase is required.

The Water and Sewer Fund and Stormwater Fund both pay an Enterprise Management Fee to the General Fund for indirect support and is calculated based on employee allocation and cost of providing support to these enterprise funds (i.e. Legal, City Administration, City Council, Human Resources, Finance, Information Technology, General Services, etc.).

BUDGET SUMMARY

City of Kannapolis

Revenue Summary

Fiscal Year 2027

	FY 2026 Adopted	FY 2027 Adopted	Difference
Ad Valorem Taxes	51,446,045	53,263,188	1,817,143

Grand Total All Funds	\$126,007,842	\$134,747,543	\$ 8,739,701

*Interfund transfers are transfers between annual operating funds. Doesn't include General Management Services Fee charged by enterprise funds to give back to the General Fund.

The City of Kannapolis' operating budget consists of seven funds: General Fund, Water and Sewer Fund, Stormwater Fund, Environmental Fund, Transit Fund, the Separation Pay Fund and the Insurance and Risk Fund. The General Fund is the City's main operating fund. The primary sources of revenue are property taxes and sales taxes. This fund supports the following department areas: general government, public safety, public works, community development, and parks and recreation. The Water and Sewer Fund, Stormwater, Environmental Fund and are all enterprise funds that the City operates. These funds run more similarly to a business and primarily operate off user charges and fees. The Transit Fund is a special revenue fund due to having specific revenues that the City is legally restricted to expend for purposes, such as the public transit

BUDGET SUMMARY

system. Last, is the Special Separation Pay Fund, which is a pension trust fund. For law enforcement officers, the State has made this separation allowance mandatory by Article 12D of the North Carolina General Statute 143. The City has chosen to make this benefit available for all City employees. The seven funds mentioned will be further discussed in each fund summary section of the budget document.

The largest second largest category, the **enterprise funds/other funds** revenue source of primarily charges and fees comprise the total budget at **38%**. Outside of the enterprise funds, the Transit and Separation Pay Funds and Insurance and Risk Insurance Fund are also accounted for in this area.

Ad valorem taxes at **37%**, which is the collection of current and prior year tax levied on all property.

Sales tax is the third largest source of revenue for the City at **13%**. Sales tax is the collections of the one percent (1%) local options-sales tax and both the one-half (1/2) of one percent (1%) local option sales taxes (Articles 40 and 42).

The next source of revenue at **6%** is classified as **other revenue**. The other category consists of revenues from the General Fund departments, miscellaneous revenue, and appropriated fund balance. Also, included in this category is the enterprise fund management fee reimbursement, which is the fee that the Water and Sewer and Stormwater Funds pay to the General Fund for support.

The final source is **intergovernmental revenue**, which is any federal, state, and local assistance that the City receives which comprises **6%** of the total budget. Revenues in this category consist of the following: franchise tax, beer and wine tax, ABC funds, contributions from Cabarrus County and Rowan County, Community Development Block Grant (CDBG) revenue and Powell Bill funds, which come from the State. A line-item breakdown of the major revenue sources in the General Fund is on the following page with the remaining funds to follow.

Downtown Fund	\$ -	\$ -	\$ -
Insurance and Risk Fund	\$ 7,618,904	\$ 8,825,900	\$ 1,206,996
Grand Total All Funds	\$ 135,470,709	\$ 145,312,689	\$ 9,841,980

The table above is an expenditure summary for the City's annually adopted funds.

The City's **General Fund** is divided into major function areas, which are: general government services, planning, public safety, parks and recreation, public works, and other and debt service.

The **general government services** area is made up of the following departments: City Council, City Manager's Office, Economic Development, Communications, Human Resources, City Attorney, Finance, Information Technology and General Services. The planning area is made up solely of the City's Planning Department.

The **public safety** area is comprised of the Police and Fire Departments.

BUDGET SUMMARY

Public works includes Engineering, Street Lighting, Operations Center, Signs and Markings, Powell Bill, and Street Maintenance.

Parks and recreation include Parks and Recreation, Programs, and the Stadium.

The **other category** consists of the Non-Departmental service area as well as any transfers that the General Fund makes to the other funds.

Last, **debt service** is any principal and interest payments accounted for in the General Fund.

The chart above gives a breakdown in expenditures by fund.

- The **Enterprise Funds/Other Funds** category consists of: Water and Sewer, Stormwater, Environmental, Transit and Special Separation pay comprise **32%** of total spending for the City.
- **Public Safety** comprises **24%** of total spending. This includes the Police and Fire Department.
- **General Government** services area comprises **10%** of all spending. This includes the following departments: City Council, City Manager's Office, Economic Development, Communications and Outreach, Human Resources, Legal Services, Finance, Information Technology and General Services.
- **General Debt Service** comprises **9%** of total spending. The debt service area includes debt service on City Hall/Police Headquarters, various fire stations and equipment and parks projects. This area also now includes debt service that was formerly in the downtown fund for the liner park and baseball stadium and the new debt service for the downtown parking deck. Further breakdown in the City's debt service payments can be found in the debt service program summary of the budget document.

BUDGET SUMMARY

- **Parks and Recreation** comprises **6%** of total spending and includes: Parks and Recreation, Programs, and expenses related to Atrium Health Ballpark.
- **Other service** areas comprise **6%** of total spending includes the Non-Departmental budget and any transfers out to other funds.
- **Risk and Insurance** comprises **6%** of total spending and includes expenses related to health insurance and workers compensation insurance.
- **Public Works** comprises **5%** of total spending and includes the following departments: Engineering, Street Signs, Lightings and Markings, Public Works Operations Center, and Powell Bill.
- **Planning** comprises **1%** of total spending and includes the Planning department and code enforcement efforts.

Capital	200,000		200,000		-		-
Total	\$85,983,381		\$ 90,022,285		\$ 4,038,904		4.70%

The FY 27 adopted General Fund budget totals \$90,022,285 which is an increase of 4.70% or \$4,038,904 over the FY 2026 adopted budget of \$85,983,381.

Revenues in the General Fund are divided among property taxes, sales taxes, intergovernmental revenues, other revenues, and appropriated fund balance.

Property tax revenues are projected to increase by 3.5%, primarily due to modest growth in property valuations within both Cabarrus and Rowan counties. Cabarrus County's assessed valuation increased from \$8,169,448,641 in FY 26 to \$8,387,005,000 in FY 27, representing a 2.6% increase. Historically, stronger growth has occurred on the Cabarrus side; however, growth has moderated this year due to significant unanticipated exemptions related to non-profit low-income housing properties, other valuation appeals, and projected declines in motor vehicle values. Rowan County anticipates a 9% increase in assessed valuation, growing from \$1,052,738,455 to \$1,148,824,149 in FY 27. The City's tax base is approximately 88% Cabarrus County and 12% Rowan County. Rowan County's next property revaluation is scheduled for FY 28, with Cabarrus County following FY 29. As a reminder, North Carolina General Statutes require all properties to be revalued at least every eight years; however, both Cabarrus and Rowan counties conduct revaluations every four years.

Overall, property tax collections are projected to increase by \$1,817,143, or 3.53%, based on a proposed tax rate of 55.95 cents and an assumed collection rate of 99%. Each penny on the property tax rate generates approximately \$953,583 in revenue. Property tax revenue accounts for approximately 59% of the total General Fund budget.

Sales tax revenues are projected to increase by 9.37% over the adopted FY 26 budget. Recent trends indicate sales tax collections are outperforming original FY 26 projections, and collections are expected to exceed budget estimates by approximately 5% by fiscal year-end. For FY 27, projected final FY 26 sales tax collections of \$18,487,935 were used as the baseline, with an

FUND SUMMARIES

additional 2% growth factor applied in developing the FY 27 budget. Sales tax revenues comprise approximately 21% of the total General Fund budget.

Intergovernmental revenues consist of funding received from federal, state, and local sources that provide financial assistance to the City. Revenues in this category include utility franchise taxes, beer and wine taxes, Powell Bill funds, refunds of sales and gas taxes, ABC Board distributions, receipts from other local governments, and state grants. Also included are revenues received from Cabarrus County associated with the purchase of Limited Obligation Bonds. Overall, this category increased by \$872,992, driven by higher projected franchise tax collections, increased fire district property and sales tax revenues, and significant growth in interlocal MSD tax revenues. Intergovernmental revenues comprise approximately 10% of the proposed FY 27 General Fund budget.

The “Other Revenue” category represents approximately 10% of the total General Fund budget. Overall, revenues in this category declined by \$256,768 compared to the FY 26 adopted budget. The primary decreases are attributable to projected reductions in investment income of approximately \$400,000, as well as lower parks and recreation charges and fees. The reduction in parks and recreation revenues is largely related to revised projections for the Gem and Swanee theatres. Following further evaluation of these facilities, revenue projections were adjusted to better align with historical trends. The long-term goal remains to reduce the gap between operating costs and generated revenues so these facilities can become self-supporting without reliance on additional subsidies.

Personnel expenditures include all costs associated with employment, including salaries, benefits, and special separation pay. The primary drivers of increased salary and benefit costs are higher retirement contribution rates for eligible employees. For FY 27, the retirement contribution rate for general government employees is 15.13%, while the rate for law enforcement employees is 17.10%. Personnel costs also include a 5% performance-based salary adjustment for all full-time and part-time employees, as well as a flat 5% City contribution to employee 401(k) plans. General employees receive a 5% contribution, while law enforcement employees receive a total 10% contribution, consisting of the mandated 5% contribution plus an additional 5% City contribution. Additional cost increases include a \$2,200 per employee increase in medical insurance premiums, 40% increase in dental costs, employer-paid vision insurance, and employer-paid short-term disability coverage.

Another significant personnel-related investment is the addition of six firefighter positions to staff the Fire Department’s Adaptive Response Unit. This program is designed to provide two personnel per shift to operate a smaller response vehicle focused primarily on medical calls. These employees will be certified firefighters and paramedics, enabling them to support fireground operations when needed. The program is intended to reduce wear and tear on larger apparatus, such as fire engines and ladder trucks, by utilizing a more efficient response vehicle for medical-related incidents.

FUND SUMMARIES

The operations category includes expenditures necessary for the day-to-day operation of departments, such as office supplies, technology equipment, uniforms, contracted services, debt service obligations, and interfund transfers. Operational expenditures are budgeted to increase by 0.48%, or \$191,123, primarily due to the increase in non-departmental for set aside for Fire Station #6.

The capital category includes purchases exceeding \$10,000 but below the \$100,000 threshold required to qualify as a capital improvement project. Included in this category is the City's annual \$200,000 contribution to the "Cap X" fund for capital-related expenditures associated with Atrium Health Ballpark. This contribution remains unchanged from FY 26 to FY 27

FUND SUMMARIES

WATER AND SEWER FUND							
	FY 2026 Adopted		FY 2027 Adopted		Difference		% Change
Revenues							
Charges and Fees	24,320,553		28,432,041		4,111,488		16.91%
Wholesale Water Sales	436,000		433,500		(2,500)		-0.57%
Tap Fees	953,463		923,463		(30,000)		-3.15%

Reconnection Fees	140,000		140,000		-		-
Penalties	525,000		525,000		-		-
Investment Income	200,000		200,000		-		-
Total	\$28,425,016		\$ 32,504,004		\$ 4,078,988		14.35%
Expenditures							
Personnel	7,515,092		8,528,089		1,012,997		13.48%
Operating	20,909,924		23,975,915		3,065,991		14.66%
Capital	-		-		-		-
Total	\$28,425,016		\$ 32,504,004		\$ 4,078,988		14.35%

The FY 27 adopted Water and Sewer budget totals \$32,504,004 which represents a \$4,078,988 or 14.35% increase over the adopted budget of 2026 at 28,425,016.

Due to current wastewater treatment capacity constraints, these revenues are expected to remain stable or potentially decline until additional treatment capacity becomes available to support future growth and development. The recent slowdown may also be partially attributed to increased caution within the local and national homebuilding and development industries, driven by economic uncertainty and the challenges associated with securing financing for certain projects. Despite these short-term conditions, the City remains optimistic that development activity and related revenues will rebound as economic conditions stabilize, and additional infrastructure capacity is realized. Water and Sewer are projected to have the following increases (per customer/per month):

- \$1.45 base rate water increase and .53 cent water volumetric increase
- \$4.80 base rate sewer increase and \$1.08 sewer volumetric increase

The factors driving these rate increases are varied and reflect the City's continued investment in critical infrastructure and long-term system sustainability. A significant contributor has been the investment made in the downtown revitalization project, which required the replacement of aging water and sewer infrastructure throughout the downtown area. As a result, the Water and Sewer Fund assumed additional debt service obligations associated with these infrastructure improvements. In addition, the City issued approximately \$12 million in debt during FY 2026 to support the replacement of the Kannapolis spillway and dam. Due to the age of the existing structure and damage sustained from significant storm events over the years, replacement of the spillway and dam is both necessary and critical to maintaining system reliability and public safety.

Another major factor is the increasing cost of wastewater treatment services through the Water and Sewer Authority of Cabarrus County (WSACC). In FY 2025, the City experienced an increase

FUND SUMMARIES

of approximately \$1.2 million in treatment costs as WSACC began preparations for the first phase of its system expansion. The FY 2027 Budget includes an additional \$600,000 in projected treatment costs associated with the next phase of expansion.

Operational and maintenance costs for the City's water and sewer system have also continued to rise due to inflationary pressures, contractual increases, and the ongoing growth and expansion of the utility system. Over time, utility rates have not been adjusted at a sufficient pace to fully offset these increasing costs.

Finally, rate adjustments are necessary to ensure compliance with the City's bond covenants. Under these covenants, the utility system is required to establish and maintain rates, fees, and charges at levels adequate to fund operating expenses, debt service obligations, and required reserve balances. In addition, the City must maintain a debt service coverage ratio that demonstrates the utility system's ability to meet annual principal and interest payments through net operating revenues. These covenants, which typically require a minimum coverage ratio of 1.2 or greater, are intended to ensure the long-term financial stability and sustainability of the utility system while providing an appropriate financial safeguard for future operations and capital needs.

A breakdown in the rate increase is below:

- Water Base Rate Increase \$1.45/per month (\$9.75 - \$8.30)
 - Base rate increase generates by type:
 - Residential Inside: \$326,847 (20,492 customers)
 - Residential Outside: \$6,380 (400 customers)
 - Commercial Inside: \$23,925 (1500 customers)
 - Commercial Outside: \$1,595 (100 customers)
- Water Volumetric Increase \$0.53/per month (\$7.84 - \$7.31)
 - Volumetric increase generates by type:
 - Residential Inside: \$418,139 (20,492 customers, 3,500 gallons per month)
 - Residential Outside: \$8,162 (400 customers, 3,500 gallons per month)
 - Commercial Inside: \$253,605 (1500 customers, 29,000 gallons per month)
 - Commercial Outside: \$16,907 (100 customers, 29,000 gallons per month)
- Sewer Base Rate Increase \$4.80/month (\$12.00 - \$7.20)
 - Base rate increase generates by type:
 - Residential Inside: \$1,032,504 (19,555 customers)
 - Residential Outside: \$21,120 (400 customers)
 - Commercial Inside: \$73,920 (1400 customers)
 - Commercial Outside: \$5,280 (100 customers)
- Sewer Volumetric Rate Increase \$1.08/month (\$8.53 - \$7.45)
 - Volumetric increase generates by type:

FUND SUMMARIES

- Residential Inside: \$813,096 (19,555 customers, 3,500 gallons per month)
- Residential Outside: \$16,632 (400 customers, 3,500 gallons per month)
- Commercial Inside: \$365,904 (1400 customers, 22,000 gallons per month)
- Commercial Outside: \$26,136 (100 customers, 22,000 gallons per month)

Personnel increases include retirement rate increases, 5% performance increase for all full-time and part-time employees, recommended salary study implementation, health and dental increases and a flat 5% contribution to full-time employees' 401k.

