Transportation & Environmental Services
1401 Bethpage Road
Kannapolis, NC 28081**

Policy on Speed Reductions in Residential Areas

City residents may request a speed limit modification on residential streets. The procedure for obtaining a lowered speed limit involves a two-step process:

STEP 1:

1. Complete and submit a Neighborhood Speed Limit Request Form. This information is needed by Transportation & Environmental Services to make a preliminary determination that the street qualifies for a lowered speed limit. The evaluation will determine if the street(s) requested are eligible based on the following criteria:
 - Street cannot be a thoroughfare
 - Street cannot be part of the State highway system
 - Street must have less than 2,500 vehicles per day
 - Street must not be designed to be reasonably traveled at the posted speed limit.

STEP 2:

1. **Within 30 days, if your street is eligible for speed limit modification, you will be sent petition forms. You must obtain the signatures of at least 75% of the residents or property owners of each parcel on the street(s). Only one signature per address or parcel will be counted towards the 75%.**
2. Mail or deliver the completed petition to:

City of Kannapolis
Transportation & Environmental Services
1401 Bethpage Road
Kannapolis, NC 28081
3. After validation, the petition will be forwarded to City Council for approval.
4. Upon approval by City Council, appropriate speed limit signs will be erected by the City in accordance with the U.S. Department of Transportation Manual on Uniform Traffic Control Devices.

Petition for Neighborhood Speed Limit Modification

We, the undersigned residents of _____ located in the City of Kannapolis, North Carolina, formally request a reduction in the speed limit within our neighborhood to _____ MPH. We support this action and show our support by signing the petition below for street name: _____. There are 20 lines on each page for signatures. You may make copies for additional signatures.