Operations are projected to increase by 5%, primarily due to the increase in sewage treatment costs for the next phase in the WSACC expansion (estimated around \$600,000) and increase in contracted services for maintenance efforts. There are also substantial increases in debt service. This includes existing debt service, the newly added debt of \$12 million for the Kannapolis Spillway and Dam project, \$4 million downtown sewer outfall and any new debt service related to rehabilitation and restoration efforts of the system as well as critical one priority projects. These rate increases will be used to support the following rehabilitation projects:

1. Suburban Woods- Phase 1 watermain replacement (approximately 1,500 ft) Year of the pipe to be replaced: 1965
2. Northwest High School Fire Protection Improvements
3. Concord Lake Road (HWY 136) sewer pump station improvements. Year of the pump station to be replaced: 1993
4. 18th Street sewer pump station electrical improvements. Year of the pump station to be replaced: 2003
5. Afton Run and Lindler Drive watermain improvements (approximately 2,400 ft)
6. Starlight Drive watermain phase 2 improvements (approximately 750 ft)
7. Washington Lane sewer pump station electrical improvements. Year of the pump station to be replaced: 200
8. Vermont Avenue watermain replacement (approximately 600 ft). Year of the pipe to be replaced: 1961
9. Irene Ave watermain replacement phase 2 (approximately 500 ft). Year of the pipe to be replaced: 1965
10. Hoke Street replacement (approximately 400 ft) Year of pipe to be replaced: 1965
11. Wellington Chase watermain redundancy and fire main loop
12. Central Drive and Jackson Street sewer rehabilitation project phase 1. Year of pipe to be replaced: 1965
13. Forrestbrook sewer pump station improvements. Year of pump station to be replaced: 1988
14. Elm Street watermain replacement project (approximately 480 ft) Year of pipe to be replaced: 1965

FUND SUMMARIES

STORMWATER FUND							
	FY 2026 Adopted		FY 2027 Adopted		Difference		% Change
Revenues							
Charges and Fees	3,567,348		3,867,549		300,201		8.42%
Investment Income	70,000		60,000		(10,000)		-14.29%
Appropriated Fund Balance	-		-		-		-
Total	\$ 3,637,348		\$ 3,927,549		\$ 290,201		7.98%
Expenditures							
Personnel	1,791,414		1,989,651		198,237		11.07%
Operating	1,845,934		1,937,898		91,964		4.98%
Capital	-		-		-		-
Total	\$ 3,637,348		\$ 3,927,549		\$ 290,201		7.98%

The adopted Stormwater Fund budget totals \$3,927,549, representing an increase of \$290,201, or 7.98%, over the adopted FY 26 budget of \$3,637,348. To address rising inflationary pressures on operational expenses and increased personnel costs, staff are recommending a \$1.00 per month increase per account for FY 27. Unlike other revenue sources, the Stormwater Fund does not experience significant natural revenue growth through customer base expansion, making a rate adjustment necessary to maintain service levels and operational sustainability.

Personnel cost increases are primarily attributable to higher retirement contribution rates, a proposed 5% performance-based salary adjustment for all full-time and part-time employees, implementation of the recommended salary study adjustments, increases in health and dental insurance costs, and a flat 5% City contribution to full-time employees' 401(k) plans.

Operational expenditure includes increased funding for the purchase of much-needed trailers for departmental operations, as well as higher contracted service costs associated with driveway, curb and gutter replacement, ditch maintenance, and shoulder cutting services. Offsetting a portion of these increases is a \$12,010 reduction in the General Management Services fee. This fee represents the Stormwater and Water/Sewer Funds' reimbursement to the General Fund for indirect administrative and operational support services provided throughout the year. The allocation is determined using a cost allocation formula based on prior year audited expenditures and employee distribution across departments.

FUND SUMMARIES

ENVIRONMENTAL FUND							
	FY 2026 Adopted		FY 2027 Adopted		Difference		% Change
Revenues							
Solid Waste Disposal Tax	44,000		44,000		-		-
Charges and Fees	5,604,193		5,492,000		(112,193)		-2.00%
Commercial Revenue	155,000		178,500		23,500		15.16%
Investment Income	46,000		60,000		14,000		30.43%
Transfers from General Fund	1,832,669		2,290,246		457,577		24.97%
Transfers from Water and Fund	-		-		-		-
Total	\$ 7,681,862		\$ 8,064,746		\$ 382,884		4.98%
Expenditures							
Personnel	1,144,262		1,284,731		140,469		12.28%
Operating	6,537,600		6,780,015		242,415		3.71%
Capital	-		-		-		0.00%
Total	\$ 7,681,862		\$ 8,064,746		\$ 382,884		4.98%

The adopted FY 2027 Environmental Fund budget totals \$8,064,746, representing an increase of \$382,884, or 4.98%, over the FY 26 adopted budget of \$7,681,862.

As a reminder, a \$5.00 fee increase was implemented in FY 26, increasing the monthly rate from \$18.10 to \$23.10. The purpose of this adjustment was to reduce reliance on interfund transfers, move the fund to be solvent, and offset rising costs associated. While this adjustment improved the fund's financial position, additional rate increases will ultimately be necessary for the fund to become fully self-sustaining. Currently, staff are not recommending an additional fee increase for FY 27; however, the Environmental Fund continues to require a subsidy from the General Fund. Based on current projections, an additional fee increase in the range of \$5 to \$8 per account will likely be necessary in future years to achieve full cost recovery.

Charges and fees within the Environmental Fund continue to experience limited organic growth, resulting in a projected revenue decrease of \$112,193. Modest increases are anticipated in commercial revenue collections and investment income, along with an increase in the General Fund subsidy required to support operations.

Personnel cost increases are primarily driven by higher retirement contribution rates, a proposed 5% performance-based salary adjustment for all full-time and part-time employees, implementation of recommended salary study adjustments, increases in health and dental insurance costs, and a flat 5% City contribution to full-time employees' 401(k) plans.

The primary driver of increased operational expenditures is the rising cost of recycling and solid waste disposal services provided through the City's contract with Waste Connections. Current projections include a Consumer Price Index (CPI) adjustment of 1.7%, along with increased landfill tipping fees and recycling processing costs. Landfill disposal costs are estimated at approximately \$48 per ton, while recycling processing costs are projected at approximately \$124 per ton.

FUND SUMMARIES

SEPARATION PAY FUND							
	FY 2026 Adopted		FY 2027 Adopted		Difference		% Change
Revenues							
Transfers from General Fund	721,500		758,000		36,500		5.06%
Total	\$ 721,500		\$ 758,000		\$ 36,500		5.06%
Expenditures							
Personnel	-		-		-		-
Operating	721,500		758,000		36,500		5.06%
Capital	-		-		-		-
Total	\$ 721,500		\$ 758,000		\$ 36,500		5.06%

The adopted FY 27 Separation Pay Fund Budget is \$758,000 which represents a 5.06% increase from the FY 26 adopted budget of \$721,500.

The full amount of the Separation Pay Fund is projected for separation pay obligations for retired City employees. From FY 26 to FY 27, three (3) former employees rolled off that are no longer eligible to receive special separation pay because they are over sixty-two. A projected (3) three new employees are projected to roll on for FY 27. Thirty-five former employees currently receive separation pay benefits for FY 27.

The full amount of the Separation Pay Fund is projected to be spent on separation pay obligations for retired City employees.

Expenditures are calculated based off .85 percent of the annual equivalent of the base rate of compensation most recently applicable to the employee for each year of credible service. Benefits such as Social Security and Medicare are also calculated off the total projected contribution.

FUND SUMMARIES

TRANSIT FUND							
	FY 2026 Adopted		FY 2027 Adopted		Difference		% Change
Revenues							
Vehicle License	434,000		434,000		-		-
Transfers from General Fund	968,698		499,000		(469,698)		-48.49%
Appropriated Fund Balance	-		277,205		277,205		-
Total	\$ 1,402,698		\$ 1,210,205		\$ (192,493)		-13.72%
Expenditures							
Personnel	-		-		-		-
Operating	1,402,698		1,210,205		(192,493)		-13.72%
Capital	-		-		-		-
Total	\$ 1,402,698		\$ 1,210,205		\$ (192,493)		-13.72%

The adopted FY 2027 Transit Fund budget totals \$1,210,205 representing a decrease of \$192,493, or 13.72%, from the FY 26 adopted budget of \$1,402,698. This reduction is primarily attributable to the revised operating agreement between the Cities of Concord and Kannapolis for the CK Rider public transit system.

Under the revised funding structure, the City's \$30 vehicle license tax allocation has been restructured to more accurately reflect transportation-related expenditures. Of the \$30 fee, \$10 will be allocated directly to the Transit Fund to support public transportation services, while the remaining \$20 will continue to support enhanced street paving and transportation improvements through the General Fund. This accounting adjustment more accurately reflects the intended use of the revenues and the level of General Fund subsidy historically provided to transit operations. The direct \$10 allocation to transit is projected to generate approximately \$434,000 annually. State statutes authorize \$5 of the fee to be used specifically for public transit purposes, while the additional \$5 may be used at the City's discretion for broader transportation-related needs.

To significantly reduce operating costs while maintaining a reasonable level of transit service for residents, the City has reached an agreement with the City of Concord to reconfigure the CK Rider transit system beginning in July 2026. The revised service plan includes the elimination of the Brown Route and potential minor modifications to the Blue Route, both of which serve Kannapolis residents. The Green and Yellow routes will remain substantially unchanged.

As a result of the revised service structure and cost-sharing agreement, Kannapolis' annual contribution to the CK Rider system will decrease by approximately \$192,493. Under the new agreement, Kannapolis maintained all routes. These reduced costs are expected to remain generally consistent throughout the term of the proposed agreement with the new service provider.

FUND SUMMARIES

INSURANCE AND RISK FUND							
	FY 2026 Adopted		FY 2027 Adopted		Difference		% Change
Revenues							
Health Insurance Premiums	6,578,904		7,617,900		1,038,996		15.79%
Workers Compensation Premiums	840,000		1,008,000		168,000		20.00%
Retiree Premiums (Health Insurance)	200,000		200,000		-		-
Total	\$ 7,618,904		\$ 8,825,900		\$ 1,206,996		15.84%
Expenditures							
Personnel	-		-		-		-
Operations	7,618,904		8,825,900		1,206,996		15.84%
Capital	-		-		-		-
Total	\$ 7,618,904		\$ 8,825,900		\$ 1,206,996		15.84%

The adopted FY 2027 Insurance and Risk Fund budget totals \$8,825,900, representing an increase of 15.84% over the FY 26 adopted budget. This fund accounts for all health-related expenses associated with active employees, retirees participating in the City's health plan, and workers' compensation coverage for active employees.

A primary driver of the increase is the rise in employer health insurance contributions, which are proposed to increase from \$13,500 to \$15,700 per full-time employee position. This adjustment has an estimated citywide financial impact of approximately \$983,400. The City has gradually increased employer contributions in recent years to better align with projected claims activity and maintain the financial stability of the fund. Recent trends indicate significant increases in prescription-related claims costs, and the proposed contribution adjustment is intended to address those rising expenditures.

The majority of health insurance funding is associated with the City's 447 budgeted full-time positions, calculated at \$15,700 per position, totaling approximately \$7,017,900. The remaining health insurance expenditures primarily reflect dependent coverage premiums, which are estimated at approximately \$600,000 based on current projections provided by the City's insurance broker, Pierce Group Benefits.

Retiree health insurance premiums are projected at approximately \$200,000 annually. In addition, workers' compensation premiums are budgeted to increase by 20% in FY 27 based on current market conditions and claims experience.

Expenses are based on the following:

- \$787,000 in retiree insurance (claims)
- \$355,000 in retiree insurance (post 65- claims)
- \$12,000 in pre 65 administration fees
- \$4,800 in pre 65 care management fees

FUND SUMMARIES

- \$1,100,000 - HSA and HRA benefit (estimated at 447 employees at \$2,200 plus a buffer for over hire)
- \$80,000 for retiree HSA/HRA benefits
- \$25,000 - Contracted Services for OPEB reporting
- \$500,000 – Health clinic costs with Atrium Health (2 full time practitioners)
- \$160,000 -estimated administrative costs for BCBS to administer the plan
 - Estimated to pay \$40/employee in higher admin costs to get pharmacy rebates
- \$4,021,720 – estimated health claims based on trends forecasted from broker.
- \$255,000 – workers compensation insurance
- \$40,000 – admin fees for Gallagher to administer plan
- \$713,000– estimated workers compensation claims based on trends forecasted from Gallagher.

GENERAL FUND

The General Fund (GF) is the largest fund with the City and represents most of the financial resources of the City. General Fund revenue includes monies collected from property taxes, licenses and permits, local taxes and other types of revenue. This fund includes most of the basic operating services, such as fire and police protection, administration, finance, information technology, economic development, communications, parks, planning, and general services.

GENERAL FUND SUMMARY

Property (Ad Valorem) Taxes

Property valuations are determined by the respective County Tax Assessors in Cabarrus and Rowan counties, as the City of Kannapolis is located within both jurisdictions.

Cabarrus County's assessed valuation increased from \$8,169,448,641 in FY 26 to \$8,387,005,000 in FY 27, representing a 2.6% increase. Historically, the Cabarrus County portion of the City has experienced stronger valuation growth; however, growth has moderated this year due to significant unanticipated exemptions related to non-profit low-income housing properties, other valuation appeals, and projected declines in motor vehicle values. Rowan County anticipates a 9% increase in assessed property valuations, growing from \$1,052,738,455 to \$1,148,824,149 in FY 27. The City's overall tax base is comprised of approximately 88% Cabarrus County valuations and 12% Rowan County valuations.

Rowan County's next countywide property revaluation is scheduled for FY 28, with Cabarrus County following in FY 29. While North Carolina General Statutes require counties to conduct property revaluations at least once every eight years, both Cabarrus and Rowan counties currently perform revaluations on a four-year cycle.

Overall, property tax collections are projected to increase by \$1,817,143, or 3.53%, based on a proposed property tax rate of 55.95 cents and an assumed collection rate of 99%. Each penny on the property tax rate is projected to generate approximately \$953,583 in revenue, or nearly \$1 million annually. Total property tax collections are estimated at \$53,263,188 and comprise approximately 59% of the total General Fund budget.

Please note the graph below that shows the increase in property tax revenue over the past 10 years. The City of Kannapolis has experienced consistent growth and continues to do so.

Cabarrus County and Rowan County conduct revaluations every four years rather than the maximum eight years. Rowan County will have a revaluation in FY 28 and Cabarrus in FY 29.

GENERAL FUND SUMMARY

Sales Taxes

Sales tax projections are developed based on historical collection trends and anticipated retail sales activity. Under Article 39 of Chapter 105 of the North Carolina General Statutes (1% local sales tax), counties and municipalities receive the net proceeds of sales tax collections generated within the county, less the State's cost of administration and collection, commonly referred to as the "point of sale" method.

Distribution methodologies vary by county. In Rowan County, Article 39 proceeds are distributed on a per capita basis, while Cabarrus County distributes proceeds on an ad valorem basis. The per capita method allocates revenues based on the ratio of the City's population relative to the combined population of the county and all municipalities located within the county. The ad valorem method utilizes the City's proportionate share of the total countywide property tax levy rather than population.

In addition, Article 40 (½-cent sales tax) and Article 42 (½-cent sales tax) revenues are collected statewide and distributed through a statewide allocation pool using both per capita and ad valorem methodologies.

Sales tax revenues comprise approximately 21% of the adopted General Fund budget. Collections are projected to increase by 7.61% over the FY 26 adopted budget. Recent collection trends indicate sales tax revenues are outperforming original FY 26 projections, with current estimates anticipating collections will exceed budget by approximately 5% at fiscal year-end. For FY 27, the City utilized a projected FY 26 year-end sales tax collection estimate of \$18,030,159 as the baseline and applied a conservative 4% growth factor in developing the adopted FY 27 budget.

Intergovernmental Revenue

Intergovernmental revenues consist of funding received from federal, state, and local governmental entities that provide financial assistance to the City. Revenues in this category include utility franchise taxes, beer and wine taxes, Powell Bill allocations, refunds of sales and gas taxes, ABC Board distributions, reimbursements from other local governments, and state

GENERAL FUND SUMMARY

grant funding. Also included are revenues the City will receive from Cabarrus County associated with the purchase of Limited Obligation Bonds.

Overall, intergovernmental revenues are projected to increase by \$872,992 in FY 27. The increase is primarily attributable to higher projected franchise tax collections, increased fire district property and sales tax revenues, and significant growth in interlocal MSD tax revenues. Franchise tax revenues alone are projected to increase by \$318,162 over the adopted FY 26 budget and represent the City's third-largest revenue source. These revenues are derived from taxes imposed on public utilities operating within North Carolina, including providers of electricity, natural gas, steam, and similar services, as well as local video programming providers.

Intergovernmental revenues comprise approximately 10% of the adopted FY 27 General Fund budget.

Other Revenues

Other revenues include various revenue sources that support City operations but do not fit within the primary revenue classifications previously discussed. Collectively, these revenues comprise approximately 10% of the proposed General Fund budget.

This category includes the City's \$20 vehicle license fee allocation that supports General Fund operations and transportation-related improvements. Historically, only \$10 of the fee was budgeted within the General Fund; however, revised accounting practices and statutory guidance now allow \$10 of the total \$30 vehicle license fee to be directly allocated to public transit purposes, with the remaining \$20 supporting enhanced street paving efforts and General Fund operations.

Additional revenues within this category include vehicle rental taxes, building and tower rental income, miscellaneous revenues, investment earnings, and charges and fees generated by various City departments. Miscellaneous revenues are projected to remain stable at approximately \$25,000, while investment income is projected to decrease by \$400,000 based on current market conditions and anticipated interest rate trends.

Also included in this category is the enterprise fund management fee, which represents reimbursement to the General Fund for administrative and operational support services provided to the Water and Sewer Fund and the Stormwater Fund. This revenue source is projected to increase by \$381,357 based on the employee allocation methodology used to calculate shared service costs across these funds.

Parks and recreation revenues within the charges and fees category are projected to decline, primarily due to revised revenue estimates for the Gem and Swanee theatres. Following further evaluation of these facilities, revenue projections were adjusted to more closely align with historical operating trends. The City's long-term objective remains to reduce the gap between

GENERAL FUND SUMMARY

operating costs and generated revenues so these facilities can become increasingly self-supporting without reliance on additional subsidies.

The bar graph below illustrates the distribution of the primary revenue sources within the General Fund.

GENERAL FUND SUMMARY

General Fund Expenditures

Account Description	FY 2026 Adopted	FY 2027 Adopted	Actual Increase/ Decrease (\$)	% Change

GENERAL FUND SUMMARY

Expenditures in the General Fund are broken out among function areas. There are seven function areas explained below:

General Government

The General Government Services area accounts for services provided by the City for the benefit of the public and the government body as a whole. This service area encompasses the following departments: City Council, City Manager's Office, Economic Development, Communications, Human Resources, Legal Services, Finance, Information Technology and General Services.

This service area comprises 16% of total General Fund spending. This service area increased by \$261,733 or 1.83%.

The primary drivers of this increase are personnel-related costs associated with the proposed 5% performance-based salary adjustment, increased retirement contribution rates, higher health and dental insurance costs, and enhanced 401(k) contributions.

To help offset the financial impact of these personnel adjustments, a number of departmental operational expenditures were reduced or right sized. These reductions include decreases in part-time staffing and contracted services within Human Resources, reductions in annual maintenance and small equipment funding within Information Technology, salary and wage reductions associated with a paralegal position within Legal Services, and reductions in citywide marketing and communications funding.

Public Safety

Public Safety funding provides services responsible for the safety and security of the public. Included in this service area is the Police Department and the Fire Department. The Police Department includes four divisions: Administration, Support Services, Field Operations, and the newly developed Special Operations Division. The Fire Department includes three divisions: Administration, Emergency Services and Technical Services.

This service area comprises 39% of all General Fund spending. This service area increased by \$2,418,578 or 8.9% over the FY 26 adopted budget.

The primary drivers of this increase are personnel-related costs associated with the proposed 5% performance-based salary adjustment, increased retirement contribution rates, higher health and dental insurance costs, and enhanced 401(k) contributions.

In addition, the budget includes funding for six new firefighter positions within the Fire—Emergency Services Division to support the implementation of the Adaptive Response Unit. This program assigns two personnel per shift to operate a smaller response vehicle primarily dedicated to medical calls. These positions will be filled by certified firefighters and paramedics, enabling personnel to provide full fireground support when needed. The intent of this program is to reduce wear and tear on larger fire apparatus, such as engines and ladder trucks, by utilizing a more efficient vehicle for medical response incidents.

GENERAL FUND SUMMARY

Additional increases within the Fire Department are attributable to higher costs for public safety supplies, including personal protective equipment for the new firefighter positions, as well as increased contractual costs associated with fire protection services provided by Odell Fire Protection in the western portion of the City. This contract is projected to increase by \$268,525.

Other significant increases are associated with the new lease agreement with Axon for the replacement of in-car cameras, body-worn cameras, and tasers, totaling an estimated \$710,800, which represents an increase of \$387,000 over prior year costs. The budget also continues funding for the City's 911 communications center equipment and redundancy infrastructure. Because the City is not designated as a primary or secondary Public Safety Answering Point (PSAP), it is not eligible for State 911 Board funding, requiring these costs to be fully supported within the General Fund.

Public Works

Public Works is responsible for enhancing the quality of life by providing dependable, high quality and responsive services. The following departments comprise this service area: Engineering, Street Lighting, Operations Center, Signs and Markings, Powell Bill, and Street Maintenance.

This area comprises 8% of total General Fund spending. This service area increased by \$445,077 or 6.78% over the adopted FY 26 budget.

Outside of the personnel increases already noted, the major increases in this category are related to contract engineering for specialized engineering work and an increase in electricity costs downtown based on trends.

Planning

Planning provides for orderly planning of growth and development within the City.

This area comprises 2% of all General Fund spending. This service area increased by \$53,365 or 3.48% over the adopted FY 26 budget.

The Planning Department's increases are related to the 5% performance increase, 40% increase in dental insurance and 16% increase in health insurance, 5% for 401k contribution and increases to the retirement rate. Outside of those personnel increases, the department saw decreases in their operational line items.

Parks and Recreation

Parks and Recreation provide City residents with opportunities and facilities for recreational and educational programs and activities. The departments that make up this service area are Parks, Recreation Programs, and the Stadium. Parks and Recreation include the maintenance of all city parks, youth athletics, summer events and concert series and the newly opened Atrium Health Ballpark.

This area comprises 10% of all General Fund spending. This service area decreased by \$469,073 or -4.80% from the adopted budget on FY 26.

GENERAL FUND SUMMARY

Funding for the summer concert series was reduced from \$575,000 to \$400,000. Additional reductions are reflected in the Swanee and Gem Theatres, consistent with the City's objective of transitioning these facilities toward greater financial self-sufficiency and reducing reliance on General Fund subsidies to support ongoing operations.

At the Swanee Theatre, talent and entertainment expenditures were reduced by \$289,000 to allow for a restructured programming model focused on increased cost recovery. A key priority of the City Council is to further maximize facility utilization through expanded rental activity at this venue.

Personnel costs within the Parks and Recreation Department reflect an overall increase associated with the proposed 5% performance-based salary adjustment for all full-time and part-time employees.

Other

The other category includes the Non-Departmental department, and transfers to other funds.

This area comprises 10% of all General Fund spending. This service area increased by \$1,622,470 or 20.92% over the FY 26 adopted budget.

Expenses in the Non-Departmental budget include:

- \$137,200 - increase in workers compensation insurance based on trends
- 12% increase across all insurance line items based on trends.
- \$28,000 – increase in contingency appropriation based on internal policy of 0.005% of the total General Fund budget of \$89 million (\$448,000 for FY 27).
- \$1,241,058 – budgeted in special expenses for the proposed salary study implementation based on council retreat recommendation of 6-year option and potential debt service payment for Fire Station #6.

Transfers include the following: transfer to the Separation Pay Fund based on additional employees rolling on (estimated at \$758,000), transfer to the Environmental Fund related to the increase in contract with Waste Connections and to subsidize no fee increase for this fund in FY 27 (estimated at \$2,290,246) and the transfer of \$900,000 to start setting aside to put towards enhanced street paving efforts and road, intersection, and sidewalk improvements.

Debt Service

The debt service category accounts for principal and interest payments on debt that is outside of the enterprise fund debt service obligations. Debt service in the General Fund is for greenways, City Hall and Police Headquarters, Fire Stations, and machinery and equipment used to support departments in the General Fund. Also, included is the debt service that was formerly budgeted in the Downtown Fund. This includes debt service payments on the streetscape/linear park, the baseball stadium and for the newly constructed parking deck downtown at the VIDA apartment complex.

GENERAL FUND SUMMARY

This area comprises 15% of all General Fund spending. This service area decreased by \$563,954 or -4.05% decreased from the adopted FY 26 budget.

This category reflects a net decrease primarily due to the retirement of existing debt service obligations.

Included within this area is an estimated \$225,000 in interest expense associated with a proposed short-term borrowing anticipated in October 2026. This financing would provide up to \$6 million for the replacement of capital outlay items citywide, including vehicles, machinery, and equipment. Because the borrowing is expected to occur late in the fiscal year, only interest payments are budgeted in FY 27, with both principal and interest payments beginning in FY 28, estimated at approximately \$600,000 annually.

Additionally, the budget includes an estimated \$200,000 in debt issuance costs related to a potential General Obligation (GO) Bond referendum for Parks and Recreation projects, should it be approved by voters in the November 2026 election.

City Council 11000

MISSION STATEMENT:

The Governing Body consists of a Mayor and six Council members who comprise the City Council. The Council is elected to a four-year staggered term by its citizens and holds ultimate authority to act for the City. The Council decides what services the City provides and at what level, establishes fiscal policy by adopting the annual budget ordinance, levies the City's taxes, and adopts local laws and regulations. The City of Kannapolis will work in partnership with our community to enhance the quality of life through positive leadership the delivery of effective, quality service and the achievement of our shared vision.

Expense Summary	
Personnel Expenses	\$191,588
Operating Expenses	\$211,000
Total Budget	\$402,588

Increases:

- 5% increase for performance pay.
- \$15,700 increase in special expenses due to trends. This account is used for meals for meetings.

Reductions:

- \$31,000 – reduction in election expenses. Still showing some expenses even though this is an off year due to November election with the potential parks GO bond. This is projected to cover any expenses associated with this effort.
- \$5,000 – reduction in travel and training.

Items of Interest:

- \$40,000 - NC League of Municipalities
- \$5,500 - National League of Cities
- \$11,000 - Metropolitan Mayor's Coalition
- \$10,000 - Cabarrus/South Rowan MPO
- \$14,000- Centralina Council of Governments
- \$8,000 - Public Health Authority
- \$3,300 - Rowan Chamber of Commerce
- \$2,000 - Cabarrus Chamber of Commerce
- \$6,200 – UNC School of Government
- Elections expenses are found in budget every other year

Information Technology 11500

MISSION STATEMENT:

To create a more efficient accessible form of City government and to provide City Departments with a means of obtaining needed information through computer-generated applications.

Expense Summary	
Personnel Expenses	\$989,036
Operating Expenses	\$2,709,800
Capital Machinery	\$0
Total Budget	\$3,698,836

Personnel includes: IT Director (1), Systems Engineer (1), Network Administrator (1), Software Support Specialist (1) and (1) Senior Network Administrator and (1) Technical Specialist

Increases:

- Standard 5% personnel increases related to performance reviews throughout the year.
- Standard health and dental insurance increases.

Decreases:

- \$285,426 - reduction in small tools and equipment. This line item is used to purchase outdated equipment for all city personnel.
- \$15,431 – reduction in contracted services based on trends.
- \$179,529 – reduction in annual maintenance based on trends. This is the line item where all citywide software applications are budgeted. There are over 100 software applications budgeted in this line.

Items of Interest:

- All annual maintenance for IT is in the Information Technology budget.
- New equipment purchases related to new personnel are budgeted in the individual departmental (small tools and equipment) budgets.
- All replacement equipment purchases are budgeted in IT small tools and equipment account.
 - Continued to budget \$100,000 to cover the implementation of a routine emplacement schedule for all devices (estimated at 100 devices per year over 5 years).

General Services 11600

MISSION STATEMENT:

The budget for General Services covers utilities, building and grounds maintenance expenses, non-department specific contracted services, real property rental, maintenance and repair of equipment, etc.

Expense Summary	
Personnel Expenses	\$1,272,399
Operating Expenses	\$1,749,500
Capital Machinery	\$0
Total Budget	\$3,021,899

Personnel Includes: General Services Director, Administrative Assistant, (1) Building Maintenance Technician I, (3) Building Maintenance Technician II, (3) Building Maintenance Technician III and (2) Crew Chiefs and 1 Building Technician

Increases:

- 5% performance based increase for all employees (salary and benefits).
- Standard health and dental insurance increases.
- \$11,000 – increase in water and sewer utility based on trends.
- \$20,000 – increase in common area maintenance costs of the parking deck.

Reductions/Decreases:

- \$18,830 – decrease in repair and maintenance building and grounds for the parking deck.
- \$10,000 - decrease in repair and maintenance building and grounds for the train station.
- \$5,000 – reduction in cleaning supplies.
- \$50,000 – reduction in contracted services based on trends.
- \$1,957 – reduction in travel and training based on trends.

Items of Interest:

- Postage covers the cost of all postage for the city with the exception of Billing and Police.

Non-Departmental 10000

MISSION STATEMENT:

The non-departmental budget is established to provide for expenditures not normally associated with individual department budgets.

Expense Summary	
Personnel Expenses	\$0
Operating Expenses	\$4,931,978
Total Budget	\$4,931,978

Increases:

- \$137,200 - increase in workers compensation insurance based on trends
- 12% increase across all insurance line items based on trends.
- \$28,000 – increase in contingency appropriation based on internal policy of 0.005% of the total General Fund budget of \$89 million.
- \$1,496,058 – budgeted in special expenses for the salary study implementation based on council retreat recommendation of 6-year option (impact around 223 employees city wide) and potential debt service payment for Fire Station #6.

Reduction/Decrease:

- \$4,500,000 – reduction in legal settlements based on one-time legal expenses.
- \$20,000 – reduction in banking fees based on trends.
- \$13,000 – reduction in contracted services at College Station based on trends.
- \$600,000 – reduction in developer contribution for block 10. This project is on pause.
- \$30,000 – reduction in one-time closing costs on city owned property.

Items of Interest:

- Contingency funding – internal policy is .5% of total General Fund budget = \$448,000
 - This is set on the following formula: $\$89,000,000 * 0.005 = \$448,000$
 - Policy states at least .5% of all General Fund expenditures.
- Continued funding of \$125,000 for YMCA contribution in special expenses
- \$70,000 - decrease in portion on the Cabarrus Share/Tri Share Pilot-daycare subsidy. This program is no longer being offered by Cabarrus County.

Total		9,942,999	2,994,196	

- An estimated \$225,000 is included for interest expense associated with a proposed short-term borrowing anticipated in October 2026. This financing, up to \$6 million, would be used for the replacement of capital outlay items citywide, including vehicles, machinery, and equipment. Because the borrowing is expected late in FY 27, only interest payments are budgeted in that year, with full principal and interest payments beginning in FY 28, estimated at approximately \$600,000 annually.
- The budget also includes an estimated \$200,000 in debt issuance costs associated with a potential General Obligation (GO) Bond for Parks and Recreation projects, contingent upon voter approval in the November 2026 election.

Increases:

- \$20,350 – increase in the transfer to the Separation Pay Fund based on additional employees rolling on.
- \$457,577 – increase in the transfer to the Environmental Fund related to the increase in contract with Waste Connections and to subsidize no fee increase for this fund in FY 27.

Reductions:

- \$469,698 - reduction in the transfer to the transit fund based on council recommendations.
- \$347,008 – reduction in transfer to other funds. These are one time funding costs associated with capital projects.
- \$75,000 – reduction in the transfer to the insurance and risk fund. This was a one time transfer to cover a workers compensation claim.

Items of Interest:

- General Fund transfer to Environmental Fund assists with Waste Connection contract costs and recycling costs.
 - General fund to Environmental: \$2,290,246
- \$900,000 to start setting aside to put towards enhanced street paving efforts and road, intersection, and sidewalk improvements.

Police – Administration 12010

MISSION STATEMENT:

The Police Department exists to serve all people within our jurisdiction with respect, fairness, and dignity. We are committed to the prevention of crime and the protection of life and property; the preservation of peace, order, and safety; the enforcement of laws and ordinances; and the safeguarding of constitutional guarantees.

Expense Summary	
Personnel Expenses	\$1,431,138
Operating Expenses	\$157,600
Capital Machinery	\$0
Total Budget	\$1,588,738

Personnel includes: Chief of Police (1), Deputy Chief of Police (1), Captains (3), Executive Assistant (1), and Police Planner/Accreditation Manager (1) and (1) Data Manager/Crime Analyst. 5 Sworn, 3 Civilian

Increases:

- Increases in personnel costs related to the 5% performance merit increase.
- Standard health and dental insurance increases.

Reductions:

- \$1,000 – reduction in medical expenses due to spending history (account not used).
- \$11,831 – reduction in public safety expenses due to trends.
- \$16,120 – reduction in NCACP grant. This was a one-time grant and has expired.
- \$2,500 – reduction in meetings due to a combined Public Safety academy with KFD.

Items of Interest:

- Equipment Rental covers text messaging service.
- Contracted services include:
 - Investigative software programming
- Consultants covers the Police Legal Support
- Public Safety Supplies cover several ad hoc expenses – JCSU recruitment, flowers, plaques, interpreters.

Police – Field Operations 12035

MISSION STATEMENT:

The Police Department exists to serve all people within our jurisdiction with respect, fairness, and dignity. We are committed to the prevention of crime and the protection of life and property; the preservation of peace, order, and safety; the enforcement of laws and ordinances; and the safeguarding of constitutional guarantees.

Expense Summary	
Personnel Expenses	\$8,491,106
Operating Expenses	\$1,440,800
Capital Machinery	\$0
Total Budget	\$9,931,906

Personnel includes: Lieutenants (4), Sergeants (9), Police Officers (52), and (1) Administrative Assistant, 64 Sworn, 1 Civilian

Increases:

- Increases in personnel costs related to the 5% performance merit increase.
- Standard health and dental insurance increases.
- \$34,800 – increases in fuel.

Decreases:

- \$24,000 – reduction in repair and maintenance for vehicles with the hopes of replacing capital outlay and equipment this fiscal year so not as much is needed in terms of maintenance costs.
- \$4,000 – reduction in office supplies based on trends.
- \$25,000 – reduction in public safety supplies based on trends.
- \$506,654 – reduction in the axon lease. This is due to 2 fiscal years' worth of this lease being budgeted in FY 26 revised budget. There is a substantial increase to this lease accounted for in FY 27 which is for the in-car cameras, body worn cameras and tasers for all sworn officers.
- \$40,000 – reduction in overtime based on trends.

Items of Interest:

- Continued funding of \$710,800 to include the Axon lease payment (in-car and body worn cameras and tasers). This is the first year of the renewed contract.
- All vehicles are purchased out of this budget.

Fire – Administration 12510

MISSION STATEMENT:

The Kannapolis Fire Department is composed of a dedicated, qualified, and diverse group of professionals that exists to provide effective fire & emergency response services. We are committed to meeting the needs of our dynamic community through preparedness, proactive public education, fire prevention, risk reduction, and partnerships with others.

Expense Summary	
Personnel Expenses	\$962,017
Operating Expenses	\$782,000
Capital Machinery	\$0
Total Budget	\$1,744,017

Personnel includes: Fire Chief (1), Deputy Fire Chief (1), Battalion Chief (1), (1) HR Tech, (1) Office Manager (1) and (1) Fire Mechanic

Increases:

- Increases in personnel costs related to the 5% performance merit increase.
- Standard health and dental insurance increases.
- \$1,000 increase in printing due to trends.
- \$1,500 increase in office supplies based on trends.
- \$1,500 increase in small tools and equipment based on trends.
- \$100,000– increase in contracted services with Odell VFD based on assessed value of properties in this district.

Reductions:

- \$1,000 – reduction in medical expenses due to account not being utilized.
- \$5,000 – reduction in dues and subscriptions based on trends.
- \$3,500 – reduction in meetings based on a combined public safety academy with KPD.

Capital:

- None.

Items of Interest:

- Utilities for all fire stations are found in this department
- Contracted Services covers the contract with Odell VFD

Fire – Emergency Services 12540

MISSION STATEMENT:

The Kannapolis Fire Department is composed of a dedicated, qualified, and diverse group of professionals that exists to provide effective fire & emergency response services. We are committed to meeting the needs of our dynamic community through preparedness, proactive public education, fire prevention, risk reduction, and partnerships with others.

Expense Summary	
Personnel Expenses	\$12,261,056
Operating Expenses	\$1,149,000
Capital Machinery	\$0
Total Budget	\$13,410,056

Personnel Includes: Assistant Fire Chief (1), Battalion Chief (3), Fire Captain (24), Fire Engineer (21), Firefighter (39)

Increases:

- Increases in personnel costs related to the 5% performance merit increase.
- Standard health and dental insurance increases.
- 6 new firefighter positions are accounted for in this budget associated with the new Adaptive Response Vehicle (ARV) program. This program is designed to have 2 personnel each shift operates this truck and respond primarily to medical calls. They will be certified firefighters and paramedics so they can serve on the fire ground. The purpose of this program is to reduce wear and tear on the City's larger apparatus (fire engines and ladders) responding to medical calls and having a smaller apparatus responding to these calls.
- \$2,500 – increase in repair and maintenance equipment based on trends.
- \$52,525 – increase in public safety supplies for PPE related to the 6 firefighters for the ARV.

Reductions/Decreases:

- \$25,000 – decrease in overtime based on trends.
- \$105,257 – reduction in repair and maintenance for vehicles with the hopes of replacing capital outlay and equipment this fiscal year so not as much is needed in terms of maintenance costs.

Capital:

- None.

Items of Interest:

- All part-time positions in all divisions housed in Emergency Services budget
- 3 new firefighters were added in FY 24 which results in most companies to 4 ff per truck. This is a NFPA standard. This will leave only one company that does not have 3 FF per engine.

Public Works - Engineering 13000

MISSION STATEMENT:

Ensure high quality workmanship and cost effectiveness in the installation of infrastructure projects that the City will ultimately maintain. This assurance is accomplished by designing; administering, coordinating projects, and working with developers and engineers to be sure contractors maintain a high level of workmanship and construction practices; and by providing technical assistance to citizens and other City departments.

Expense Summary	
Personnel Expenses	\$1,284,074
Operating Expenses	\$367,500
Capital Machinery	\$0
Total Budget	\$1,651,574

Personnel includes: (1) Director of Engineering, (1) Assistant City Engineer, (1) Civil Engineer I, (1) Civil Engineer II, (2) Engineer Techs, (1) Engineer Tech II, (1) Senior Engineer Tech

Increases:

- Increases related to the 5% performance increase
- Standard health and dental insurance increases

Reductions:

- \$42,750 – reduction in part-time funding due to no part-time positions in this budget (along with applicable benefits).
- \$52,525 – reduction in contract engineering services based on trends. This account is used for contracted engineering work on specialized projects.
- \$1,021,900 – reduction in consultants engineering. This is for the EPA brownfield grant. The remaining funding is tied up in a purchase order and will be rolled to FY 27.

Capital:

- None.

Public Works – Powell Bill 13400

MISSION STATEMENT:

Preserve and maintain safe driving, walking and biking conditions, for the citizens of Kannapolis along with facilities designated as part of the “City System” as accepted by the Kannapolis City Council. Maintain and preserve the storm drainage system along with the “City System”.

Expense Summary	
Personnel Expenses	\$0
Operating Expenses	\$1,982,290
Capital Machinery	\$0
Total Budget	\$1,982,290

No personnel are included in this budget

Increases:

- \$200,000 increase in consultants.

Reductions:

- \$1,747,473 – reduction resurfacing contract based off the FY 26 revised budget. The original FY 26 budget had an allocation of \$1,991,000 but we only received \$1,982,290.
- \$746,460 – reduction in contracted services off the FY 26 revised budget.
- The total must match the projected Powell Bill revenues.

Items of Interest:

- \$250,000 for R&M: Streets (repairs to existing streets, pothole repair).
- \$327,290 for Contracted Services (small street repaving projects).
- \$1,200,000 for Contract – Resurfacing (Covers the annual resurfacing plan).

Public Works – Street Maintenance 13500

MISSION STATEMENT:

Preserve and maintain safe driving, walking and biking conditions, for the citizens of Kannapolis along with facilities designated as part of the “City System” as accepted by the Kannapolis City Council. Maintain and preserve the storm drainage system along with the “City System”.

Expense Summary	
Personnel Expenses	\$1,546,128
Operating Expenses	\$225,000
Capital Machinery	\$0
Total Budget	\$1,771,128

Personnel Includes: Operations Manager (1), Crew Chief (1), Construction Maintenance Technician (2), Construction Maintenance Worker II (8), (1) Crew Supervisor and proposed (1) ROW Crew Chief

Increases:

- \$9,992 – increase in equipment rental based on trends.
- Increases related to the 5% performance increase.
- Standard health and dental insurance increases.
- \$2,000 – increase in motor fuel based on fuel prices increasing.

Reductions/Decreases:

- \$7,000 – reduction in repair and maintenance vehicles. With short term borrowing of capital machinery and equipment, goal is to reduce this line item with less wear and tear on machinery and equipment by replacing it more frequently.
- \$7,992 – reduction in repair and maintenance on equipment.
- \$17,700 – reduction in repair and maintenance for streets.
- \$5,720 – reduction in small equipment and tools.
- \$385,560 – reduction in contracted services from the revised budget. These are for one-time projects that will ideally be completed by the end of FY 26 and therefore don’t need to be budgeted. Anything not complete will roll to FY 27.

Capital:

- None

Items of Interest:

- None.

- \$1,247 – increase in laundry expenses based on trends.

Reductions:

- \$15,000 – reduction in credit card fees at the Swanee.
- \$3,000 – reduction in repair and maintenance: vehicles at Bakers Creek
- \$52,891 – reduction in building and grounds budget based on trends.
- \$60,000 – reduction in building and grounds at the Gem based on one-time projects that occurred in FY 26.
- \$13,710 – reduction in building and grounds based on one-time projects that occurred in FY 26.
- \$9,200 – reduction in building and grounds at the Swanee based on one-time projects that occurred in FY 26.
- \$48,913 – reduction in repair and maintenance at Village Park based on one-time projects that occurred in FY 26.
- \$20,000 in reduction in electricity costs at the Gem and Swanee.
- \$6,000 – reduction in facility expenses at the Swanee.
- \$1,000 – reduction in office supplies at the Swanee.
- \$18,600 – reduction in small tools and equipment based on one-time costs that occurred in FY 26.
- \$19,580 – reduction in small equipment and tools at Village Park and the Swanee.
- \$73,000 – reduction in concession supplies and rider requirements at the Gem and Swanee.
- \$13,500 – reduction in cleaning supplies at the Gem and Swanee.

PARKS AND RECREATION

- \$3,000 – reduction in uniform budget at the Gem and Swanee.
- \$90,800 – reduction in contracted services due to trends and one-time projects that occurred in FY 26 and won't occur in FY 27.
- \$70,115 – reduction in contracted services for Irish Buffalo Creek (IBC) related to one-time costs associated with the grant received for IBC.
- \$140,000 – reduction in consultants related to the Gem and Swanee theatres.
- \$31,855 - reduction in contract grounds maintenance based on trends.
- \$341,957 – reduction in talent and entertainment and sound costs associated with the Swanee Theatre. The goal is to have less costly performances at the venue and rely on facility rentals with less overhead.

Items of Interest:

- Grounds Maintenance for all city properties is in Contracted Services.
- Gem Theatre Revenues budgeted at: \$700,000
- Gem Theatre Expenses budgeted at: \$920,067
- Gem Theatre Subsidy: \$220,067
- Swanee Theatre Revenues budgeted at: \$360,000
- Swanee Theatre Expenses budgeted at: \$829,983
- Swanee Theatre Subsidy: \$469,983

Parks and Recreation - Programs 15060

MISSION STATEMENT:

Provide residents of all ages and abilities positive experiences through a variety of quality activities, facilities, and services under the direction of professional and dedicated staff that are responsive to the changing needs of the community.

Expense Summary	
Personnel Expenses	\$0
Operating Expenses	\$873,000
Total Budget	\$873,000

Reduction:

- \$484 – reduction in Christmas parade program supplies.
- \$5,250 – reduction in youth athletic program supplies.
- \$77,050 – reduction in cultural arts funding. This will be later determined once Downtown Visitors Center and Cultural Arts facility is determined.

PARKS AND RECREATION

- \$208,125 – reduction in summer concert series. This brings total program funding to \$400,00 per Council recommendation at the retreat.

Items of Interest:

- Program Supplies covers all downtown events.
- Program Supplies-Sports covers Youth Athletics covers basketball, soccer, flag football, and baseball programs.

Parks and Recreation - Programs 15060

Parks and Recreation - Stadium 15200

Expense Summary	
Personnel Expenses	\$0
Operating Expenses	\$691,500
Total Budget	\$691,500

Reductions/Decreases:

- \$28,000 – reduction in consultants based on one-time costs that occurred in FY 26.
- \$178,090 – reduction in capital improvement account based on one-time costs that occurred in FY 26.
- \$32,000 – reduction in repair and maintenance: building and grounds for one-time projects that occurred in FY 26.

Items of Interest:

- Team and City each cover ½ of electricity and gas costs.
 - \$90,000 – electricity based on trends
 - \$15,000 – gas based on trends
- City pays for all Water and Sewer
 - \$6,000 – water and sewer based on trends.
- \$10,000 – repair and maintenance: building and grounds.
- \$200,000 – capital investment to the Capital “X” funding for capital improvements made to the stadium over time.
- \$370,500 – lease expense for the team store lease payment.

WATER & SEWER FUND

The Water and Sewer Fund (W/S Fund) is the second largest fund with the City. The W/S Fund revenue includes monies collected from charges for water and sewer services, fees, sales tax, and other revenue. This fund includes most of the operating services, such as administration, billing and collection, water treatment and distribution, sewage treatment, and general management services.

Water and Sewer – Billing and Collections 36000

MISSION STATEMENT:

The Water and Sewer Billing and Collection program was established to provide billing, collection, meter reading and installation, and customer service to the individuals in Kannapolis who receive water and sewer services from the City. We are dedicated to effectively and courteously servicing customer accounts by working with individual customers to insure accurate and timely billing, up to date customer records, and a high level of cooperative, knowledgeable, and personal service both at the City offices and at the customer sites.

Expense Summary	
Personnel Expenses	\$1,489,861
Operating Expenses	\$457,000
Total Budget	\$1,946,861

Personnel includes: Customer Service Director (1), Billing and Collections Supervisor (1), Customer Service Advocates (10), Revenue Collection Specialist (1), Utility Billing Specialist (2), (1) Communication Specialist and (1) Customer Service Revenue Specialist

Increases:

- \$128,939 – increase in personnel costs. This accounts for a 5% merit, health and dental insurance increases, retirement and 401k increase for all staff.
- \$800 – increase in telephone based on trends.
- \$5,000 – increase in banking fees based on trends. Depending on if the City switches to Paymentus for the new payment platform instead of Invoice Cloud, we could see up to \$70,000 savings in this line item.

Reductions

- \$7,000 – decrease in small tools and equipment based on a one-time purchase of chairs in FY 26.
- \$20,250 – decrease in contracted services with the Datamax contract based on trends.
- \$1,000 – reduction in dues and subscriptions based on trends.
- \$1,000 – reduction in uniforms based on trends.
- \$40,000 – reduction in postage costs based on trends.
- \$2,000 – reduction in bank administration fees based on trends.
- \$2,500 – reduction in travel and training based on trends.

Items of Interest:

- Banking fees include Lockbox and e-box services.

Water and Sewer – Distribution 36100

MISSION STATEMENT:

The mission of the Water and Wastewater Resources Department is to deliver the highest quality of drinking water and to continue to build and maintain a reliable Water Distribution and Wastewater Collection System. We are also committed to providing a safe environment for our employees and citizens.

Expense Summary	
Personnel Expenses	\$4,714,494
Operating Expenses	\$3,230,100
Capital Expenses	\$0
Total Budget	\$7,944,594

Personnel include: (8) Construction Maintenance Technicians, (16) CMW II, (5) Crew Chiefs, (3) Crew Supervisors, (2) Equipment Operators, (1) Heavy Equipment Operator, (3) Locators, (4) Meter Technicians, (1) Operations Manager, (1) Senior Admin Support Specialist and (1) Warehouse Assistant.

Increases:

- \$440,552 – increase in personnel costs includes personnel costs. This accounts for a 5% merit, health and dental insurance increases, retirement and 401k increase for all staff. There are 45 staff members in this division.
- \$15,000 – increase in repair and maintenance vehicles based on trends.
- \$4,000 – increase in equipment rental based on trends.
- \$10,000 – increase in motor fuel based on trends
- \$626,324 – increase in contracted services for rehabilitation and restoration efforts related to the rate increase.
- Maintained funding in contracted services for:
 - Outfall contract maintenance. This contracted service is important as we are struggling to maintain our sewer outfalls (ROW) due to all available staff being assigned to construction. We cannot maintain mowing due to turnover rate and this is a permit required obligation. The best solution is to contract this work out.
 - I/I reduction efforts: This is more cost effective to contract this service than to have an in-house crew currently. This type of work will include work on wastewater outfall failures and reduction efforts via manhole raising and replacement.

Decreases:

- \$230,000 – reduction in consultants due to one-time costs associated with the masterplan update.
- \$29,429 – reduction in materials for water and sewer services based on trends.
- \$10,658 – reduction in dues and subscriptions based on trends.
- \$70,165 – reduction in repair and maintenance: lift station for a one-time repair that occurred in FY 26.
- \$5,282 – reduction in utilities based on trends.
- \$1,000,000 – reduction in consultants related to the Lead Service Line Inventory. This is tied to state revolving loan, and the remaining contract will roll to FY 27 after the budget process.

Water and Sewer – Water Treatment Plant 36200

MISSION STATEMENT:

The mission of the Water Treatment Plant is to protect the public health by producing a continuous, adequate, and safe source of potable water for distribution to citizens. Service is provided by ten City employees operating a 15 million-gallon (MG) capacity water treatment plant fed by a 1,356 MG storage capacity lake.

Expense Summary	
Personnel Expenses	\$2,323,734
Operating Expenses	\$3,470,668
Capital Expenses	\$0
Total Budget	\$5,794,402

Personnel includes: (1) Crew Supervisor, (1) Director of Water Resources, (1) Water Quality Technician, (1) WTP Maintenance Worker I, (1) WTP Maintenance Worker, (1) WTP Manager, (1) WTP Supervisor, (5) WTP Operator I, (2) WTP Operator II and proposed (3) Lead Service Line Inventory Workers and (1) Lab Analyst (1) Operator 2- Night Shift Lead.

Increases:

- \$173,347 – increase in personnel costs includes personnel costs. This accounts for a 5% merit, health and dental insurance increases, retirement and 401k increase for all staff. There are 19 staff members in this division.
- \$2,000 – increase in repair and maintenance for vehicles based on trends.
- \$28,100 – increase in repair and maintenance for lift stations. Can be used for Second Creek if we need to reactive it during the drought.
- \$50,000 – increase in equipment rental based on trends and the need to rent a generator.
- \$7,000 – increase in raw water purchases based on trends.
- \$50,000 – increase in bulk water purchases based on trends.

Reductions:

- \$34,791 – decrease in repair and maintenance for equipment based on trends.
- \$21,000 – decrease in utilities based on trends.
- \$346,800 – decrease in consultants related to the masterplan and CIP work, which is a one-time cost.
- \$10,000 – decrease in contract grounds maintenance
- \$2,000 – decrease in travel and training based on trends.
- \$67,000 – decrease in chemicals based on trends.

Items of interest:

- Maintained FY 26 adopted budget levels in contracted services for a ground water review that will cost another \$50,000 in engineering and up to \$100,000 for drilling.
- Increase to Bulk Water Purchase is contractual.

Water and Sewer – Sewage Treatment 36400

MISSION STATEMENT:

The Water and Sewer Authority of Cabarrus County (WSACC) provides the City's sewage treatment – WSACC is an independent, incorporated public body funded by user fees with no taxing authority supporting five jurisdictions (Cabarrus County, Concord, Kannapolis, Harrisburg, and Mount Pleasant). WSACC may plan for the provision of wholesale water and may, when tasked by its organizing jurisdictions, provide retail water and sewer service.

Expense Summary	
Personnel Expenses	\$0
Operating Expenses	\$7,089,343
Total Budget	\$7,089,343

No Personnel included in this Division.

Items of Interest:

- Does not account for I/I that occurs throughout the year due to heavy rainfall that is then treated.
- Large treatment cost increases for the limited sewage capacity/expansion efforts. FY 25 resulted in \$1.2 million and will increase to \$1.8 million in FY 27. This increase is accounted for.
- \$3,800,000 in sewage treatment variable costs – increase of \$500,000 from FY 26 adopted budget.
- \$2,879,434 in treatment fixed rate costs.
- \$259,909 in interceptor fixed rate costs.
- \$150,000 in Concord Northlite sewer costs.

These rate increases will be used to support the following rehabilitation projects via cash or debt service:

- Suburban Woods- Phase 1 watermain replacement (approximately 1,500 ft) Year of the pipe to be replaced: 1965
- Northwest High School Fire Protection Improvements
- Concord Lake Road (HWY 136) sewer pump station improvements. Year of the pump station to be replaced: 1993
- 18th Street sewer pump station electrical improvements. Year of the pump station to be replaced: 2003
- Afton Run and Lindler Drive watermain improvements (approximately 2,400 ft)
- Starlight Drive watermain phase 2 improvements (approximately 750 ft)
- Washington Lane sewer pump station electrical improvements. Year of the pump station to be replaced: 200

WATER AND SEWER

- Vermont Avenue watermain replacement (approximately 600 ft). Year of the pipe to be replaced: 1961
- Irene Ave watermain replacement phase 2 (approximately 500 ft). Year of the pipe to be replaced: 1965
- Hoke Street replacement (approximately 400 ft) Year of pipe to be replaced: 1965
- Wellington Chase watermain redundancy and fire main loop
- Central Drive and Jackson Street sewer rehabilitation project phase 1. Year of pipe to be replaced: 1965
- Forrestbrook sewer pump station improvements. Year of pump station to be replaced: 1988
- Elm Street watermain replacement project (approximately 480 ft) Year of pipe to be replaced: 1965

Water and Sewer – General Management Services Fee and Transfers 39000

Items of Interest:

- Water and Sewer General Management Services Fee: \$2,585,597 (was \$2,192,230 in FY 26)
 - Increase attributed to updated audited figures used in calculation.

STORMWATER FUND

The Stormwater Fund is the third largest fund. Revenue includes monies collected from monthly fees charged to each citizen based on the amount of impervious area on their property. Residential customers pay a fixed fee based on predetermined limits on square footage of these impervious areas which contribute to storm water runoff. The fund includes cost related to a federally mandated educational program plus the annual maintenance of the storm drainage system within the City. Also included is administrative cost provided by the General Fund and the Billing and Collection office.

Stormwater Fund 40000

MISSION STATEMENT:

The Stormwater Division administers the State and Federally mandated program that requires the City to reduce pollution in its waterways as well as the maintenance of over 400 miles of storm water infrastructure. The Division's focus on water quality includes collecting and analyzing surface waters for contaminants; locating and eliminating illicit discharges; implementing industry standard practices for improvement of storm water quality; educating citizens on pollution issues.

Expense Summary	
Personnel Expenses	\$1,989,651
Operating Expenses	\$857,499
Debt Service	\$502,041
Capital Machinery	\$0
Transfers	\$578,358
Total Budget	\$3,927,549

Personnel includes: (1) Director of Environmental/Transportation Services, (1) Stormwater Operations Manager, Crew Chief (2), Equipment Operator (2), (1) Planner/Scheduler, Construction Maintenance Worker II (6) and Construction Maintenance Technicians (4).

Increases:

- Increases in personnel costs related to the 5% performance merit increase.
- Standard health and dental insurance increases.
- \$88,999 – increase in small tools and equipment for the purchase of 3 trailers.
- \$1,050 – increase in overtime based on trends.
- \$130,000 – increase in contracted services based on driveway replacement, curb and gutter work and contract ditching and shoulder cutting.

Decreases:

- \$100 – reduction in postage due to not utilizing this account.
- \$80,000 – reduction in repair and maintenance streets due to trends.
- \$4,000 – reduction in dues and subscriptions based on trends.

Items of Interest:

- Assumes a \$1 fee increase per resident per month (also includes commercial).
- No new debt service for FY 27.
- Contracted services include culvert replacement jobs, concrete replacement jobs and the ditching program.
- General Management Services fee decreased by \$12,010 to \$578,358 based on updated audit figures used in the employee allocation.

Total for All Categories of Expenses		\$ 590,368	\$ 590,368	\$ 578,358	\$ (12,010)	-2.03%

Items of Interest:

- General Management Services fee decreased by \$12,010 to \$578,358 based on updated audit figures used in the employee allocation.

ENVIRONMENTAL FUND

City Council approved a new recycling program in March 2011, which started on July 1, 2011. The fund consists of monies collected from the monthly user fee that all residents must pay. To ensure the success of the Recycling Program, staff will undertake an evaluation of the program and implement seminars directed at education and outreach on the recycling program. For FY2013, the Recycling Fund was renamed the Environmental Fund. Solid waste services such as residential refuse collection and yard waste collection were relocated from the General Fund and accounted for here. For FY 2022, a \$2.50 fee increase was implemented. The \$2.50 fee increase a month generates an additional \$563,400 in revenue based on 18,780 customers. There will most likely need to be another fee increase or two to get this fund to be self-sustaining. The current fee is \$23.10.

Expense Summary	
Personnel Expenses	\$1,284,731

ENVIRONMENTAL FUND

Operating Expenses	\$6,780,015
Capital Machinery	\$0
Total Budget	\$8,064,746

Environmental Fund 50000

Personnel includes: Yard Waste Crew Leader (1) and Yard Waste Technician (4) and (1) Operations Manager, (3) Waste Collection Operators for Rapid Response Unit and (1) Construction Maintenance Technician.

Increases:

- Increases in personnel costs related to the 5% performance merit increase.
- Standard health and dental insurance increases.
- \$8,000 – increase in repair and maintenance streets based on trends.
- \$10,000 – increase in equipment maintenance based on trends.
- \$500 – increase in small tools and equipment based on trends.
- \$6,000 – increase in contracted services based on trends.
- \$70,964 – increase in solid waste contract based on the CPI increase.
- \$28,576 – increase in landfill expenses based on trends and increases in tipping fees.
- \$56,000 – increase in recycling costs based on increases at the MURF (Mecklenburg Recycling Facility).
- \$6,975 – increase in yard waste tipping fees based on trends.

Reductions/Decreases:

- \$24,125 – reduction in repair and maintenance vehicles with the plan of replacing capital this budget year.
- \$1,000 – reduction in telephone based on trends.
- \$5,000 – reduction in container purchases based on trends.
- \$2,000 – reduction in uniforms based on trends.

Items of Interest:

- Solid Waste contract with hauler- Waste Connections.
- Yard Waste covers the land fill fees for yard waste collected by city staff.
- Contracted Services includes e-waste disposal, Cartology app and temporary workers used for loose leaf collection efforts.
- Continued funding of \$516,000 – MURPH for recycling efforts.
- Cost \$48/ton at the landfill and \$124/ton to recycle.

SEPARATION PAY FUND

The Separation Pay Fund was set up by the City to set aside funds for future payments to qualified employees who are eligible for retirement and have retired and have reached age 55 but have not reached age 62. For law enforcement officers, the State has made this separation allowance mandatory by Article 12D of the North Carolina General Statute 143. The City has chosen to make this benefit available to all City employees. This benefit is equal to .85 percent of the annual equivalent of the base rate of compensation most recently applicable to the employee for each year of creditable service. The Separation Allowance is reported in the City's annual financial report as a Pension Trust Fund.

Separation Pay Fund 60000

Expense Summary	
Personnel Expenses	\$758,000
Operating Expenses	\$0
Total Budget	\$758,000

Budget:

- \$705,000- Separation Pay
- \$53,000 - FICA

Capital:

- None

Items of Interest:

- Three employees will receive final supplements for FY 27.
- A projected three new employees will roll on to start receiving this benefit for FY 27.
- Thirty-five former employees currently receive separation pay benefits for FY 26 (as of the 5/4 payroll with 2 rolling on for the next pay cycle).

SEPARATION PAY FUND

Total Separation Pay Expenses	\$ 721,500	\$ 758,000	\$ 36,500	5.06%

TRANSIT FUND

The Transit Fund was established by the City to set aside funds for payments for the City's share of expenses related to the new Concord-Kannapolis Local Public Transportation System. The adopted FY 2027 Transit System Fund Budget is \$1,621,823. This is the twenty second year this fund has existed. The past two years, the Transit Fund has received money from the CARES act related to public transit during Covid. This funding is no longer available to help offset operations. To offset the increase in transit operations, a transfer from the General Fund is needed to supplement in conjunction with the vehicle license fee. City Council has adopted a formal inter-local agreement with the City of Concord to establish a jointly supported Urban Area Transit System for our two cities. The largest part of this entire initiative would be funded by the State and Federal governments.

Transit Fund 77500

Expense Summary	
Personnel Expenses	\$0
Operating Expenses	\$1,210,205
Capital Expenses	\$0
Total Budget	\$1,210,205

Reductions/Decreases:

- A reduction of \$469,698 is projected in Kannapolis' annual contribution to the CK Rider transit system because of the revised funding agreement with the City of Concord.
- To substantially reduce operating costs while maintaining an appropriate level of service for residents, the Cities of Kannapolis and Concord have agreed to implement a reconfigured transit system beginning in July 2026. All routes within Kannapolis remain unchanged.
- In addition, over the next three years, the City of Kannapolis intends to formally evaluate the feasibility of transitioning some or all fixed-route transit services to an on-demand micro-transit model similar to ride-share services. This evaluation may be conducted independently or collaboratively with the City of Concord.

TRANSIT FUND

Items of Interest:

- Vehicle license tax is \$30, \$10 goes directly to the Transit fund to support the public transit system and \$20 goes back to support the General Fund support towards enhanced paving/improvements.
- Kannapolis pays its portion of the following:
 - Contract related to the fixed route (bus) service.
 - Passenger enhancements per FTA 5307 funds - 1% must be spent on passenger enhancements.
 - Safety enhancements- per FTA 5307 funds - at least .75% spent on safety.
 - Security enhancements- per FTA 5307 funds - at least 1% spent on security.
 - Contract related to ADA Paratransit program ridership.

INSURANCE AND RISK FUND

The Insurance and Risk Fund was established by the City in FY 24 to better track revenues and expenses tied to the City's self-insured health insurance and workers compensation policies. In the past, this funding ran through a payable account, and the Enterprise Funds were not paying their adequate share of health and workers compensation costs. This fund accounts for all health-related costs associated with active and retired employees on the plan as well as active employees covered by the City's workers' compensation policy.

This covers the City's portion to offset projected claims and includes the \$2,200 HSA contribution provided to each employee. Revenue estimates were based off 447 full-time positions budgeted at \$15,700/position. The remainder make up dependent premiums based on current estimates provided by Pierce Group; the City's broker. Workers' compensation premiums are budgeted based on a 20% increase.

Insurance and Risk Fund 90000

Expense Summary	
Personnel Expenses	\$0
Operating Expenses	\$8,825,900
Capital Expenses	\$0
Total Budget	\$8,825,900

Expenses are based on the following:

- \$787,000 in retiree insurance (claims)
- \$355,000 in retiree insurance (post 65- claims)
- \$12,000 in pre 65 administration fees
- \$4,800 in pre 65 care management fees
- \$1,100,000 - HSA and HRA benefit (estimated at 447 employees at \$2,200 plus a buffer for over hire)
- \$80,000 for retiree HSA/HRA benefits
- \$25,000 - Contracted Services for OPEB reporting
- \$500,000 – Health clinic costs with Atrium Health (2 full time practitioners)
- \$160,000 -estimated administrative costs for BCBS to administer the plan
 - Estimated to pay \$40/employee in higher admin costs to get pharmacy rebates
- \$4,021,720 – estimated health claims based on trends forecasted from broker.
- \$255,000 – workers compensation insurance
- \$40,000 – admin fees for Gallagher to administer plan
- \$713,000– estimated workers compensation claims based on trends forecasted from Gallagher.

Revenue highlights:

- \$7,017,900 - Health insurance premiums come from the 447 full time positions budgeted at \$15,700/position.
 - The remainder makes up dependent premiums based on current estimates from the City's broker; Pierce Group (estimated ~\$600,000).
- \$200,000 - Retiree health insurance premiums
- \$1,008,000- Workers' compensation premiums- based on a 20% increase based on trends.

LONG RANGE FINANCIAL PLAN

The City of Kannapolis implemented a new financial forecast and new financial policies in FY 2012 and has maintained a long-range financial plan ever since. The long-range financial plan has spanned from 10 years to 5 years and is updated annually through the budget process. The Financial Forecasting plan enables the City to project future revenues and expenditures for years ahead to analyze the impact of rate adjustments over a period.

City of Kannapolis: Five Year Financial Plan

GENERAL FUND 6-22-2026

Budgeted Revenues for:

Property Taxes (4% GR, 6% Rowan Reval in FY 28, 9% Cabarrus County revaluation for FY 29)
MSD Tax (3.5% GR); increased to \$500k for FY 27 and 3% GR for future years
Sales Tax (based on projected FY 26 YE + 2% growth- 3.5% GR for future years)
Franchise Tax (based on projected FY 26 YE)
Powell Bill (based on FY 26 actuals)
Stadium Fees (CVB- \$500k first year, \$100k for 7 subsequent years, team lease- \$450k until FY 26 goes up to \$500k and then \$525k for FY 28 and 29)
Enterprise Management Fee (keeps us in line with debt service parity ratio/bond covenants) increase by 5% YOY due to inflation and personnel increases
Investment Income
Fire Districts Sales Tax (projections from Cabarrus County)
Vehicle License \$20 of the \$30 vehicle tag fee. Used for Street paving and GF efforts of street maintenance.
TIF Contribution (Cabarrus County TIF contribution)* falls off when debt falls off in FY 28
PD Charges and Fees (includes SRO Grant for 4 officers)
PD Officer Court Reimbursement (flat)
Parks and Rec Fees- (5% GR); FY 27 based on FY 25 actuals, assumes 5% GR based on increased use
Parking Garage lease-DECK
Parks and Recreation Gem Revenues (2% GR)
Swanee Theatre Revenues (flat based on trends)
Parks-Recreation Programs (5% GR)
Parks-Donations
Parks- Convenience Fee
Planning Permits and Fees (flat)
Planning- Code Enforcement (flat)
Engineering- Second Review revenue
Beer and Wine Tax (2% growth rate)
Parking Revenues - based on FY 25 actuals
ABC Funds (flat off FY 26 budget)
College Station/Commercial Rent (kept flat)
Building Rental; could have to reduce if we end up discounting to citizens; kept flat
Tower Rental (3% GR)
P card rebates
Miscellaneous Revenue
Vehicle Rental Tax (based on FY 25 actuals)
False Alarm Fees
Fire- Technical Services Fees (based on FY 24 YE)
Fire- Rowan County Contributions (flat)

GLOSSARY

AAP – Atlantic American Properties, a real estate dealer in Kannapolis.

ABC Revenues - Contributions from the local Alcoholic Beverage Control Board. The City is appropriated a portion of the net operating revenue derived from the operation of the local liquor stores.

Accrual Accounting - A basis of accounting in which revenues and expenses are recorded at the time they are incurred, instead of when cash is actually received or disbursed. For example, in accrual accounting, revenue earned between June 1 and June 30, but for which payment was not received until July 12, is recorded as earned on June 30, rather than on July 12.

Activity - A specific service or unit of work performed.

Ad Valorem Taxes - Revenue accounts showing taxes paid on real property, personal property to include property of public service companies allocated by the Ad Valorem Tax Division of the State Department of Revenue.

Adopted Budget - Term used to describe revenues and expenditures for the upcoming year beginning July 1 as adopted by the City Council.

And procedures necessary to define accepted accounting practices.

Annexation – Method by which a city may expand its boundaries (procedures are set forth in North Carolina General Statute 160A-46)

Appropriation (Budgeting) - An authorization granted by the City Council to make budgeted expenditures and to incur obligations for purposes specified in the budget ordinances.

Appropriation - An authorization made by the City Council which permits the City to incur obligations and to make expenditures of resources.

Assessed Valuation - A value that is established for real or personal property for use as a basis to levy property taxes.

Audit – an official inspection of an organization's accounts, typically by an independent body.

ARP- American Rescue Plan funding that was part of the Biden administration that offered federal relief funds as a result of the COVID-19 pandemic.

GLOSSARY

AWWA – American Water Works Association

Balanced Budget - Occurs when planned expenditures equal anticipated revenues. In North Carolina, it is a requirement that the budget submitted to the City Council be balanced.

Basis of Accounting - A term used to refer to when revenues, expenditures, expenses, and transfers--and the related assets and liabilities--are recognized in the accounts and reported in the financial statements; the City of Kannapolis uses the modified accrual basis of accounting for budget preparation, as required by the North Carolina Local Government Budget and Fiscal Control Act.

Biotechnology – A term used to describe any technological application that uses biological systems, living organisms, or derivatives thereof, to make or modify products or processes most commonly related to human health and disease.

Bond - A written promise to pay a sum of money on a specific date at a specified interest rate. The interest payments and the repayment of the principal are detailed in a bond ordinance. The most common types of bonds are general obligation and revenue bonds. These are most frequently used for construction of large capital projects, such as buildings, streets and bridges.

Bond Funds - Resources derived from issuance of bonds for specific purposes and related Federal project grants used to finance capital expenditures.

Budget - A statement in dollar terms of the City's program of service delivery for the ensuing fiscal year.

Budget Amendment - A legal procedure utilized by the City staff and City Council to revise a budget appropriation.

Budget Calendar - The schedule of key dates which the City's departments follow in the preparation, adoption and administration of the budget.

Budget Document - The instrument used by the budget-making authority to present a comprehensive financial program to the City Council.

Budget Message - The opening section of the budget which provides the City Council and the public with a general summary of the most important aspects of the budget, changes from the current and previous fiscal years, and the views and recommendations of the City Manager.

GLOSSARY

Budget Ordinance - The official enactment by the City Council to establish legal authority for City officials to obligate and expend resources.

Budgetary Control - The control or management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available revenues.

C.O.P. – Community Oriented Policing

CAD - Acronym for Computer Aided Design.

CAFR – Certificate of Achievement in Excellence for Financial Reporting

CALEA – Commission on Accreditation for Law Enforcement Agencies

Capital Equipment - Vehicles, equipment, software, and furniture purchased by the City which individually amount to a value in excess of \$500 and an expected life of more than one year.

Capital Expenditure – Payments for acquisition of fixed capital assets, stock, land or intangible assets.

Capital Improvement Program - A plan for major capital expenditures to provide long-lasting physical improvements to be incurred over a fixed period of several future years.

Capital Improvements - Major construction, repair of or addition to buildings, parks, streets, bridges and other City facilities. Capital Improvements projects cost \$10,000 or more, and have a useful life of more than three years.

Capital Improvements Budget - The schedule of project expenditures for the acquisition and construction of capital assets for the current fiscal year.

Capital Outlays - Expenditures for the acquisition of capital assets. Includes the cost of land, buildings, permanent improvements, machinery, large tools, rolling and stationary equipment.

Capital Reserve Fund - A special fund used as a clearing house for monies being transferred from General Fund and Water and Sewer Fund operations.

GLOSSARY

Cash Accounting - A basis of accounting in which transactions are recorded when cash is either received or expended for goods and services.

Cash Management - The management of cash necessary to pay for government services while investing temporary cash excesses in order to earn interest revenue. Cash management refers to the activities of forecasting the inflows and outflows of cash, mobilizing cash to improve its availability for investment, establishing and maintaining banking relationships.

CD – Community Development.

CDBG – Community Development Block Grant given by the Federal Department of Housing and Urban Development.

CIP – Capital Improvement Program.

Classification - Assignment of a position title and an associated pay range based on the job skills required for a particular position.

Contingency Account - A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted for.

Contributed Capital – Donations of capital property to the City. Streets and water and sewer lines installed by developers and turned over to the City in order to be owned and maintained by the City are examples of contributed capital.

D.A.R.E. – Drug Abuse Resistance Education

Debt Services - The City's obligation to pay the principal and interest of all bonds and other debt instruments according to a pre-determined payment schedule.

Deficit - An excess of expenditures over revenues or expense over income.

Delinquent Taxes - Taxes that remain unpaid on and after the due date on which a penalty for non-payment is attached.

Department - An organizational unit responsible for carrying out a major governmental function.

GLOSSARY

Depreciation - The process of estimating and recording the lost usefulness, expired useful life or diminution of service from a fixed asset that cannot or will not be restored by repair and will be replaced. The cost of the fixed assets lost usefulness is the depreciation or the cost to reserve in order to replace the item at the end of its useful life.

Developmental Range: This is the range on the job classification schedule that occurs between the minimum and the midpoint of a salary range in which employees can get up to 5% on their annual performance evaluation. After they are outside of this range, employees qualify for standard merit percentages (0-3%).

Disbursement - Payment for goods and services in cash or by check.

DS1 – Digital Service broadband hookup. Telephone line for high speed service measured at 1,544,000 bits per second.

DWI – Driving under the influence of drugs or alcohol.

Encumbrance - The commitment of appropriated funds to purchase an item or service. To encumber funds is to set aside or commit funds for future expenditures.

Encumbrance Accounting - The system under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation.

Enterprise Fund - A governmental accounting fund in which the services provided are financed and operated similarly to those of a private business. The rate schedules for these services are established to insure that revenues are adequate to meet all necessary expenditures. Enterprise funds in Kannapolis are established for services such as water and sewer.

Estimated Revenue - The amount of projected revenue to be collected during the fiscal year. The amount of revenue appropriated is the amount approved by the City Council.

Expenditure - This term refers to the outflow of funds paid or to be paid for an asset obtained or goods and services regardless of when the expense is actually paid. This term applies to all funds.

Expenses - Charges incurred (whether paid immediately or unpaid) for operation, maintenance, interest and other charges.

Fiscal Year - The time period designating the beginning and ending period for recording financial transactions. The City of Kannapolis's fiscal year begins July 1st and ends June 30th.

GLOSSARY

Fixed Assets - Assets of long-term character which are intended to continue to be held or used, such as land, buildings, machinery, furniture and other equipment.

FPS – Finkbeiner, Pettis & Strout, Inc., Consulting Engineers.

FTO – Field Training Officer.

Function - A group of related programs crossing organizational (department) boundaries and aimed at accomplishing a broad goal or accomplishing a major service.

Fund - An accounting entity that has a set of self-balancing accounts and that records all financial transactions for specific activities or government functions.

Fund Balance - Amounts shown as fund balance represent monies which remain unspent after all budgeted expenditures have been made. North Carolina statute declares that a portion of fund balance is not available for appropriation.

FY – Fiscal Year.

GASB - Acronym for Government Accounting Standards Board.

Generally Accepted Accounting Principles (GAAP) - Uniform minimum standards of and guidelines for financial accounting and reporting. GAAP encompasses the conventions, rules, and procedures that organizations use to compile their financial statements. GAAP are a combination of authoritative standards set by policy boards and simply the most common ways of recording and reporting accounting information.

General Fund - The largest fund within the City, the General Fund accounts for most of the financial resources of the government. General Fund revenue include property taxes, licenses and permits, local taxes and other types of revenue. This fund usually includes most of the basic operating services, such as fire and police protection, finance, data processing, public works, and general administration.

General Ledger - A file that contains a listing of the various accounts necessary to reflect the financial position of the government.

General Obligation Bonds - Bonds that finance a variety of public projects such as streets, buildings and improvements; the repayment of these bonds is usually made from the General Fund and these bonds are backed by the full faith and credit of the issuing government.

GLOSSARY

Geographic Information System - A project which will link the City to a county-wide database, including hardware, software, and added personnel. This system is to be utilized as a planning tool by the City departments.

GF – General Fund.

GFOA - Acronym for Government Finance Officers Association.

GHSP – Governors Highway Safety Program.

GIS – Geographic Information System.

Goal - A statement of broad direction, purpose or intent based on the needs of the community. A goal is general and timeless; that is, it is not concerned with a specific achievement in a given time period.

Governmental Fund. – Money, assets or property of the government used to account for activities primarily supported by taxes, grants and other various form of governmental activity.

Grant - A contribution by a government or other organizations to support a particular function. Grants may be classified as either categorical or block depending upon the amount of discretion allowed by the grantee.

HACV (HVAC) – heating, Air Conditioning, Ventilation

Interfund Transfers - Amounts transferred from one fund to another.

Intergovernmental Revenue - Revenue received from another government for a specified purpose.

Internal Service Fund - Funds used to account for the financing of goods or services provided by one department to another department on a cost reimbursement basis.

Inventory - A detailed listing of property currently held by the government.

Investment Revenue - Revenue earned on investments with a third party. The City uses a pooled cash system. We pool all funds' cash and invest it in total. The interest earned is then allocated back to individual funds by average cash balance in that fund.

GLOSSARY

K9 – Police canine program.

KPD – Kannapolis Police Department.

Lease-Purchase Agreement - An agreement that conveys the right to property or equipment for a stated period of item that allows the City to spread the cost of the acquisition over several budget years.

Levy - To impose taxes, special assessments, or service charges for the support of City activities.

LGC – Local Government Commission in the State Treasurer’s office. Oversees local government Finance and Debt issuance.

LLEBG – Local Law Enforcement Block Grant.

Line Item Budget - A budget that lists each expenditure category (salaries, material, telephone, travel, etc.) separately, along with the dollar amount budgeted for each specified category.

Local Government Budget and Fiscal Control Act - This act governs all financial activities of local Governments within the State of North Carolina.

Long Term Debt - Debt with a maturity of more than one year after the date of issuance.

Maturities - The dates on which the principal or stated values of investments or debt obligations mature and may be reclaimed.

Merit Program - An established system to recognize and financially reward employee performance that exceeds the City's standards for a classification.

Modified Accrual Accounting - The accounting approach under which revenues are recognized in the accounting period in which they become measurable and available to pay liabilities of the current period, and expenditures are recognized in the accounting period in which a fund liability is incurred, if measurable, except for unmatured principal and interest on general long-term debt, which is recognized when due.

MPO – Metropolitan Planning Organization

NC ALE – North Carolina Alcohol Law Enforcement

GLOSSARY

NC SAFIS – North Carolina State Automated Fingerprint Identification System

NCDOT - Acronym for North Carolina Department of Transportation.

NCGS – North Carolina General Statute

NCSBI – North Carolina State Bureau of Investigations

NFPA – National Fire Protection Association

North Carolina Research Campus – A 157 acre biotechnology research center including laboratories, offices, housing, parking decks, retail shopping, and other amenities, being built in Kannapolis on the former Fieldcrest Cannon textile industrial plant site.

Object Code - An expenditure category, such as salaries, supplies or vehicles.

Objectives - A simply stated, readily measurable statement of aim or expected accomplishment within the fiscal year. A good statement of objective should imply a specific standard of performance for a given program.

Operating Budget - The City's financial plan which outlines proposed expenditures for the coming fiscal year and estimates the revenues which will be used to finance them.

Operating Funds - Resources derived from recurring revenue sources used to finance ongoing operating expenditures and pay-as-you-go capital projects.

Operating Transfers - Routine and/or recurring transfers of assets between funds.

Operations - The portion of the budget that pertains to daily operations that provide basic governmental services. The operating budget contains appropriations for such expenditures as supplies, utilities, materials and travel. Generally, all expenses that do not meet the personal services and capital outlay criteria.

Organic Growth: Growth that is achieved by internal metrics such as expanding the customer base due to development.

OSHA – Occupational Safety and Health Administration

GLOSSARY

PARTF – Parks and Recreation Trust Fund. A Trust Fund with the State of North Carolina.

Performance Measures - Descriptions of a program's effectiveness or efficiency (i.e., response time to public requests, frequency of document updates).

Personnel Services - General category that includes salaries and wages, pensions, health insurance and other fringe benefits.

Powell Bill Funds - Funding from state-shared gasoline tax which is restricted for use on maintenance of local streets and roads.

Productivity - A measure of the increase of service output of City programs compared to the per unit of resource input invested.

Program - An organized set of related work activities which are directed toward accomplishing a common goal. Each City department is usually responsible for a number of related service programs.

Proprietary Fund – Funds like those in the private sector. They are used to account for activities that receive significant support from fees and charges. There are two types: enterprise funds and internal service funds.

Property Tax - Property taxes are levied on both real and personal property according to the property's valuation and tax rate.

Property Tax Rate - The rate at which real and personal property in the City is taxed in order to produce revenues sufficient to conduct necessary governmental activities. This rate is currently \$.47 per \$100 of assessed valuation.

PWOC – Public Work Operations Center.

Reappropriation - Appropriations which are not expended at the end of a fiscal year that were earmarked for a specific purpose and are funded in the subsequent year.

Reclassification - Change in a position title and /or the associated pay range based on changes in the job skills required for a given position.

Requisition - A written request from a department to the purchasing office for specific goods or services. This action precedes the authorization of a purchase order.

GLOSSARY

Reserve - A portion of fund balance earmarked to indicate 1) that is not available for expenditure, or 2) is legally segregated for a specific future use.

Resources - Assets that can be used to fund expenditures. These can be such things as Property Taxes, Charges for Service, Beginning Fund Balance or Working Capital.

Restricted Reserve - An account used to indicate that a portion of a fund's balance is legally restricted for a specific purpose and is, therefore, not available for general appropriation.

Retained Earnings - An equity account reflecting the accumulated earnings of an Enterprise or Internal Service Fund.

Re-valuation - Assignment of value to properties, buildings, vehicles, and equipment used for business purposes by the County Tax Assessor's Office; under State law, all property must be revalued no less frequently than once every eight years.

Revenue - Funds that the government receives as income. It includes such items as tax payments, fees from specific services, receipts from other governments, fines, forfeitures, grants, shared revenues and interest income.

Revenue Bonds - Bonds whose principal and interest are payable exclusively from earnings of an Enterprise Fund.

SCADA – Supervisory Control and Data Acquisition. Type of communication system used at the water treatment plant to monitor all plant functions as well as water tanks throughout the City.

Service Level - Services(s) or product(s) which comprise actual or expected output of a given program. Focus is on results, not measures of workload.

SFR – Single Family Residential.

Source of Revenue - Revenues are classified according to their source or point of origin.

Special Assessment - A compulsory levy made against certain properties to defray part or all of the cost of a specific improvement or service deemed to primarily benefit those properties.

GLOSSARY

Special Revenue Fund - A fund used to account for the revenues from specific sources which are to be used for legally specified expenditures.

SRO – School Resource Officer.

STEP – Selective Traffic Enforcement Plan

Tax Base - The assessed valuation of all taxable real and personal property within the City's corporate limits.

TEA-21 – Transportation Efficiency Act of the 21st Century.

TIF – Tax Increment Financing. This is a type of financing authorized by North Carolina which stipulates that City property taxes received on the incremental value of a development can be pledged to pay debt service related to infrastructure improvements done by the City related to the development.

Transfers - All interfund transactions except loans or advances, quasi-external transactions and reimbursements.

UDO – Unified Development Ordinance.

Unencumbered Balance - The amount of an appropriation that is neither expended nor encumbered. It is essentially the amount of money still available for future purposes.

WAN – Wide Area Network .

WSACC – Water and Sewer Authority of Cabarrus County.

WTP – Water Treatment Plant.

**AN ORDINANCE ADOPTING A BUDGET FOR THE
CITY OF KANNAPOLIS, NORTH CAROLINA FOR THE
FISCAL YEAR BEGINNING JULY 1, 2026 AND ENDING JUNE 30, 2027**

BE IT ORDAINED by City Council of the City of Kannapolis, North Carolina, meeting in open session this 22nd day of June 2026, that the following fund revenues and expenditures, together with certain restrictions and authorizations are hereby adopted.

SECTION I – GENERAL FUND: The City Council does estimate that the following revenues will be available during the fiscal year beginning July 1, 2026 and ending June 30, 2027:

Public Works	7,010,611
Other	9,379,224
General Debt Service	<u>13,362,195</u>
TOTAL	<u>\$ 90,022,285</u>

SECTION IX - WATER AND SEWER FUND: A total of \$32,504,004 is hereby authorized to be expended from the Water and Sewer Fund as follows:

General Management Services Fee	\$ 2,585,597
Billing and Collections – Water and Sewer	1,946,861
Distribution - Water and Sewer	7,944,594
WSACC – Sewage Treatment	7,089,343
Water Treatment Plant	5,794,402
Debt Service	<u>7,143,207</u>

TOTAL	<u>\$32,504,004</u>
--------------	----------------------------

SECTION X – STORM WATER FUND: A total of \$3,927,549 is hereby authorized to be expended from the Storm Water Fund as follows:

Personnel	\$ 1,989,651
Operations	857,499
Debt Service	502,041
General Management Services Fee	<u>578,358</u>

TOTAL	<u>\$ 3,927,549</u>
--------------	----------------------------

SECTION XI – ENVIRONMENTAL FUND: A total of \$8,064,746 is hereby authorized to be expended from the Environmental Fund as follows:

Personnel	\$ 1,284,731
Operations	<u>6,780,015</u>

TOTAL	<u>\$ 8,064,746</u>
--------------	----------------------------

SECTION XII - SEPARATION PAY FUND: A total of \$758,000 is hereby authorized to be expended from the Separation Pay Fund as follows:

Personnel	\$ <u>758,000</u>
-----------	-------------------

TOTAL	<u>\$ 758,000</u>
--------------	--------------------------

SECTION XIII – PUBLIC TRANSIT SYSTEM FUND: A total of \$1,210,205 is hereby authorized to be expended from the Public Transit System Fund as follows:

Contracted Services	<u>\$ 1,210,205</u>
---------------------	---------------------

TOTAL	<u>\$ 1,210,205</u>
--------------	----------------------------

SECTION XIV – INSURANCE AND RISK FUND: A total of \$8,825,900 is hereby authorized to be expended from the Insurance and Risk Fund as follows:

Health Insurance	\$ 7,817,900
Workers Compensation	<u>1,008,000</u>
TOTAL	<u>\$ 8,825,900</u>

SECTION XV - TAX RATE ESTABLISHED: An Ad Valorem Tax Rate of \$.5595 per \$100 assessed valuation is hereby established as the official tax rate for the City of Kannapolis for the fiscal year 2026-2027. This rate is based on an estimated valuation of \$9,514,838,712 and an estimated 99 percent collection rate, the audited FY 25 collection rate. Allocation of the 2026-2027 tax rate will be as follows:

GENERAL FUND	\$.5595
TOTAL TAX RATE	\$.5595

SECTION XVI - SPECIAL AUTHORIZATION - CITY MANAGER OR DESIGNEE:

- a. The City Manager or designee is hereby authorized to transfer funds within or between funds, or modify revenue and expenditure projections, as contained under the following conditions:
 1. The City Manager or designee may transfer amounts between expenditures and revenues within a fund without limitation.
 2. The City Manager may not transfer from any contingency within a fund. Utilization of any contingency appropriation shall be accomplished with City Council approval only.
 3. Additional authority is granted to the City Manager or designee to transfer amounts within and between funds for the sole purpose of funding salary and benefit adjustments consistent with the City of Kannapolis Personnel Policy and City of Kannapolis Personnel Ordinance.
 4. Upon notification of funding increases or decreases to existing grants or revenues, or the award of grants or revenues, the City Manager or designee may adjust budgets to match, including grants that require a City match for which funds are available. If a local match is included, this requires City Council approval.
 5. The City Manager or designee can create debt financing amendments from estimated projections upon approval by City Council of the debt financing and adjust as needed upon closing.
 6. The City Manager may execute contracts which are not required to be bid or which NCGS §143-131 allows as informal bids so long as the annual budget or appropriate capital project ordinance contains sufficient appropriated but unencumbered funds.
 7. The City Manager may reject formal bids for the purchase of apparatus, supplies, materials and equipment when deemed appropriate and in the best interest of the City of Kannapolis pursuant to NCGS §143-129 (a). Formal bids for construction or repair

contacts must be awarded by City Council

- b. Authorization is hereby given to the City Manager to withhold or postpone the expenditure of any funds appropriated in this ordinance when it appears to the City Manager that it would be in the best interest of the City for such expenditure to be withheld. This provision shall not in any way limit or restrict the right of City Council to direct immediate disbursement of any appropriated funds when City Council is of the opinion that the funds should be expended regardless of the position taken by the City Manager.

SECTION XVI - SPECIAL AUTHORIZATION – STAFFING AUTHORIZATION:

Funds allocated in this budget ordinance are meant to fund the employment of 454 Full Time positions for fiscal year 2027.

This Ordinance is approved and adopted on this 22nd day of June 2026.

George Douglas Wilson, Mayor
City of Kannapolis

ATTEST:

Pam Scaggs, CMC, NCCMC
City Clerk

Admin

Table 1.1 Public Records

Public Records	Fees
Copies of Documents (per sheet)	\$0.10 cents
Copies of Ordinances (each)	\$10.00
Thumb Drive with Data	\$5.00

Table 1.2 Legal Notices

Legal Notices	Fees
Legal advertisement & Newspaper Ads.	\$300 or actual cost, Whichever is greater
Returned Check Fee	\$25.00

Table 1.3 Human Resources

Employee Notice	Fees
Wage Garnishment Notice (each)	\$14.35
Employee ID Badge Replacement	\$10.00 for first loss \$20.00 for repeat losses

Table 1.4 Police

Police Permits & Service	Fees
Fingerprinting In-Town Residents	\$15.00
Out-of-Town Residents	\$25.00
Sound Permits	\$25.00
Pawn Brokers Permits	\$275.00

Table 1.5 Transportation

Types	Fees
Vehicle License Fee	\$30.00 (annually)
Street Clouser	\$300.00

Table 1.6 Filing Fees For Elected City Office

Elected Office	Fee
Mayor of the City of Kannapolis	\$60.00
Council Member of the City of Kannapolis	\$30.00

Downtown Parking

Table 2.1 Parking Deck

Types	1 st Vehicle	2 nd Vehicle	3 rd Vehicle
Guaranteed Parking Permit (Vida Deck)	Vida Issued	\$30.00 (Monthly)	\$60.00 (Monthly)
Non-Guaranteed Parking Permits (Surface Lots Only)	Vida Issued	\$15.00 (Monthly)	\$30.00 (Monthly)
Lost Permits Replacement	\$5.00 (Each)	\$5.00 (Each)	\$5.00 (Each)

Table 2.2 Hourly & Daily Parking Fees

Types	Time Allotted	Fee
Grace Period	30 minutes	No Charge
Non-Peak Rate	Everyday 1:00 am to 4:00 pm	\$1.00 (Hourly)
Peak Rate	\$5.00 (Each)	\$3.00 (Each)
Daily Rate	Starts after 5 hours	\$25.00
Multi-Day Rate	For resident guest	\$10.00 (Day)
“Pass Back” Penalty		\$100.00

Electric Vehicle (EV) Parking

- **Fee for power** - \$0.10/kWh (per kilowatt-hour).
- **Fee for parking** - grace period of 30 minutes after the vehicle has been fully charged. There is a charge of \$2 for the first hour, after the time expires, a max charge of \$10.
- **Transaction Fees** - are transferred to the drive at \$0.50 + 5% of the total transaction. (This is a fee paid by the driver, not one that the City won't have to recover).

Engineering

- The Engineering Department provides inspections for the installation of driveways, storm drainage pipe, grading/drainage, sidewalk, water & sewer connections, backflow prevention assemblies, and grease separation devices. There is no fee for the initial inspection.
 - *\$50.00 re-inspection fee*
- Water Use Permit for Tank or Tankers
 - *\$50.00 annually*

Table 3.1 Site Development Inspection Fees

Type of Inspection	Fee
Roadway Inspection	\$1.00/ Linear Foot
Storm Drain Inspection	\$1.00/ Linear Foot
Water Inspection	\$1.00/ Linear Foot
Sewer Inspection	\$1.00/ Linear Foot
Greenways/MUP Inspection	\$1.00/ Linear Foot
SCM Closeout Inspection	\$300.00/ SCM
Backflow Prevention Assembly*	\$50.00/ device
Grease Separation Device*	\$50.00/ device

Table 3.2 Site Development Plan Review Fees

Type of Plan Review	Fee
Water Permit Application	\$50.00
Sewer Permit Application	\$50.00
Backflow Prevention Assembly*	\$50.00/ device
Grease Separation Device*	\$50.00/ device
Plan Review Fee – Utility	\$500.00 + \$25.00/Acre

Plan Review Fee – Roadway and Storm	\$500.00 + \$25.00/Acre
Plan Review Fee – Grading and Erosion	\$500.00 + \$25.00/Acre

*These fees do not apply to residential development.

Planning & Zoning

Table 4.1 Zoning & Land Use Applications

Application Type	Base Fee
KDO Text Amendment	\$400.00*plus applicable Legal Ad & Mailed notification fees
Zoning Map Amendment	\$500.00 *plus applicable Legal Ad & Mailed notification fees
Conditional Zoning Map Amendment	\$600.00 *plus applicable Legal Ad & Mailed notification fees
Special Use Permit	\$600.00 *plus applicable Legal Ad & Mailed notification fees
Variance, Appeal, Special Intensity Allocation, Nonconformity Adjustment	\$300.00 *plus applicable Legal Ad & Mailed notification fees
Mailed Notification	\$50.00 Per notification batch

Table 4.2 Residential

Application Type	Base Fee
Single-Family (1F)	\$25.00
Two-Family (2F)	\$25.00/ per unit
Multi-family (5 units or less)	\$250.00
Multi-family (more than 5 units)	\$300.00 or \$0.04/SF (Whichever is greater)

Table 4.3 Structures & Accessory Uses

Application Type	Base Fee
Accessory Structure (Residential -Non-Residential)	\$25.00
Driveway Permit	\$25.00
Temporary Construction Trailer	\$50.00
Temporary Use	\$50.00
Signs	\$50.00

Table 4.4 Use & Occupancy

Application Type	Base Fee
Non-Residential	\$30.00
Home Occupation	\$50.00
Change of Use Permits	\$30.00
Certification Letter *Zoning Verification Letter	\$25.00

Table 4.5 Grading and Site Work Fees

Application Type	Base Fee
Grading Permit (without Site Plan)	\$50.00 <i>Plus \$25.00 per additional acre</i>
Site Plan Review (Multi-Family Residential, Non-Residential, Subdivisions)	\$200.00 <i>*plus \$100.00 per additional acre</i>
Resubmittals	\$100 each review after 3 reviews

Table 4.6 Plat Reviews Fees

Type of Review	Base Fee
Exempt Plat	No Charge
Minor Subdivision Plat Review	\$50.00
Minor Subdivision Plat Revision	\$40.00
Preliminary Major Subdivision Plat Review	\$400.00 (<i>plus \$30.00 per lot</i>)
Preliminary Major Subdivision Revision	\$50.00 (<i>Minor Amendment</i>)
Final Subdivision Plat Review	\$200.00
Final Subdivision Plat Revision	\$40.00
Resubmittals	\$100 each review after 3 reviews

Table 4.7 Publication Fees

Publication Item	Fees
Land Use Plan	\$25.00
Kannapolis Development Ordinance	\$50.00
Map – Extra Large (36’’ x 48’')	\$15.00
Map – Large (24’’ x 36’')	\$10.00
Map – Medium (18’’ x 24’')	\$5.00
Map – Small (8.5’’ x 11’')	Free

** All fees established are due and payable at the time of product delivery or upon initial submittal of any item or items to be reviewed, processed or approved.

** There will be a \$25.00 returned check fee for any check received by the City.

***Double Permit Fee- ***A doubled permit fee will be charged for projects that begin work without first obtaining appropriate permits from the Planning Department. The fee amount to be doubled will be that of the particular permit that should have been issued.

Fire

Table 5.1 Required Certificate of Compliance

Certificate Type	Fees
Certificate of Compliance (1–1,000 SF)	\$20.00
Certificate of Compliance (1,001–20,000 SF)	\$50.00
Certificate of Compliance (20,001–50,000 SF)	\$100.00
Certificate of Compliance (50,001–70,000 SF)	\$200.00
Additional per 20,000 SF over 70,000 SF	+ \$50.00
Certificate of Compliance Re-inspections	\$50.00

Table 5.2 Plan Review & Inspection Fees

Types of Review	Fees
Plan Review – Construction	\$50.00 + .025 /sf
Plan Review – Up-Fit	\$50.00 + .025 /sf
Plan Review – Site Plan	\$50.00
Re-review Fee (* <i>applied on third submittal & each re-submittal thereafter</i>)	\$50.00
Hydrant Flow Test (per hydrant)	\$150.00
Temporary Power Inspection	\$50.00
Load Merchandise Inspection	\$50.00

NOTE: Specification on Load Merchandise Inspections

1. For a multi-tenant building, fees are per tenant.
2. For multiple buildings owned by the same owner(s), fees are per building as defined by the NC Building Code, Vol. 1.
3. Individuals or companies that have not secured permits or Certificates of Compliance prior to beginning work or occupying the structure shall be charged double the listed amount.
4. Re-inspections of the sprinkler system, fire alarm system, or building for Certificate of Compliance will result in an additional fee per inspection.

Table 5.3 Required Construction Permits

Types of Permits	Permit Fee	Test Fee
Automatic Fire Extinguishing Systems (Ansul/Sprinkler)	\$150.00	\$150.00**
Compressed Gases	\$150.00	\$150.00
Fire Alarm & Detection Systems	\$150.00	\$150.00**
Fire Pumps	\$150.00	\$150.00

Flammable & Combustible liquids	\$150.00	\$150.00
Hazardous Materials	\$150.00	\$150.00
Industrial Ovens	\$150.00	\$150.00
Spraying or Dipping Operations	\$150.00	\$150.00
Standpipe Systems	\$150.00	\$150.00

NOTE: Any system installation prior to plan review and/or a permit being issued will incur a double fee.

Any structure over 70,000 SF x .002 + \$150 **

(DOES NOT INCLUDE HOOD SYSTEM/ANSUL)

Table 5.4 Required Operation Permits

Types of Permits	Fees
Amusement Building	\$150.00
Carnivals & Fairs	\$300.00
Covered Mall Building	\$150.00
Exhibits & Trade Buildings	\$2,500/yr or \$300/90-days
Explosives (blasting)	\$100/1-day or \$300/90-days
Liquids Use, Dispensing, Storage, Transportation	\$150.00
UGST/AGST Install, Alter, Remove, Abandon	\$250.00
Change in Liquid in Tanks	\$150.00
Liquid Dispensing – AGST/UGST to Vehicles	\$150.00
Liquid Dispensing – Tankers to Vehicles	\$150.00
Pyrotechnic Special Effects Material (Fireworks)	\$300.00/day & site
Spraying or Dipping	\$150.00
Tents & Canopies	\$50.00/tent

Table 5.5 Required Other Charges/Fee

Types of Charges	Fees
Environmental Site Assessment Research	\$25.00 per hour (<i>one hour minimum</i>)
Fire Flow request/Special Request (fee per hydrant)	\$150.00/hydrant
Stand-by firefighters <i>*when required by fire official or requested by occupant</i>	\$20.00/hr per firefighter
After Hours Inspection – Special Requested	\$35.00/hr (<i>minimum of 2 hours</i>)
After Hours Plan Review – Special Request	\$150.00/submittal
Other inspection by request	\$100.00
Knox/Lock Box Maintenance (Found with incorrect key)	\$100.00
Re-Inspection (Third visit or additional inspection)	\$50.00
State License Inspection Fee (ABC, State Bar, etc.)	\$100.00
Daycare & Nursing Home License Inspection Fee	\$75.00
Group Home License Inspection Fee (annually)	\$75.00
Foster License Inspection Fee (annually)	\$20.00 (<i>second visit \$50.00</i>)

Fire Incident Report Copy(s)	\$1.00 (<i>per report</i>)
Fire Extinguisher Recharge use for class	Current Market Rate per Ext.
Fire Extinguisher Program (Training Class)	\$ 50.00/On-site (Fire Station/City Hall)
Fire Extinguisher Program (Training Class)	\$75.00/Off-site at Requested Business

Table 5.6 Annual Fire Inspection Program

Fire Inspection Programs	Fees
First Inspection (initial)	\$0.00
Second Visit Re-inspection	\$0.00
Third Visit Re-inspection	\$50.00
Fourth Visit Re-inspection	\$100.00

Additional Re-inspections will increase at \$50 per inspection until violations are corrected.

Table 5.7 Hazardous Materials Fees

Solids (lbs)	Liquids (gals)	Gases (SCF)	Fee
< 501	< 56	< 201	\$50.00
501 – 5,000	56 – 550	201 - 2000	\$150.00
5,001 – 25,000	551 – 2,750	2,001 – 10,000	\$200.00
25,001 – 50,000	2751 – 5500	10,001 – 20,000	\$250.00
50,001 – 75,000	5501 – 10,000	20,001 – 40,000	\$300.00
>75,000	> 10,000	>40,000	\$300.00

pound *** (plus .01/per gallon//scf in excess of listed amount)*

NOTE: Excluding LPG/Medical gases

Table 5.8 LPG/Medical gases

Specific Hazardous Materials	Fees
LPG (Excludes LPG used ONLY for heating and cooking)	\$150.00/tank
Medical Gasses	150.00/tank
Radioactive Material any amount	\$125.00

Table 5.9 Stand-by Personnel/Equipment

Equipment	Fee (work hrs.)	Fee (Overtime)
Ladder/Hazmat	\$125.00/\$95.00	
Engine/Tanker	\$95.00

WATER RATES

Table 6.1 Individual Water Service: (less than 2 inch)

Size	Inside City	Outside City
- Tier 1 per 1,000 gallons (0-7,000 gals)	\$7.84	\$9.41
- Tier 2 per 1,000 gallons (over 7,000 gals)	\$8.15	\$9.78
- Irrigation per 1,000 gallons	\$8.15	\$9.78
* Base monthly charge (Note 1)	\$9.75	\$11.70
* Monthly rate for unmetered service – residential only (Note 2)	\$64.63	\$77.56

Table 6.2 Private Water Systems (more than one user)

Size	Inside City	Outside City
- Tier 1 per 1,000 gallons (0-7,000 gals)	\$7.84	\$9.41
- Tier 2 per 1,000 gallons (over 7,000 gals)	\$8.15	\$9.78
- Irrigation per 1,000 gallons	\$8.15	\$9.78
* Base monthly charge per user as determined by number of dwelling units or commercial spaces on site, occupied or vacant	\$9.75	\$11.70

Table 6.3 Commercial Water Service

Size	Inside City	Outside City
- Tier 1 per 1,000 gallons (0-7,000 gals)	\$7.84	\$9.41
- Tier 2 per 1,000 gallons (over 7,000 gals)	\$7.84	\$9.41
- Irrigation per 1,000 gallons	\$8.15	\$9.78
*Base monthly charge	\$9.75	\$11.70

Fire Line Service: (incremental charge based on size of line)

Size	Inside City	Outside City
Monthly service rate (4 inch or less)	\$47.60	\$57.12

Monthly service rate (6 inch)	\$63.60	\$76.32
Monthly service rate (8 inch)	\$71.60	\$85.92
Monthly service rate (10 inch)	\$89.60	\$107.52
Monthly service rate (12 inch)	\$120.60	\$144.72

Sewer Rates

Table 6.4 Individual Sewer Service

Size	Inside City	Outside City
* per 1,000 gallons water used	\$8.53	\$10.24
* base monthly charge	\$12.00	\$14.40
* monthly rate for unmetered service – residential only	\$71.71	\$86.05

Table 6.5 Private Sewer Systems (more than one user)

Size	Inside City	Outside City
* per 1,000 gallons based on master meter	\$8.53	\$10.24
* base monthly charge per user as determined by number of dwelling units or commercial spaces on site, occupied or vacant (Note 2)	\$12.00	\$14.40

Note 1: All City customers will pay the base charge in addition to the per 1,000-gallon charge. Master metered customers will pay the base charge times the number of units served in addition to the per 1,000-gallon charge. Residential water customers using metered service for irrigation purposes only, shall not (during periods when level II or higher water restrictions are in effect) be billed a minimum bill for zero (-0-) usage.

Note 2: Unmetered service is based upon an average of 7,000 gallons usage within a given month.

Water Tap & Connection Fees

Table 6.6 Individual Water Tap Fees

Size	Inside City	Outside City
3/4" service (installation by City)	\$3,250.00	\$3,250.00
1" service (installation by City)	\$3,450.00	\$3,450.00
1-1/2" service (installation by City)	\$3,750.00	\$3,750.00
2" service (installation by City)	\$4,050.00	\$4,050.00
Larger than 2" (installation by customer or City)	All Cost Borne By Customer	All Cost Borne By Customer

Individual Water connection fees: These fees were derived from meter factors as developed in the American Water Works Association Standards Manual. (See Note A)

Table 6.7 Water Meter Size

Size	Inside City	Outside City
* 3/4" service	\$ 3,300.00	\$ 3,300.00
* 1" service	\$ 8,250.00	\$ 8,250.00
* 1-1/2" service	\$ 16,500.00	\$ 16,500.00
* 2" service	\$ 26,400.00	\$ 26,400.00
* 3" service	\$ 49,500.00	\$ 49,500.00
* 4" service	\$ 82,500.00	\$ 82,500.00
* 6" service	\$ 165,000.00	\$ 165,000.00
* 8" service	\$ 264,000.00	\$ 264,000.00
* 10" service	\$ 379,500.00	\$ 379,500.00

(Note A)

- (1) Tap fee & connection fee shall be per lot or per unit to be served. Commercial Customers shall be all cost borne by customer & the tap fee is waived.
- (2) Master metered developments shall pay a connection fee for each lot or individual unit served or fee for meter size whichever is greater
- (3) Connection fee due from residential developers shall be paid before issuance of the zoning clearance permit. (Tap fees are waived where developer has installed water systems in accordance with City Ordinance.)
- (4) Connection fee is due from commercial & industrial developers before zoning permits can be issued by the City.
- (5) Connection fee for residential customers where a tap fee is also due shall be paid before tap is installed by the City.
- (6) Residential & commercial developers who have preliminary plats approved by the City before December 18, 2000 shall be exempt from paying the connection fee.
- (7) Commercial & industrial developers who are not required to obtain plat approval shall be exempt from paying the connection fee if zoning permits have been issued by the City prior to December 18, 2000. (Manufactured home parks & multi-family apartment complexes are included as commercial developers).
- (8) All applicable fees must be paid before receiving City water service.
- (9) All new or modified services in NCDOT owned rights-of-way shall be at cost, All Cost Borne By Customer.

SEWER TAP & CONNECTION FEES

Table 6.8 Individual Sewer Service Tap Fees

Size	Inside City	Outside City
* 4" service (installation by the City) (includes any size pumped by customer)	\$4,250.00	\$4,250
* 6" or larger or where utility encasement may be required (installation by customer or City)	All Cost Borne By Customer	All Cost Borne By Customer

Descriptions of Shelter Areas:

Village Park Shelter A – use by reservation only

Shelters A & C hold approximately 36 people & have 6 picnic tables. These shelters offer power receptacles & grills. They are located close to the splash pad, carousel, train & playground. Cost for a resident to reserve Shelter A is \$25 for a half day (9 – 2:30pm or 3 – 8:30pm). Cost for a full day (9 – 8:30pm) is \$40. Half day reservations may be made on-line; to make a full-day reservation, please call our office at 704-920-4343.

Village Park Shelter B – use by reservation only

Shelter B holds approximately 96 people & has 16 picnic tables. Shelter B offers power receptacles & a grill. This shelter is close to the splash pad, carousel, train & playground. Cost for a resident to reserve Shelter B is \$45 for a half day (9 – 2:30pm or 3 – 8:30pm). Cost for a full day (9 – 8:30pm) is \$80. Half day reservations may be made on-line; to make a full-day reservation, please call our office at 704-920-4343.

Village Park Shelter C – use by reservation only

Shelters A & C hold approximately 36 people & have 6 picnic tables. These shelters offer power receptacles & grills. They are located close to the splash pad, carousel, train & playground. Cost for a resident to reserve Shelter C is \$25 for a half day (9 – 2:30pm or 3 – 8:30pm). Cost for a full day (9 – 8:30pm) is \$40.

BIRTHDAY PARTY TIME BLOCKS: On Saturdays, Shelter C may be reserved in 2-hour time blocks. (9:30 – 11:30, 12:00 – 2:00, 2:30 – 4:30, 5:00 – 7:00). Cost for residents to reserve a 2-hour time block is \$15.00. Two Hour time blocks & half day reservations may be made on-line; to make a full-day reservation, please call our office at 704-920-4343.

Village Park Shelter D – use by reservation only

Shelter D holds approximately 60 people & has 10 picnic tables. Shelter D offers power receptacles & a grill. This shelter is close to the splash pad, carousel, train & playground. Cost for a resident to reserve Shelter D is \$35 for a half day (9 – 2:30pm or 3 – 8:30pm). Cost for a full day (9 – 8:30pm) is \$60. Half day reservations may be made on-line; to make a full-day reservation, please call our office at 704-920-4343.

Village Park Shelter E – use by reservation only

Shelter E holds approximately 24 people & has 4 picnic tables. Shelter E offers power receptacles & a grill. This shelter is located adjacent to the playground & close to the splash pad, carousel & train. Cost for a resident to reserve Shelter E is \$25 for a half day (9 – 2:30pm or 3 – 8:30pm). Cost for a full day (9 – 8:30pm) is \$40. Half day reservations may be made on-line; to make a full-day reservation, please call our office at 704-920-4343.

Tournament Cancellations:

A tournament that is cancelled after 5:00 PM on Wednesday (non-weather related) will be charged \$100 for the first cancellation, \$100 for a second cancellation & \$100 for a third cancellation. Aside from the \$100 cancellation fee, all remaining tournaments will be removed if the user has canceled a tournament for a third time.

A tournament that is cancelled after 5:00 PM on Wednesday (weather-related) will be credited with the rental fee for a future date. Please note all weather-related cancellation will be subject to approval.

If the tournament is cancelled by the Parks & Recreation department due to weather after it has begun, the following format will be used to determine the amount of credit for future field rentals:

Less than ½ of the tournament has been played, 100% of remaining tournament fees will be credited

More than ½ of the tournament has been played, 50 % of remaining tournament fees will be credited

Special Event Fees

Police: The Special Events Committee, in consultation with the Kannapolis Police Department, shall determine the number of police officers required to appropriately manage street closures & for internal security, as well as the time when such services shall commence & end. Applicants

will be invoiced before the event at the rate of \$50.00 per hour per police officer assigned to the event. These fees are due one (1) week before the event.

Fire & EMS: The Special Events Committee, in consultation with the Kannapolis Fire Department, will determine the number of Emergency Medical Personnel required as well as the time when such services shall commence & end. Applicants will be invoiced before the event at the rate of \$35.00 per hour per firefighter/EMS assigned to the event. These fees are due one (1) week before the event.

Street Closure Equipment: The Special Events Committee, in consultation with the Kannapolis Public Works Department, shall determine the need for traffic control equipment to appropriately manage street closures. Applicants will be notified of the recommended controls. The applicant may rent the equipment at the rate of \$175.00 per event. These fees are due one (1) week before the event.

Greenway Event Usage: For events held on Kannapolis Parks & Recreation maintained Greenway usage must be pre-approved by the Special Events Committee.

Insurance: If an event requires a street or sidewalk closure then Comprehensive General Public Liability Insurance is required: \$1,000,000 per person per occurrence with a \$2,000,000 aggregate naming the City of Kannapolis as additionally insured. **Certificate should be specifically worded: “The City of Kannapolis, its officers, employees, & agents are additionally insured”. If alcohol is served at the event, Liquor Liability is required to be included in the Certificate of Insurance. Proof of insurance is required at least 30 days before the event.

Current Special Events Permit Fee Schedule: Fees for special events & neighborhood block parties will utilize the below fee schedule.

Permit fees are non-refundable & are subject to change.

Parade, Walk, or Run:	\$125
Festival/Exhibition Shows:	
Non-Profit without Sales	\$100
For- Profit Organizations	\$200

Neighborhood Block Parties: \$50

Fees are not applicable if the event is contained to private property & requires no City resources.
